## **Right V Might Preaching From The Prophets:**

**Preaching Prophetic Care** Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today's social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice *Preaching and Reading the Old Testament Lessons* Elizabeth Achtemeier, 2004-06 Infused with her renowned insight into the Hebrew scriptures this collection of biblical scholar Elizabeth Achtemeier's stimulating commentary on the First Lesson lectionary texts provides a multitude of fruitful starting points for preparing sermons solidly rooted in the Bible yet connected to modern life But this book isn't just for preachers Achtemeier's unrelenting focus on the promises of God appearing in the Old Testament and fulfilled in the New Testament make these faith filled essays an enriching resource for study groups and personal devotional reading *Preaching that Matters* Stephen Farris, 1998-01-01 Preaching is the art of building a bridge in the hearer's mind from the ancient world of the biblical text to the realities of our daily lives Throughout this book Stephen Farris offers splendid insights into ways that the Bible can connect with modern life and gives specific guidance to preachers on how to make these connections happen This is a highly practical book for ministers and for classroom use *The Rights of the Clergy of the Christian Church: Or, a Discourse, Shewing that God Has Given and Appropriated to the Clergy, Authority to Ordain, Baptize, Preach, Preside in Church-prayer, and Consecrate the Lord's Supper.
