Henry George Harper, 1898** *Riding in the Wind* Chaplain Roger Burdge, 2013 Famous as the cradle of the blues the Mississippi Delta is also home to a feared prison called Parchman From this plantation prison came bluesmen like Bukka White But Parchman also produced some of the nation's most feared inmate bosses men that ruled the grounds with fast hands and fierce determination One such boss was Chester Johnston Chester came from a dysfunctional family and served in Vietnam before rising through the biker gang ranks to finally end up running Parchman But after fighting his way to the undisputed position of shot caller of the farm population his rep and hatred of officials and guards eventually caught up to him Nearly beaten to death Chester began reflecting on the God his grandmother had once taught him about His journey to true freedom began with the Bible then surrender and later through sharing the peace he found with young people Although convicted of crimes he denied to his death Chester fought the system for a release that never came *Riding in the Wind* is not just his story it's a look inside one of our nation's most feared institutions The book's greatest revelation is how God changed Chester Johnston granting him the freedom the system never would [Catalog of Copyright Entries](#), 1946 **RIDING FOR THE RIGHT REASON** Stanley Scott, 2025-04-04 The wind doesn't care who you are At eighty miles per hour it treats every rider the same trying to push you back reminding you that you're alive vulnerable and free all at once That's why Marcus Hayes rides Not for the image or the noise or even the speed though he loves all three He rides for the clarity For those moments when the

world narrows to just him his machine and the road stretching ahead Everything else falls away the pressures of the docks family responsibilities crew politics all of it Just for a while But clarity comes with a price The road doesn't just offer freedom it demands respect It tests you challenges you to know why you're really out there wrapped in leather with nothing but skill and reflexes between you and disaster Marcus knows this better than most For him riding isn't just a hobby or an escape it's a way of life that parallels everything else The same discipline that guides his hands on the throttle guides his decisions at the port with his family and within his crew
