

The New Radical Right and Dissatisfaction with Democracy: Latin America in Comparative Perspective

por **Stéphanie Alenda** | salenda@unab.cl | Universidad Andres Bello

Traditional representative institutions are undeniably in crisis in many countries around the world. Despite a lack of consensus as to whether the crisis is irreversible or even exceptional, this global reversal of progress toward greater democratization has given rise to somewhat alarmist interpretations of the institutional disfunctions of regimes in which elites no longer act to guarantee basic democratic norms (Levitsky and Ziblatt 2018) or too much economic power is concentrated in their hands (Crayling 2017). The inability of political systems to channel demands and offer concrete solutions to problems of social concern, together with the expansion of critical citizens, has contributed to a radicalization of electorates. The far right has succeeded in "capturing social non-conformism in favor of different anti-progressive political escapes" (Stefanoni 2021, 9). This phenomenon tends to sharpen the perception of a crisis of democracy. The present article explores that perception, the global pattern of the far right, and the reideologization of the political debate.

The Radical Right as a Symptom of the Crisis of Democracy

The crisis of democracy is evident in questionings of the status quo given sharpened perceptions of social inequality; an unprecedented decline of electoral participation; rising distrust of institutions and governing politicians; and electors' willingness to mortgage democratic ideals when they collide with pressing issues such as order and security, the increasing cost of living, or immigration. Even in Finland, one of the world's most advanced democracies, citizens have become willing to trade liberal

democratic principles for progress on objectives of more immediate public interest (Saikkonen and Christensen 2022). In Europe generally, the weakening of democracy that has been perceived since the 1980s appears inseparable from the decline of social democratic models (Bandau 2021). In a context of slowing economic growth, social democratic parties have increasingly embraced fiscal orthodoxy and structural reforms.

This weakening of democracy is also fed by the new technological revolution, which has contributed to deregulation of political relations. Immediate access to information encourages individualism and makes citizens feel less need for intermediation. To an ever-increasing extent, the relation between citizens and the state has come to resemble a commercial transaction, weakening the essence of deliberation. Meanwhile, digital media has magnified the visibility of candidates who are in open conflict with liberal democracy.

Although there is a tendency to overestimate the electoral effect of disinformation through social networks (Dungherr and Schroeder 2021), Donald Trump's victory in 2016 set off alarm bells. Three things reinforced pessimism about the future of democracy: the fact that his election occurred in the very cradle of modern democracy; the coincidence with Britain's Brexit vote; and the electoral resurgence of what could be called a "radical" Right that undermines liberal democracy's principles but also, unlike the "extreme" right which « rejects the essence of democracy, that is, popular sovereignty and majority rule» (Mudde 2019, 7). As a sign of the growing normalization of those parties, in the

Right And Democracy In Latin America

Scott Mainwaring, Aníbal Pérez-Liñán

Right And Democracy In Latin America:

The right and democracy in Latin America Douglas A. Chalmers,1990 **Uncivil Movements** Leigh A. Payne,2000 The eighth and final instalment of the international best selling series from Jenny Nimmo starring Charlie Bone An Academy for magic and special talents A destiny unfulfilled A secret legacy Join Charlie Bone as he discovers the truth about the Red King and the key to his own past The Bloors are gathering their evil forces thieves poisoners kidnappers swindlers and even murderers from Piminy Street And Lord Grimwald Dagbert s father is enlisted to drown Charlie s father and mother on their second honeymoon using his magical Sea Globe It looks like Charlie s only hope might be the mysterious Red Knight But who is he And can he help Charlie defeat the Bloors once and for all All the magical threads come together in this amazing finale to a hugely compelling series With nearly 5 million copies sold Jenny Nimmo s fantasy series is still charming generations of children over a decade after Charlie Bone was first printed **Gender and the Politics of Rights and Democracy in**

Latin America Maxine Molyneux,2016-01-28 This volume assesses one of the most important developments in contemporary Latin American women s movements the engagement with rights based discourses Organised women have played a central role in the continued struggle for democracy in the region and with it gender justice The foregrounding of human rights and within them the recognition of women s rights has offered women a strategic advantage in pursuing their goals of an inclusive citizenship The country based chapters analyse specific bodies of rights rights and representation domestic violence labour rights reproductive rights legal advocacy socio economic rights rights and ethnicity and rights the state and autonomy

Democracies and Dictatorships in Latin America Scott Mainwaring,Aníbal Pérez-Liñán,2014-01-31 This book presents a new theory for why political regimes emerge and why they subsequently survive or break down It then analyzes the emergence survival and fall of democracies and dictatorships in Latin America since 1900 Scott Mainwaring and An bal P rez Li n argue for a theoretical approach situated between long term structural and cultural explanations and short term explanations that look at the decisions of specific leaders They focus on the political preferences of powerful actors the degree to which they embrace democracy as an intrinsically desirable end and their policy radicalism to explain regime outcomes They also demonstrate that transnational forces and influences are crucial to understand regional waves of democratization Based on extensive research into the political histories of all twenty Latin American countries this book offers the first extended analysis of regime emergence survival and failure for all of Latin America over a long period of time

Constructing Democracy Elizabeth Jelin,2019-03-11 In this pathbreaking contribution to debates about human rights democracy and society distinguished social scientists from Latin America and the United States move beyond questions of state terror violence and similar abuses to embrace broader concepts of human rights citizenship identity civil society racism gender discrimination and po *Routledge Handbook of Latin American Politics* Peter Kingstone,Deborah J.

