Riders Of The Sundown A Western Story:

The Rider of the Mohave James Fellom,1924 Out of the Blue: A Western Novel Bertrand W. Sinclair,2005-01-01

Once upon a time as the old tales used to begin a young man came riding down the main street of Fort Worth in the sovereign State of Texas He was mounted on a bright sorrel horse which stepped daintily in the dust of the thoroughfare for Fort Worth had not yet come to the high estate of asphalt paving and such civic ornamentation as followed in the wake of petroleum and cotton The longhorn was still king of the plains a source of wealth in his unnumbered thousands The cattle kings and their followers were like the ancient Romans they made their own roads made them into far places in a spirit of high emprise They did not mind a little dust here and there This rider who looked out from under a gray Stetson hat holding his reins in a buckskin gloved hand while he scanned the windows of the various establishments that fronted on the street was plainly of the range He was young and deeply tanned He was armed as men commonly were in those times His saddle bridle and spurs were beautifully made and the silver inlaid steel clinked faintly as his horse moved The coiled rawhide reata at his saddle fork was limber with much use He might have been considered picturesque That idea would never have occurred to him or his fellows The seed of romance indubitably lay in the stout hearts of Rock Holloway and his like living and moving and having their being on the fringes of an encroaching civilization but they were practical in their activities which had to do with a major industry wherein there was doubtless romance but also a considerable portion of hard work and long chances which the range man accepted as incidental to his calling This long limbed youth with the keen eyes and pleasant face could probably have told why he preferred the range to a university campus but he was merely the occasional exception And he may have had glimpses of the future apart from cattle and trail herds and the wide pastures that were in process of reclamation from the bison and the Indian But he would never have embodied such dreams in words And he was not steeping his soul in the color and aspect of a little cow town when he rode along that street He was looking for a certain place Presently and without very much trouble he found it The American Western A Complete Film Guide Terry
