## **Righteous Blood:**

*Righteous Blood, Ruthless Blades* Brendan Davis, Jeremy Bai, 2020-12-10 *Righteous Blood Ruthless Blades* is a roleplaying game of dark adventure and heroic thrills inspired primarily by the wuxia stories of Gu Long. Players assume the roles of eccentric heroes who solve mysteries, avenge misdeeds, uphold justice, and demonstrate profound mastery of the martial arts. Character creation is designed to produce fleshed-out potent individuals who can follow several paths, including those of the physician, beggar, assassin, thief, soldier, bandit, and more. These characters inhabit a unique martial world or Jianghu set in a romanticized ancient China. The towns, temples, and inns the characters can visit, and the sects and factions with whom they interact, will bring their own character to the game and provide a host of opportunities and threats. The game is based on a simple ten-sided dice pool mechanic loosely modeled on the one found in *Wandering Heroes of Ogre Gate* and is designed to be gritty, suspenseful, and fast so the focus remains on solving mysteries and roleplaying your character. When combat does arise, it is consequential and swift and often resolved in a single roll of the dice. This rulebook includes a sample martial world and a starting adventure, as well as guidelines for game masters looking to run wuxia games and create their own unique Jianghu rife with martial experts, sects, and mysterious locations. **Blood Mysteries** Dr. Victor T.

Nyarko, 2024-03-10 Every religion on earth, godly or ungodly, Christianity, occultism, and satanic religions all respect blood and have something in one way or the other to do with blood. The Bible is a bloody book because blood is central to both the Old and New Testaments. After man sinned in the garden, the story of man's redemption has been a journey that began with the shedding of blood in Eden and ended with blood at Calvary. We have been taught about blood and how that blood is powerful. There are more religious songs about power in blood than any other subject, but what the church has not looked much into is the revelation of what makes blood powerful. Is it the usual red color of blood? Or suppose the blood of Jesus wasn't shed at all; will there still be any power at all in bloods in general that were shed before the crucifixion of Christ? This book takes the reader on an intriguing journey about mysteries in blood from a biblical perspective. Blood Theology

Eugene F. Rogers (Jr.), Eugene F. Rogers, Jr., 2021-03-25 A recovery and rediscovery of the surprising strangeness of blood in theological, especially Christian, and civic discourse. *Blood Cries Out* A. J. Swoboda, 2014-11-11 John McConnell Jr. was the famed founder and visionary of Earth Day. McConnell's vision was one of creating a day of remembrance, solitude, and action to restore the broken human relationship to the land. Little acknowledged are McConnell's religious convictions or background. McConnell grew up in a Pentecostal home. In fact, McConnell's parents were both founding charter members of the Assemblies of God in 1914. His own grandfather had an even greater connection to the origins of Pentecostalism by being a personal participant at the Azusa Street Revival in Los Angeles in 1906. Earth Day thus began with strong religious convictions. McConnell, seeing the ecological demise through his religious background, envisioned a day where Christians could show the power of prayer, the validity of their charity, and their practical concern for Earth's life and people. In the spirit

of McConnell today's Pentecostal and Charismatic theology has something to say about the earth Blood Cries Out is a unique contribution by Pentecostal and Charismatic theologians and practitioners to the global conversation concerning ecological degradation climate change and ecological justice

**Blood Power** Dag Heward-Mills, 2014-07-26 The Bible speaks of many types of blood the blood of goats the blood of sheep the blood of pigeons The Bible also speaks very categorically that without the shedding of blood there is no remission of sins So can any one of these different types of blood take away our sins The answer is an emphatic No So what can wash away our sins Nothing but the blood of Jesus Only the blood of Jesus

**The Gospel of Matthew** Dr. Brian J. Bailey, 2018-06-08 More than any gospel the Gospel of Matthew contains the largest collection of the teachings of our Lord Jesus Drawing from numerous references from the Old Testament it is also the gospel that seeks to establish that the Lord Jesus is the King of the Jews the long awaited Messiah of the Jewish nation Dr Brian Bailey expounds on the Gospel of Matthew verse by verse unlocking the more complex truths by breaking them into simpler ones and skillfully weaving in life experiences that make this book alive applicable and well worth reading

**Revelation 12-22 (ITC)** Peter J. Leithart, 2018-02-22 The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation's cryptic nature has ensured that it would always be a source of controversy This commentary focuses on the theological content gleaned the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition

PROPHET from among their brethren like unto thee and will put MY WORDS in HIS mouth and HE shall speak unto them all that I shall command HIM And it shall come to pass that whosoever will not hearken unto MY WORDS which HE shall speak in MY NAME I will require it of him For Moses truly said unto the fathers A PROPHET shall the LORD your GOD raise up unto you of your brethren like unto me HIM shall ye hear in all things whatsoever HE shall say unto you And it shall come to pass that every soul which will not hear that PROPHET shall be destroyed from among the people While he yet spake behold a BRIGHT CLOUD overshadowed them and behold a VOICE out of the CLOUD which said This is MY BELOVED SON in whom I AM well pleased HEAR YE HIM Deuteronomy 18 15 18 19 Acts 3 22 23 Matthew 17 5 King James Version     *An exposition of the New Testament [from An exposition on the Old and New Testament] with a preface by C.H. Spurgeon* Matthew Henry,1886     *Jesus and the Nations* Cedric E. W. Vine,2022-08-11 Jesus s command to disciple all the nations in Matt 28 19 has provided a powerful catalyst for cross cultural mission for the past two thousand years But what does this command mean in the context of Matthew s narrative Cedric E W Vine proposes an understanding of Matthean discipleship and mission that builds on Richard Bauckham s open audience thesis in *The Gospels for All Christians* 1998 and his own *The Audience of Matthew* 2014 Vine argues from a biblical theology perspective that Matthew s pervasive and consistent application of the nation directed identities of prophet righteous person student teacher wise man and scribe to the followers of Jesus reveals a concern less with defining community boundaries or promoting church growth and more with casting a powerful vision of nations transformed through the acceptance of the sovereignty of the risen king Matthew s missiological horizon stretches well beyond defending as suggested by some commentators an inferred first century Matthean community in an acrimonious intramural dispute with other Jewish groups Rather Matthew prepares his readers first century and later through a multifaceted and nuanced theology of discipleship for participation in a missiological movement that is national in its focus breathtaking in its scope eschatological in its significance and open in its appeal     **The Family Expositor; Or, a Paraphrase and Version of the New Testament ...