Yashar,2013-03-05 Latin America has been one of the critical areas in the study of comparative politics The region s

experiments with installing and deepening democracy and promoting alternative modes of economic development have generated intriguing and enduring empirical puzzles. In turn, Latin America's challenges continue to spawn original and vital work on central questions in comparative politics about the origins of democracy about the relationship between state and society about the nature of citizenship about the balance between state and market. The richness and diversity of the study of Latin American politics makes it hard to stay abreast of the developments in the many sub literatures of the field. The Routledge Handbook of Latin American Politics offers an intellectually rigorous overview of the state of the field and a thoughtful guide to the direction of future scholarship. Kingstone and Yashar bring together the leading figures in the study of Latin America to present extensive empirical coverage, new original research and a cutting edge examination of the central areas of inquiry in the region.

Challenges of Human Rights in Latin America Cesar Landa, César Landa Arroyo, 2019 Latin America offers a democratic and constitutional process with the goals to respect fundamental human rights and control the excess of power. Nevertheless, the weaknesses of the rule of law's institutions does not guarantee for all citizens the protection of old and new rights. In this sense, the Inter American Fundamental Rights Conference organized by the Inter American Network on Fundamental Rights and Democracy REDIDD is an annual meeting of professors and researchers from the different universities of Latin America addressing topics of particular importance regarding the possibilities and challenges of the consolidation of the constitutional state in the region. This book presents the minutes of the Fourth Inter American Fundamental Rights Conference and explores topics such as political rights and the consolidation of democracy in Latin America, impeachment and judicial guarantees, the challenges of freedom of information and judicial protection and due process amongst others.

Engendering Transitions Georgina Waylen, 2007-05-24 Using empirical material from eight case studies in East Central Europe and Latin America as well as South Africa, this book explores the gendered constraints and opportunities provided by processes of democratization.

Sex and the State Mala Htun, 2003-04-07 Abortion, divorce and the family: how did the state make policy decisions in these areas in Argentina, Brazil and Chile during the last third of the twentieth century? As the three countries transitioned from democratic to authoritarian forms of government and back, they confronted challenges posed by the rise of the feminist movement, social changes and the power of the Catholic Church. The results were often surprising: women's rights were expanded under military dictatorships, divorce was legalized in authoritarian Brazil but not in democratic Chile and no Latin American country changed its laws on abortion. *Sex and the State* explores these patterns of gender related policy reform and shows how they mattered for the peoples of Latin America and for a broader understanding of the logic behind the state's role in shaping private lives and gender relations everywhere.

Latin American Democratic Transformations William C. Smith, 2009-08-24 *Latin American Democratic Transformations* explores the manner in which Latin American societies seek to consolidate and deepen their democracies in adverse domestic and international circumstances. The contributors engage recent debates on liberal and illiberal democracy.

and probe the complex connections between democratic politics and neoliberal market oriented reforms *Human Rights in Latin America* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Human Rights and International Organizations,1992

The New Politics of Inequality in Latin America Douglas A. Chalmers,1997-01-30

Against a broader backdrop of globalization and worldwide moves toward political democracy *The New Politics of Inequality in Latin America* examines the unfolding relationships among social change equity and the democratic representation of the poor in Latin America Recent Latin American governments have turned away from redistributive policies at the same time popular political and social organizations have been generally weakened inequality has increased and the gap between rich and poor has grown Hanging in the balance is the consolidation and the quality of new or would be democracies this volume suggests that governments must find not just short term programmes to alleviate poverty but long term means to ensure the effective integration of the poor into political life *The New Politics of Inequality in Latin America* bridges the intellectual chasm between on the one hand studies of grassroots politics and on the other explorations of elite politics and formal institution building It will be of interest to students and scholars of contemporary Latin American politics and society and more generally in the vicissitudes of democracy and citizenship in the late twentieth century global system

Transformative Constitutionalism in Latin America Armin von Bogdandy,Eduardo Ferrer Mac-Gregor,Mariela Morales Antoniazzi,Flávia Piovesan,Ximena Soley,2017-06-16 This ground breaking collection of essays outlines and explains the unique development of Latin American jurisprudence It introduces the idea of the *Ius Constitutionale Commune en Am rica Latina* ICCAL an original Latin American path of transformative constitutionalism to an Anglophone audience for the first time It charts the key developments that have transformed the region and assesses the success of the constitutional projects that followed a period of authoritarian regimes in Latin America Coined by scholars who have been documenting conceptualizing and comparing the development of Latin American public law for more than a decade the term ICCAL encompasses themes that cross national borders and legal fields taking in constitutional law administrative law general public international law regional integration law human rights and investment law Not only does this volume map the legal landscape it also suggests measures to improve society via due legal process and a rights based supranational and regionally rooted constitutionalism The editors contend that with the strengthening of democracy the rule of law and human rights common problems such as the exclusion of wide sectors of the population from having a say in government as well as corruption hyper presidentialism and the weak normativity of the law can be combatted more effectively in future

