**Ride the Wind Laughing** Kit Cain, 2006-05-15 Ride The Wind Laughing is an Illustrated autobiographical story describing the mystical events and experiences which contributed in major ways to my building a 51 foot sailboat in the back yard of my mother s home in rural Nova Scotia an event which began with no money in an effort to test the Laws of Manifestation and prove to myself the efficacy and practical value of my years of spiritual training Over a period of four and a half years the boat named Wind Rider went from an imagined image to a pile of lumber and finally to a very unusual vessel to both live aboard and sail the oceans of the world I don t however recommend the effort as a way to test the Laws Of Manifestation It was more like a ladder to a fool s paradise when viewed from below but when viewed from above the journey itself was the reward What any gargantuan effort of creativity does for the mind heart and body It does far more for the soul
