## **Rig Ship For Ultra Quiet:**

Rig Ship for Ultra Quiet Andrew Karam,2002-01-01 You ve seen The Hunt for Red October and wondered if it was real Now you ll know Rig Ship for Ultra Quiet a book about submarines written by a submariner Spend two months in a nuclear fast attack submarine off the coast of the Soviet Union at the end of the Cold War with Andrew Karam a decorated veteran of the US submarine force      The Complete Idiot's Guide to Submarines Michael DiMercurio,Michael Benson,2002-12-23 Presents information about submarines from providing a room by room tour of a typical vessel to analyzing the history of submarines during wars and on maneuvers      *Dangerous Ground* Larry Bond,2007-04-01 The USS Memphis a dilapidated submarine that that should have been mothballed decades ago has been given one last mission by the newly elected president The task To sneak illegally into Russia s coastal waters and recon the leaking nuclear fuel containers hidden on the floor of the Arctic Ocean More than just an environmental nightmare this radioactive burial ground houses enough nuclear capability to destroy most of America s major cities Lowell Hardy The Memphis s commander who had been looking forward to flag rank and pleasant duty upon the sub s decommissioning Now he is trapped in an inconceivably dangerous and illegal mission which could easily end his career if not his life and the lives of his crew But it s the crew who feel Hardy s tension as he tyrannizes everyone on board to ensure they ll be ready for anything Jerry Mitchell A former naval pilot with political connections he is a novice submariner unprepared for his demanding job as a weapons officer Central to the Memphis s mission Mitchell may be its greatest liability or its ultimate salvation Dr Joanna Patterson The senior civilian scientist appointed by and reporting to the president she is a world class expert on nuclear fuel contamination and every bit as demanding as Hardy Patterson and her partner Dr Emily Davis soon find themselves battling flaring tempers faulty machinery lethal radioactivity and the raging arctic seas The submariners Seething with rage at their Captain Bligh like commander and the equally domineering Joanna Patterson they are also at war with Jerry Mitchell and one another Like the captain they feel they deserve better not this antiquated relic not this hostile scientist not this novice weapons officer and definitely not this disastrously dangerous mission Nor is the mission what it seems Lurking beneath the frigid black radioactive waters is a secret far more deadly than anything naval command could imagine a secret so menacing the Russian Fleet is hell bent on destroying the Memphis and all who sail in her At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied      Killer James B. Harrison Jr.,2008-12-09 There is no available information at this time      **Emergency Deep** Michael DiMercurio,2017-12-14 U S Navy submarine commander Peter Vornado is at the top of his game in underwater warfare when a devastating illness takes him out of the service and almost to the grave Without duty honor or something to fight for his life is as good as over Bui the CIA needs a man like Vornado A terrorist cabal has acquired a scrapped Soviet sub from the Cold War a technologically advanced failure still able to outrun any torpedo or enemy vessel and strike at will With a nuclear payload it will enable the terrorists to fire directly on Israel and

throw the world into chaos All that remains is to modernize the sub with the latest technology Only one man can infiltrate the group take the helm and stop a holocaust a man who has already stared down death and is ready to do battle once more

*Dark Transit* Michael DiMercurio,2021-12-14 Lieutenant Anthony Pacino reports aboard the project boat USS Vermont two years after having survived the catastrophic sinking of the Piranha Pacino quickly learns that Vermont s missions are all ultra secret with the boat reporting only to the Sub Force commander the National Security Advisor and the President Vermont does the dirty deeds that need doing in deadly silence and obscurity After Vermont misses the mark on an easy mission there are questions asked about her ability to conduct the next mission one that is vital to the security of the United States and the future of the submarine force Vermont is tasked with stealing a revolutionary submarine that the Russians are testing with an Iranian crew because it s too risky to use Russian sailors It s a high stakes gamble for all involved with the losers vanishing if things go wrong the winners validating a world changing technology Pacino is part of the mission to steal the submarine but the toughest obstacle is a wolf pack of Russians coming to the defense of the Iranian submarine Getting it back to the United States for evaluation becomes secondary to surviving an exchange of missiles and torpedoes in an underwater battle that threatens to let the final genie out of the bottle DiMercurio has used the last decade to refine his writing and produce the best naval thriller in decades I couldn t put it down Joseph Courtemanche author of Assault on Saint Agnes

**Attack of the Seawolf** Michael DiMercurio,2016-11-25 ONE OF OUR SUBS WAS MISSING The nightmare fear of the U S had come true One of our finest submarines the U S S Tampa on a top secret spying mission had fallen into Chinese Communist hands The Communists fighting for survival in a savage civil war now held not only the sub the crew and the gutsy Commander Sean Murphy hostage but U S power and prestige as well America had one last desperate card to play The most advanced submarine in the world the still untried U S S Seawolf under the command of maverick daredevil Captain Michael Patch Pacino The Seawolf had to steal back the Tampa from where it lay guarded by the entire Chinese fleet armed to the teeth with technology from the bankrupt Russians

only 8 days before the Kentucky is in launch range and with the submarine cut off from any outside communication one senior officer the father of one of the officers aboard the submarine must assemble and lead a team of attack submarines to find intercept and neutralize the Kentucky before it can unknowingly unleash a devastating nuclear attack      **Phoenix Strike** Charles Ryan,2011-11 The old U S S R is dead but new evil has risen from its ashes calling itself Phoenix Group Led by a brilliant and obsessed rogue officer manned by the most dedicated deadly soldiers of the once all powerful Soviet secret army Their plan is to launch a biological weapon attack that will throw the fragile new world order into chaos Their launching pad a remote state on the northern frontier of India ruled by a power hungry warlord And the only people who could stop them marine biologist Cas Bonner and gutsy gorgeous Dr Jackie Dunbar in a game without rules against a danger without limits for the lives of millions and the future of the world      *Rise to Victory* R. Cameron Cooke,2006-01-31 The acclaimed author of the USA Today bestseller *Pride Runs Deep* returns to the pulse pounding depths of international suspense as an undersea war is waged Returning from deployment in the Middle East attack sub USS Providence has received emergency tasking orders only miles from homeport The mission head for Indonesia and evacuate U S citizens endangered by a violent rebellion Positioned on the front lines of the war on terrorism the hunters of the USS Providence are now the hunted as they become engaged with a rebel sub in an epic undersea duel And only the victor can surface alive
