Reflections On The Revolution Of Our Time

Tomas Marttila

Reflections On The Revolution Of Our Time:

Reflections on the Revolution of Our Time Harold Laski, 2017-07-05 Harold J Laski saw World War Two as a period of revolutionary change as profound as any in the modern history of the human race In his view the period s inner nature was as significant in its essentials as those which saw the fall of the Roman Empire the birth in the Reformation of capitalist society or as in 1789 the final chapter in the dramatic rise of the middle class to power All of these were not revolutions made by thinkers though some of them may have foreseen its coming but of ordinary people who shaped the large outlines of the direction of these changes Laski held that revolutions of our time have been rooted in all that goes to give its present character to our society We can recognize its advent and prepare for it in that event we might build a civilization richer and more secure than any of which we so far have knowledge Or we may chose to resist its onset in which case it will appear to some future generation that our age has sought rather to sweep back the tides of the ocean than to oppose the decrees of men The curse of our social order is its persistent inequalities Either we must find ourselves able to co operate in their removal or we shall move rapidly to conflict about them Laski argues that the middle class must co operate with workers in essential revisions as the aristocracy was wise enough to do a century ago over the Reform Bill or violent revolution will be unleashed by means that transforms the ends of either party to the conflict in view This is the choice that lies before us Just how accurate or wide of the mark Laski was is brilliantly articulated in the critical introduction by Sidney A Pearson Jr

Reflections on the Revolution of Our Time Harold Joseph Laski, 1968 **Reflections on the Revolutions of Our Time** Harold J. Laski, Originally published New York Viking 1943 **Discourse Theory and Political Analysis** David R. Howarth, Aletta J. Norval, Yannis Stavrakakis, 2000-11-18 How can recent developments in post structuralist post Marxist and psychoanalytical theory actually inform ongoing empirical research What are the appropriate methods and research strategies for conducting research in discourse theory and analysis How can concepts such as hegemony identity the imaginary dislocation and empty signifiers illuminate key aspects of contemporary society and politics This pathbreaking and multi focal book contains a clear introductory statement of the theoretical approach used and concludes with an assessment of the future directions of discourse theory in the social sciences **Dilemma of Our Times** Harold J. Laski, 1968 First Published in 1968 Routledge is an imprint of Taylor Francis an informa company **The Crisis of Marxism** Elías J. Palti, 2025-06-09 In this book El as J Palti analyzes the writings of key thinkers who have theorized the present situation of Marxism Perry Anderson Fredric Jameson Ernesto Laclau Slavoj i ek Judith Butler Alain Badiou and Jacques Derrida His aim is to interrogate what appears to be the final crisis of Marxist political tradition from a historical intellectual point of view placing it within a broader framework which is the present crisis of politics at large Yet it also reveals why we cannot even then avoid confronting it stubbornly trying to think of what seems to be unthinkable today namely the idea of an emancipatory horizon Unlike traditional works of political philosophy *The Crisis of Marxism A Historical Intellectual Problem*

does not intend to provide political or philosophical answers to today's dislocation of politics. Instead, it aspires to clarify the nature of the questions that such a situation raises and demonstrates why the current crisis of Marxism contains some fundamental clues for it.

Radicalism, Populism, Interventionism. Three Approaches Based on Discourse Theory ,

A History of International Thought Lucian Ashworth, 2014-01-10 International thought is the product of major political changes over the last few centuries, especially the development of the modern state and the industrialisation of the world economy. While the question of how to deal with strangers from other communities has been a constant throughout human history, it is only in recent centuries that the question of foreign relations and especially imperialism and war have become a matter of urgency for all sectors of society throughout the world. This book provides the first comprehensive overview of the evolution of Western international thought and charts how this evolved into the predominantly Anglophone field of International Relations. Along the way, several myths of the origins of International Relations are explored and exposed: the myth of the peace of Westphalia, the myths of Versailles and the nature of the League of Nations, the realist/idealist Great Debate myth, and the myth of appeasement. Major approaches to the study of international affairs are discussed within their context and on their own terms, rather than being shoe-horned into anachronistic paradigms. Written in a clear and accessible style, Ashworth's analysis reveals how historical myths have been used as gatekeeping devices and how a critical re-evaluation of the history of international thought can affect how we see international affairs today.

Colonial Buganda and the End of Empire Jonathon L. Earle, 2017-08-24 This book offers an intellectual history of colonial Buganda using previously unseen archival material to recast the end of empire in East Africa. It will be ideal for researchers, upper-level undergraduate and graduate students interested in the cultural, intellectual, religious, and political history of modern East Africa.

Laclau Simon Critchley, Oliver Marchart, 2012-12-06 Laclau: A Critical Reader is the first full-length critical appraisal of Laclau's work and includes contributions from several leading philosophers and theorists. The first section examines Laclau's theory that the contest between universalism and particularism provides much of the philosophical background to political and social struggle, taking up the important place accorded to, amongst others, Hegel and Lacan in Laclau's work. The second section of the book considers what Laclau's radical democracy might look like and reflects on its ethical implications, particularly in relation to Laclau's post-Marxism and thinkers such as Jürgen Habermas. The final section investigates the place of hegemony in Laclau's work, the idea for which he is perhaps best known. This stimulating collection also includes replies to his critics by Laclau and the important exchange between Laclau and Judith Butler on equality, making it an excellent companion to Laclau's work and essential reading for students of political and social theory.

