**Dark Vanishings** Patrick Brantlinger, 2014-01-15 Patrick Brantlinger here examines the commonly held nineteenth

century view that all primitive or savage races around the world were doomed sooner or later to extinction Warlike propensities and presumed cannibalism were regarded as simultaneously noble and suicidal accelerants of the downfall of other races after contact with white civilization Brantlinger finds at the heart of this belief the stereotype of the self exterminating savage or the view that savagery is a sufficient explanation for the ultimate disappearance of savages from the grand theater of world history Humanitarians according to Brantlinger saw the problem in the same terms of inevitability or doom as did scientists such as Charles Darwin and Thomas Henry Huxley as well as propagandists for empire such as Charles Wentworth Dilke and James Anthony Froude Brantlinger analyzes the Irish Famine in the context of ideas and theories about primitive races in North America Australia New Zealand and elsewhere He shows that by the end of the nineteenth century especially through the influence of the eugenics movement extinction discourse was ironically applied to the great white race in various apocalyptic formulations With the rise of fascism and Nazism and with the gradual renewal of aboriginal populations in some parts of the world by the 1930s the stereotypic idea of fatal impact began to unravel as did also various more general forms of race based thinking and of social Darwinism

*A Certain Tendency of the Hollywood Cinema, 1930-1980* Robert B. Ray, 2020-07-21 Robert B Ray examines the ideology of the most enduringly popular cinema in the world the Hollywood movie Aided by 364 frame enlargements he describes the development of that historically overdetermined form giving close readings of five typical instances Casablanca It s a Wonderful Life The Man Who Shot Liberty Valance The Godfather and Taxi Driver Like the heroes of these movies American filmmaking has avoided commitment in both plot and technique Instead of choosing left or right avant garde or tradition American cinema tries to have it both ways Although Hollywood s commercial success has led the world audience to equate the American cinema with film itself Hollywood filmmaking is a particular strategy designed to respond to specific historical situations As an art restricted in theoretical scope but rich in individual variations the American cinema poses the most interesting question of popular culture Do dissident forms have any chance of remaining free of a mass medium seeking to co opt them

**International Postmodernism** Hans Bertens, Douwe W. Fokkema, 1997-02-20 Containing more than fifty essays by major literary scholars International Postmodernism divides into four main sections The volume starts off with a section of eight introductory studies dealing with the subject from different points of view followed by a section that deals with postmodernism in other arts than literature while a third section discusses renovations of narrative genres and other strategies and devices in postmodernist writing The final and fourth section deals with the reception and processing of postmodernism in different parts of the world Three important aspects add to the special character of International Postmodernism The consistent distinction between postmodernity and postmodernism equal attention to the making and diffusion of postmodernism and the workings of literature in general and the focus on the text and the reader i e the reader s knowledge experience interests and competence as crucial factors in text interpretation This comprehensive study does not

expressly focus on American postmodernism although American interpretations of postmodernism are a major point of reference The recognition that varying literary and cultural conditions in this world are bound to produce endless varieties of postmodernism made the editors Hans Bertens and Douwe Fokkema opt for the title International Postmodernism

**Consumer Culture, Branding and Identity in the New Russia** Graham H.J. Roberts, 2016-04-14 As shopping has been transformed from a chore into a major source of hedonistic pleasure a specifically Russian consumer culture has begun to emerge that is unlike any other This book examines the many different facets of consumption in today's Russia including retailing advertising and social networking Throughout emphasis is placed on the inherently visual not to say spectacular nature both of consumption generally and of Russian consumer culture in particular Particular attention is paid to the ways in which brands both Russian and foreign construct categories of identity in order to claim legitimacy for themselves What emerges is a fascinating picture of how consumer culture is being reinvented in Russia today in a society which has one nostalgic eye turned towards the past and the other utopian eye set firmly on the future Borrowing concepts from both marketing and cultural studies the approach throughout is interdisciplinary and will be of considerable interest to researchers students and practitioners wishing to gain invaluable insights into one of the most lucrative and exciting of today's emerging markets

**Ira Hayes** Tom Holm, 2023-08-01 The gripping forgotten tale of Ira Hayes a Native American icon and World War II legend who famously helped raise the flag at Iwo Jima but spent the latter half of his life haunted by being a war hero IRA HAYES tells the story of

Ira Hamilton Hayes from the perspective of a Native American combat veteran of the Vietnam generation Hayes along with five other Marines was captured in Joe Rosenthal's iconic photograph of raising the stars and stripes on Mount Suribachi during the battle for the Japanese Island of Iwo Jima The photograph was the inspiration and model for the U S Marine Corps War Memorial in Arlington Between the time he helped raise that flag and his death and beyond he was the subject of more newspaper columns than any other Native person He was hailed as a hero and maligned as a chronic alcoholic unable to take care of himself IRA HAYES explores these fluctuating views of Ira Hayes It reveals that they were primarily the product of American misconceptions about Native people the nature of combat and even alcoholism Like most surviving veterans of combat Ira did not think of himself as a heroic figure There can be no doubt that Ira suffered from PTSD which is a compound of survivor's guilt the shock of seeing death especially of one's friends and the isolation brought on by feeling that no one could understand what he had been through Ira's life has been a subject of two motion pictures and a television drama All these dramas sympathize with him but ultimately fail to see his binge drinking as his way of temporarily escaping the melancholy the rage he felt his sense of betrayal and the sheer boredom of peacetime IRA HAYES breaks apart the complexities of Ira's short life in honor of all Native veterans who have been to war in the service of the United States This is equally their story
