out to serve from the presence of the Lord to the work to which God had called them They were ministering in His presence when He sent them away to minister on His behalf All service of the Lord ought to begin that way Serving the Lord is invariably tied to resurrection life No one can truly serve the Lord without that He the Lord of all glory has taken the initiative to bring that one into His service This is so because those who serve Him must know death with Christ and resurrection with Him Service is the flow of the life of God and without resurrection life there can be no flow People can do many things in the Lord s name but only that which flows from life will last and to have the flow of life there must first of all be death A person will minister in proportion to the extent to which he has died and risen with Christ Those who spare themselves the hard demands of the cross will find that they have also spared themselves the ministry of life The extent to which a person surrenders himself to death to the world and the flesh is the extent to which that one will know resurrection life and resurrection ministry There can be a work in might and power that is not fully of the Holy Spirit Samson ministered in power although he was out of vital fellowship with the Holy God God demands holiness from all who would serve Him to His satisfaction Finally we want to say that Christian work is acceptable in His sight and satisfies His heart only to the extent to which it is in harmony with His will and under His direction Every work that is outside His will and direction is not only useless it is an abomination to Him Too many believers today are doing nothing for the Lord They are shy and withdrawn and lack boldness and a clear sense of direction Where are those who would dare to step out at His command and take entire villages towns provinces nations and continents for Him Where are those who would seek great things for Him My prayer is that the Lord of the harvest should use these messages to raise servants and slaves unto His glorious Son and that such will start in His presence and as He directs end in the uttermost parts of the world Lord Jesus ignore the weaknesses and shortcomings both of these messages and of the human messenger and use them Lord for Your glory Amen

Blackwood's Magazine ,1912 **Official Gazette of the United States Patent and Trademark Office** ,2003 **I Am That, I Am God** R. J. Holloway MBA,2018-07-18 The purpose of this book is to help the reader find that power that they possess within and to look within for that message from God This book will open your eyes to the true and living I am which is you With some verses I used from the Bible you will read and study scriptures differently My purpose is for you to see yourself in the words To see yourself as the Christ and to know when you begin to do this your life will change Learning to overcome fear and doubt understand that there is only one power that is good and fear is only an illusion

Change Your Church for Good Brad Powell,2007-02-04 The church is the hope of the world when it s working right and therein lies the problem Most aren t This has led both Christians and non Christians to give up on the church entirely it has led many others to give up on all existing churches and maybe even start new ones But all church can and should be transitioned to a new life A church is never beyond hope This book will provide principles and practices that can lead to a resurrection of any church in any setting It will provide the inspiration and information needed to lead a church successfully through the necessary changes of

tradition and culture without compromising God's timeless truth. When this happens, the church will once again be what God intended: the hope of the world.