Normalising Private Military Force Christopher Kearney, 2025-09-03 This book examines the normalization of Private Military and Security Companies (PMSCs) and analyses US media discourse around the Nisour Square incident in Iraq as a pivotal case. States are increasingly relying on PMSCs to meet security needs. As a sign of ongoing normalization, these companies are now increasingly targeted by soft law or self-

regulation Rejecting the common claim that mercenaries have always been with us this book sets out to analyse the underlying conditions that have allowed PMSCs to emerge in their uniquely contemporary incarnation Divided into two parts this book develops a novel poststructural framework of analysis to articulate social political and affective conditions that enabled PMSCs to prevail despite controversy It draws on and operationalizes the Essex School's logics based approach while developing it further with corpus linguistics and applies this framework to a large corpus of American mainstream media articles The volume contributes to efforts aiming to overcome the alleged methodological deficit of discourse analysis while highlighting the importance of making unconsciously held truths visible This book will be of interest to students of private security companies military studies critical security studies and International Relations **The PKK-Kurdistan**

Workers' Party's Regional Politics Ali Balci, 2016-11-30 This book presents a theoretical framework to study dissident ethnic movements imagination of world politics with a special focus on the PKK as a case study Dissident ethnic movements are not only a challenge to the existing hegemonic power but they also produce an alternative closed society based on different ethnic imagination Instead of taking the armed PKK movement as a pure resistant this book approaches contemporary Kurdish nationalism led by the PKK as a counter hegemonic with a narrative that entails the emergence of a new kind of identity and sense of belonging through which the PKK has been able to exercise its power This book is an attempt to go beyond resistance oriented approach unveiling the two faces of the PKK's representation of world politics its transformative effect on the Kurds and its exclusionary function towards traditional and alternative Kurdish subjects institutions Discourse, Culture and Organization Tomas Marttila, 2018-09-22 This edited volume brings together leading international researchers from across the social sciences to examine the theoretical premises methodological options and critical potentials of the Essex School of discourse analysis founded on the work of Ernesto Laclau and Chantal Mouffe In doing so it presents a clear picture of a poststructuralist and post foundational research program to postdisciplinary discourse research Divided into three parts it begins by elaborating the ontological theoretical and methodological foundations of the Essex School's approach to discourse analysis The second part provides empirical case studies showing how the Essex School research program informs and instructs empirical discourse research In the concluding third part authors explain how and with what possible consequences this strand of discourse research contributes to social practices of critique It offers a crucial contribution to the further methodologization and operationalization of the Essex School's approach so as to make it a viable alternative to discourse analytical approaches that take dominant positions in today's field of discourse studies The book's transdisciplinary focus will attract readers who use discourse analysis in all areas of the social sciences and humanities particularly applied linguistics cultural anthropology sociology philosophy and history

Welcome to the Jungle Kobena Mercer, 2013-09-13 Welcome to the Jungle brings a black British perspective to the critical reading of a wide range of cultural texts events and experiences arising from volatile transformations in the politics of

ethnicity sexuality and race during the 1980s The ten essays collected here examine new forms of cultural expression in black film photography and visual art exerting with a new generation of black British artists and interprets this prolific creativity within a sociological framework that reveals fresh perspectives on the bewildering complexity of identity and diversity in an era of postmodernity Kobena Mercer documents a wealth of insights opened up by the overlapping of Asian African and Caribbean cultures that constitute Black Britain as a unique domain of diaspora

Populist Discourse Yannis Stavrakakis, 2024-04-26 Populist Discourse Recasting Populism Research offers a refreshingly innovative discourse theory perspective on populist phenomena Reading this book will help you familiarize yourself with the historical genealogy of significant populist phenomena from the end of the 19th century onwards and with the main conceptual theoretical accounts established to analyse them Mainstream conceptualizations of populism in both academia and public discourse are critically discussed in order to map new promising avenues for research Inspired by the works of Ernesto Laclau and Chantal Mouffe the book addresses current challenges within populism research and highlights the new directions that a conceptually nuanced theoretically rigorous and historically informed discursive orientation can contribute to the contemporary study of populism Without sacrificing attention to detail strong bibliographical support and a focus on the future development of populism research Populist Discourse is written in accessible language to engage populism scholars advanced undergraduates and graduate level students within the field of political science Due to its interdisciplinary character it will also appeal to readers associated with various politically informed area studies and the broader field of ideology and discourse analysis

The Culture of Enterprise in Neoliberalism Tomas Marttila, 2013-01-04 This book provides an empirical study of the increasing importance of the concept of the entrepreneur in the context of the neoliberal cultural paradigm Using the theoretical framework of the post structural discourse theory and methods of qualitative discourse analysis the book describes the changes in political discourse that resulted in the increasing dominance of the figure of the entrepreneur after the late 1980s

