David Bristow, Steve Thomas

Riding The Dragon:

Riding The Dragon CT Johnson, 2016-01-10 CT Johnson was a top executive in one of China's largest companies and is now one of the world's leading experts on managing and selling to the Chinese. As one of the few Westerners to ever hold an executive role in a Chinese multinational and as a Mandarin speaker with extensive relationships in China, CT brings a unique perspective to Chinese business culture. *Riding The Dragon* gives the reader insights on why they can't rely on Western thinking to solve Chinese problems. It lays out a step-by-step model for understanding the Chinese way of thinking and challenges the belief that only China experts can navigate the world of Chinese business. A must read for anyone engaged with the Chinese market.

Riding the Dragon Robert J. Wicks, 2022-12-16 *Riding the Dragon* gives the reader the chance to look for the lessons that are often hidden in our sorrows. Goodreads reviewer Twenty years and 70,000 copies after it was first released, *Riding the Dragon* by popular author, speaker, and psychologist Robert J. Wicks continues to help thousands each year to confront the dragons of stress, discouragement, burnout, and unexpected change that everyone struggles with in their daily lives. Instead of pretending these difficulties don't exist or trying to remove them entirely, Wicks offers ten lessons to help us face them, overcome them, and grow from them. These simple yet profound lessons draw on the wisdom of Eastern and Western spiritual traditions, as well as Wicks's experience as a psychologist, and include pairing clarity with kindness, seeking perspective daily, and building a barrier of simplicity. *Riding the Dragon* is a concise, compassionate, and knowledgeable guide for anyone experiencing or supporting someone facing personal or professional challenges. This twentieth anniversary edition features a new preface from the author highlighting how *Riding the Dragon* is perhaps now more than ever an indispensable spiritual and psychological companion for all of us who are yearning for our lives to be transformed.

Riding the

Dragon's Spine: David Bristow, Steve Thomas, 2013-02-07 When windmill dodgers David Bristow and Steve Thomas followed their dream to blaze and map a mountain bike trail across South Africa, they hoped to be spared howling headwinds, freezing rain, and slushy terrain. They weren't yet, but were not deterred from having a mud-splattering good time. The result: the Spine of the Dragon trail, the country's ultimate mountain bike tour, covering a distance of 4000km from Beit Bridge to Cape Town. Aimed at the average off-road rider, the 58-day trail through South Africa and Lesotho is broken into nine sections, each with several stages. The entire course can be done in one go or as a series of shorter rides, ideal for those with boundless enthusiasm but limited time. The authors offer valuable advice on preparing for the trail, including suggested clothing, gear, bike maintenance, food, and safety. Each day's route is described in detail and includes a customised annotated map with GPS points. Total daily distance: Difficulty grading from short and easy to long and hard. Entertaining insight into the people and places along the way. Engaging photographs. Accommodation suggestions and contact details. When he's not out cycling, David Bristow writes for a living. He is the former editor of *Getaway* travel magazine and the author of more than a dozen books for Random House Struik. Steve Thomas discovered mountain bikes while living in the US in the 1980s. Upon his return to South

Africa in 1992 he established Daytrippers South Africa's oldest and biggest bicycle touring company Riding the Dragon's Spine Pasquale De Marco, Embark on an extraordinary journey through Vietnam a captivating land where history culture and natural beauty intertwine From the bustling streets of Hanoi to the serene landscapes of the Mekong Delta this book takes you on an adventure that delves into the heart of this Southeast Asian gem Discover the remnants of war and the indomitable spirit of the Vietnamese people who have triumphed over adversity to create a vibrant and hopeful nation Witness breathtaking landscapes from majestic mountains to pristine beaches and immerse yourself in the rich tapestry of Vietnamese life its traditions cuisine and infectious joie de vivre Beyond the tourist trail encounter artisans pouring their souls into exquisite handicrafts farmers toiling in the rice paddies and fishermen braving the seas Learn about their challenges dreams and aspirations and gain a deeper understanding of the resilience that defines the Vietnamese spirit This book is not just a travelogue it's an exploration of history culture and the human spirit Through personal encounters and insightful observations the author paints a vivid portrait of Vietnam capturing its beauty its complexities and its enduring charm As you journey through the pages of this book you'll discover a country that has risen from the ashes of war to become a beacon of hope and progress You'll meet people whose stories will inspire you and you'll gain a new appreciation for the diversity and resilience of the human spirit Whether you're an armchair traveler a history buff or simply someone who loves a good story this book will transport you to the heart of Vietnam and leave you with a newfound understanding of this extraordinary country If you like this book write a review **Riding the Storm** Salamanda Drake, 2008 Breena doesn't mean to be jealous but even though Cara has only been dragonriding for a short while she's already a top competitor To clear her head Breena takes Moonflight out for a spin and their safety gear fails After a horrible crash the two seek shelter in a seaside cave And now the tide is rising threatening to wash them away With the help of some merfolk it's Cara and Skydancer to the rescue riding the storm to save their friends *Riding the River Home* 曹晓, James Morris Hargett, 2008 This book presents a complete and annotated English translation of the text *Diary of a Boat Trip to Wu Wuchuan lu* a travel journal written by the famous Southern Song dynasty 1127-1279 government official and writer Fan Chengda 1126-1193 The journal describes a boat journey the author made in the summer and fall of 1177 from Chengdu Sichuan to his home near Suzhou Jiangsu Fan's trip covered a distance of approximately 1,700 English miles and took 122 days to complete The *Diary of a Boat Trip to Wu* is especially valuable because it provides detailed first-hand descriptions of many aspects of the Song dynasty 960-1279 geography history literature art and religion Perhaps most noteworthy are the author's lengthy and often fascinating accounts and assessments of scenic and historic sites he stopped to visit during the trip The Golden Book Magazine, 1928 The Apocalypse, an introductory study [ed. by M.