The Developing World E. Ike Udogu,2012-10-04 Nation states in the developing world have seen a renaissance in their political social and economic structures Newly industrializing countries like Brazil Mexico China and India are poised to claim the 21st century as their own But economic conditions in many nations of the developing world still leave much to be desired especially with respect to its marginalized citizens whose incomes are often less than two dollars a day Scholars continue to

ask what academics political actors economic entrepreneurs and others committed to tackling the bane of underdevelopment in the developing world can do to improve the plight of these nations destitute populations The Developing World Critical Issues in Politics and Society explores the challenges presented by political cultural religious social and economic practices to the future development of these nation states The essays gathered here written by seasoned scholars with deep social political and academic roots in Africa Asia and Latin America explain how improvements in politics social arrangements and information communication technologies contribute to the effectiveness of emerging nations internal politics and their influence on world affairs Individual essays consider such key issues as how to develop more efficiently the processes of liberal democratization how to apply more uniformly the law enforcement policies of governments to all citizens in a society how the marginalization of women hampers national development how the political development of Mexico as a linguistic regional power has influenced the rest of Central America how development and protection of the environment are linked how an effective application of information communication technologies can enhance the quality of education and boost growth at all levels in a polity This work will interest scholars focused on the developing world social and public policy international politics and social and political theory

Conservative Parties, the Right, and Democracy in Latin

America Kevin J. Middlebrook, 2000

Latin American Politics and Society Gerardo L. Munck, Juan Pablo

Luna, 2022-06-09 Taking a fresh thematic approach to politics and society in Latin America this introductory textbook analyzes the region's past and present in an accessible and engaging style well suited to undergraduate students The book provides historical insights into modern states and critical issues they are facing with insightful analyses that are supported by empirical data maps and timelines Drawing upon cutting edge research the text considers critical topics relevant to all countries within the region such as the expansion of democracy and citizenship rights and responses to human rights abuses corruption and violence Each richly illustrated chapter contains a compelling and cohesive narrative followed by thought provoking questions and further reading suggestions making this text a vital resource for anyone encountering the complexities of Latin American politics for the first time in their studies

Human Rights and Capitalism Janet Dine, A.

Fagan, 2006-01-01 Human Rights and Capitalism brings together two important facets of the globalization debate and examines the complex relationship between human rights property rights and capitalist economies Human rights issues have become increasingly important in this debate and their place as harbingers of justice or as an instrument of oppression is fiercely contested Both sides of this issue are considered in the contributions to this book and the complex relationships between human rights human dignity and capitalist economies are the themes running throughout the work Appearing at a time when these issues are a subject of extreme controversy this book is distinguished by its balanced and academic approach

Latin America Jan Knippers Black, 2018-04-17 Now in a fifth edition Latin America has been updated to reflect the region's growing optimism as economies stabilize trade diversifies and political systems become more participatory This

multidisciplinary survey of Latin American history politics and society features invited contributions from authorities in a variety of fields New sections address current events including deforestation in Costa Rica and Brazil emerging social movements Ecuador s new constitution and Obama s stated objectives to repair U S relations with the region In addition key topics such as women and Latin American politics socialist governments and anti American sentiment Argentina s deteriorating economy and Colombia s struggle with military and narcotics issues receive expanded and revitalized treatment Other updated material covers outcomes of recent elections in Bolivia Brazil and Nicaragua among others Through a hybrid thematic and regional organization this text provides an essential foundation for introductory courses on Latin America

Women, Gender, and Human Rights Marjorie Agosín, 2001 II WOMEN AND HEALTH Human Rights and Statistics
Thomas B. Jabine, Richard Pierre Claude, 2016-11-11 Effective human rights advocacy and research require the use of statistics carefully collected and objectively analyzed and presented using the best techniques available Statistics that lack credibility are of little value Those that can be defended against critics can be effective in throwing the light on violations and promoting the observance of human rights for all The contributors to this book including experts in political science public health law forensic pathology and statistics illustrate good statistical practice in the field of human rights and show the importance of collaboration between statisticians and other professionals The treatment is largely nonmathematical and the examples provide broad coverage of all features of the collection and use of statistical data on human rights violations For readers who would like to do their own analyses an extensive guide to human rights data sources is included This book is the first to describe and summarize important issues associated with the collection and uses of human rights statistics

Right And Democracy In Latin America Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Right And Democracy In Latin America PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Right And Democracy In Latin America PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Right And Democracy In Latin America free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Right And Democracy In Latin America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Right And Democracy In Latin America is one of the best book in our library for free trial. We provide copy of Right And Democracy In Latin America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Right And Democracy In Latin America. Where to download Right And Democracy In Latin America online for free? Are you looking for Right And Democracy In Latin America PDF? This is definitely going to save you time and cash in something you should think about.
