of its brilliant creator His spiritual quest began with the Japanese master Ejo Takata the man who introduced him to the practice of meditation Zen Buddhism and the wisdom of the koans Yet in this autobiographical account of his spiritual journey Jodorowsky reveals that it was a small group of wisewomen far removed from the world of Buddhism who initiated him and taught him how to put the wisdom he had learned from his master into practice At the direction of Takata Jodorowsky became a student of the surrealist painter Leonora Carrington thus beginning a journey in which vital spiritual lessons were transmitted to him by various women who were masters of their particular crafts These women included Do a Magdalena who taught him initiatic or spiritual massage the powerful Mexican actress known as La Tigresa the tigress and Reyna D Assia daughter of the famed spiritual teacher G I Gurdjieff Other important wisewomen on Jodorowsky s spiritual path include Mar a Sabina the priestess of the sacred mushrooms the healer Pachita and the Chilean singer Violeta Parra The teachings of these women enabled him to discard the emotional armor that was hindering his advancement on the path of spiritual awareness and enlightenment
