## Reformed Gun:

The Gun Makers of Birmingham, 1660-1960 Joseph McKenna, 2021-03-08 Tracing the history and development of gun making in Birmingham England for many years a center of the world's firearms industry this book covers innovations in design and manufacture of both military and sporting arms from 1660 through 1960 The city is perhaps best known for mass producing some of the most battle tested weapons in history including the Brown Bess musket the Webley revolver and the Lee Enfield rifle Yet Birmingham's gun makers have carried on a centuries long tradition of crafting high quality hand made sporting guns

**Rampage Shootings and Gun Control** Steffen Hurka, 2017-05-18 While the causes of rampage violence have been analysed thoroughly in diverse academic disciplines we hardly know anything about the factors that affect their consequences for public policy This book addresses rampage shootings in Western Europe and their conditional impact on politicization and policy change in the area of gun control The author sets out to unravel the factors that facilitate or impede the access of gun control to the political agenda in the wake of rampage shootings and analyses why some political debates lead to profound shifts of the policy status quo while others peter out without any legislative reactions In so doing the book not only contributes to the theoretical literature on crisis induced policy making but also provides a wealth of case study evidence on rampage shootings as empirical phenomena In particular the extent to which gun control gets politicized as a policy failure can either result from a bottom up process event severity and media pressure or from a top down logic issue ownership and the electoral cycle Including 12 case studies on the rampage shootings which have triggered a debate over the appropriateness of the affected countries gun policies it illustrates that the way political processes unfold after rampage shootings depends strongly on specific causal configurations and draws comparisons between the cases covered in the book and the way rampage shootings are typically dealt with in the United States This text will be of key interest to scholars and students of public policy policy analysis European Politics and more broadly to comparative politics criminology psychology and sociology The Open Access version of this book available at <https://doi.org/10.4324/9781315209425> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

version the 1949 western television series The Lone Ranger made Clayton Moore's masked character one of the most recognized in American popular culture. Other westerns followed and by 1959 there were 32 being shown daily on prime time television. Many of the stars of the nearly 75 westerns went on to become American icons and symbols of the Hollywood West. This encyclopedia includes every actor and actress who had a regular role in a television western from 1949 through 1959. The entries cite biographical and family details, accounts of how the player first broke into show business and details of roles played as well as opinions from the actors and their contemporaries. A full accounting of film, serial and television credits is also included. The appendix lists 84 television westerns with dates, show times, themes and stars.

**The Real Man** Francis Lynde, 2021-04-25 In *The Real Man* Francis Lynde delves into the intricacies of human character and integrity through a compelling narrative set against the backdrop of early 20th century America. Employing a vivid literary style marked by rich descriptions and psychological depth, Lynde's work captures the essence of struggle and personal evolution. The novel intricately explores themes of masculinity, ethics and societal expectations, reflecting the cultural dynamics of its time and revealing the complexities of human nature in the face of adversity. Francis Lynde, an accomplished American author, was known for his keen observations of society and human behavior. His upbringing in the Midwest and experiences as a newspaper writer deeply influenced his perspective on morality and personal strength, evident in the characters he created. Lynde's profound understanding of the American zeitgeist of his era, combined with his own life experiences, culminates in a narrative that speaks to both the struggles and triumphs of what it means to be a real man. This book is a must-read for anyone interested in character-driven stories that grapple with ethical dilemmas and the human condition. Lynde's insightful prose and well-crafted characters invite readers to reflect on their own values, making *The Real Man* a timeless exploration of integrity and self-discovery.

Handbook of European History 1400-1600: Late Middle Ages, Renaissance and Reformation Thomas Brady, Oberman, James D. Tracy, 2018-11-12 The Handbook of European History 1400-1600 brings together the best scholarship into an array of topical chapters that present current knowledge and thinking in ways useful to the specialist and accessible to students and to the educated non-specialist. Forty-one leading scholars in this field of history present the state of knowledge about the grand themes, main controversies and fruitful directions for research of European history in this era. Volume 1 Structures and Assertions described the people, lands, religions and political structures which define the setting for this historical period. Volume 2 Visions, Programs, Outcomes covers the early stages of the process by which newly established confessional structures began to work their way among the populace.
