Riding Out:

OxTravels Mark Ellingham, 2011-05-19 You have to go back to the 1980s and Granta's bestselling travel issue to find a book that compares to OxTravels. Introduced by Michael Palin, OxTravels features original stories from twenty-five top travel writers including Michael Palin, Paul Theroux, Sara Wheeler, William Dalrymple, Patrick Leigh Fermor, Lloyd Jones, Rory Stewart, Jan Morris, Dervla Murphy, Rory MacLean, and others. Each of the stories takes as its theme a meeting, life-changing, affecting, amusing, by turn, and together they transport readers into a brilliant, vivid atlas of encounters. This extraordinary collection is published in aid of Oxfam, and all royalties from the book will support Oxfam's work. **Riding the Vengeance Trail** Jack Martin, 2016-07-31 There was a time when Thomas Fury was happy. A young wife, a child on the way, and a farm to tend had kept him busy, but he'd enjoyed the toil for he knew that he was building a future for himself and his family. That future, though, was shattered one afternoon when five riders led by Luke Marlow rode in. Soon gunshots rang out, and Thomas Fury's world fell apart. Now Fury rides the Vengeance Trail, driven on by a desire to deal out justice to those who have destroyed everything that mattered to him. Fury will not stop until every one of those five men lies dead in the ground for then, and only then, will he reach the end of the Vengeance Trail. **Riding The Storm** Brenda Jackson, 2007-02-01 Women called him the perfect storm because he could sweet-talk any woman into his bed and regularly did so. Firefighter Storm Westmoreland used lovemaking the way other men used a long hot shower to blow off steam. Until a torrid weekend with a too-hot-to-handle virgin left a certain legendary player craving something other than mere physical gratification. Caught in the eye of the storm, Jayla Cole was no match for the sexy fire chief or the emotional inferno he ignited inside her. But would she be satisfied with the mind-blowing sex-only relationship she shared with Storm, or was starting a family on her own still what she desired more than anything. Stan Lynde, 2006-08-01 Montana Territory 1886. The last thing this territory needs is Indian trouble or a bunch of nervous settlers demanding protection by the Army. As United States Marshal for the territory, I figure to send Jeff a little help. I figure to send him you, he said. U.S. Deputy Marshal Merlin Fanshaw arrives at the Crow Indian Reservation with orders to restore law and order. But a powerful rancher and his son block the deputy's efforts in order to retain their rigid control over the nearby settlement of Medicine Lodge. When a shocking murder rocks the town, tension and violence escalate between the Crow Indians and the settlers. Fanshaw must bring in the killer before an innocent man loses his life or he forfeits his own. A particularly rewarding novel written by one of the finest Western novelists of our times. Stan Lynde's novels are laced with wry humor, thoughts on the art of living, and growing toughness and tenderness, and the keenest understanding of human nature I've ever seen in fiction. Richard S. Wheeler, Winner of the 2001 Owen Wister Award. Lynde's pleasant, genuine narration, tinged with both wit and grit, carries the narrative; the authenticity, country humor, and vibrant characters all make for a warmly entertaining read. Satisfying western fare in the vein of Louis L. Amour. Kirkus Discovery Reviews 2006 Spur Award Finalist in Western Novel Category 2006 Independent Publisher Book