Persuasion and Compulsion in Democracy Jacquelyn Kegley, Krzysztof Piotr Skowronski, 2013-01-25 This collection of essays focuses on the roles that coercion and persuasion should play in contemporary democratic political systems or societies A number of the authors advocate new approaches to this question offering various critiques of the dominant classical liberalism views of political justification freedom tolerance and the political subject A major concern is with the conversational character of democracy Given the problematic and ambiguous status of the many differences present in contemporary society the authors seek to alert us to the danger that an emphasis on reasonable consensus will conceal exclusion in practice of some contending positions The voices of vulnerable peoples can be unconsciously or even deliberately silenced by various institutional processes and operating procedures and a strong media influence can change the tenor of conversations and even lead to deception To counter these factors a number of the essays in differing ways urge the fostering of local community conversations or democratic agoras so that democratic debate and

conversation might maintain the vitality necessary to a strong democratic system **Overcoming Exploitation and Externalisation** Friederike Habermann, 2023-12-15 Advancing an intersectional theory of hegemony this book shows how various power relations interact through capitalist structures of othering Going beyond the usual critiques of capitalism it analyses the market itself as a principal cause of various forms of externalisation and domination The book therefore calls for a dismantling of the market and its competitive economic structures through a transformation of the economy from below greater democratisation not least for the empowerment of suppressed identities and the creation of commons as spaces based on inclusion rather than exclusion In doing so Overcoming Exploitation and Externalisation argues that co operative possibilities can emerge for the transformation of ourselves and our society It will therefore appeal to scholars and students of social and political theory with interests in the commons and alternatives to capitalism

Critical theory and demagogic populism Paul K. Jones, 2020-11-03 Populism is a powerful force today but its full scope has eluded the analytical tools of both orthodox and heterodox populism studies This book provides a valuable alternative perspective It reconstructs in detail for the first time the sociological analyses of US demagogues by members of the Frankfurt School and compares these with contemporary approaches Modern demagoguery emerges as a key under researched feature of populism since populist movements whether left or right are highly susceptible to demagogic capture The book also details the culture industry s populist contradictions including its role as an incubator of modern demagogues from the 1930s through to today s social media and Trumpian psychotechnics Featuring a previously unpublished text by Adorno on modern demagoguery as an appendix it will be of interest to researchers and students in critical theory sociology politics German studies philosophy and history of ideas as well as all those concerned about the rise of demagogic populism today

The Dialogue of Negation Jeremy Lester, 2000-04-20 The dialogue between large elements of the Western and the Soviet Russian left has all too often been one of negation rather than affirmation The Dialogue of Negation pursues this argument and examines the conceptual and strategic richness of hegemony providing an overview of the key debates which have shaped its historical development Jeremy Lester situates the modern evolution of hegemony within an East West dimension and focuses in particular on the deep seated difficulties and incompatibilities of much of this interaction Lester offers a defence of Gramsci s understanding of hegemony as a key element of the revolutionary class struggle He acknowledges Gramsci s own disputes within the Marxist domain and celebrates the theoretical and practical legacy he bequeathed to those who continue the struggle to replace capitalism with socialism Lester provides a critical defence of modernity against the challenge of postmodernity arguing that it is only within the parameters of modernity that a meaningful form of socialism can succeed He seeks to highlight the inconsistencies and illogicalities of those theorists who see the transition to some kind of postmodern condition as offering new possibilities for the transcendence of capitalism

This is likewise one of the factors by obtaining the soft documents of this **Reflections On The Revolution Of Our Time** by online. You might not require more epoch to spend to go to the books foundation as without difficulty as search for them. In some cases, you likewise accomplish not discover the pronouncement Reflections On The Revolution Of Our Time that you are looking for. It will no question squander the time.

However below, in the same way as you visit this web page, it will be in view of that very easy to acquire as well as download guide Reflections On The Revolution Of Our Time

It will not acknowledge many become old as we notify before. You can pull off it while exploit something else at house and even in your workplace. thus easy! So, are you question? Reflections On The Revolution Of Our Time Introduction

In today's digital age, the availability of Reflections On The Revolution Of Our Time books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reflections On The Revolution Of Our Time books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reflections On The Revolution Of Our Time books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reflections On The Revolution Of Our Time versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reflections On The Revolution Of Our Time books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reflections On The Revolution Of Our Time books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in

the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reflections On The Revolution Of Our Time books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reflections On The Revolution Of Our Time books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reflections On The Revolution Of Our Time books and manuals for download and embark on your journey of knowledge?

FAQs About Reflections On The Revolution Of Our Time Books

What is a Reflections On The Revolution Of Our Time PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reflections On The Revolution Of Our Time PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reflections On The Revolution Of Our Time PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reflections On The Revolution Of Our Time PDF to another file format?** There are multiple ways to convert a PDF to another format: Use

online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reflections On The Revolution Of Our Time PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
