Dr Tony M Thurston,2023-01-27 As a team member of *Amazing Things The Church* the origin of this book is a result of Dr Tony Thurston finding a way to express what The Lord God gave to all of the saints who will be joining Him soon in glory Corroborating with Elder Sharon Bright Boxley also of *Amazing Things* I demonstrate the will of God for believers on this side of the grave and then show the awesome splendor and majesty that He's revealing to us beyond the grave and into eternity Upon completion of my graduate work in End Time ministry I was convinced that there were not many books that covered both sides of the grave simultaneously I also noticed that the blow of death to families was just too monumental So I felt compelled to offer not only for the living but also additional hope to people and families facing grave or terminal experiences During these difficult times I provide hope not arguing points Thus the book *Heavenly Things to Die For* targets four potential groups The downtrodden those searching for God's proof text the sick terminally ill and the elderly Scriptures are being discussed that will lift you up knowing that there in our midst is the compassionate God that loves you no matter what the situation is It delivers hope to those who are living or hope to people who are terminally ill Phil 1 21 27 The goal that is met in this offering is to bring you to a point of accepting whatever God has ordained for you including the beginning of real life which in fact is death *Pleasure Being Mine* Minister Dr Tony Thurston **God's Generation of Hope** Carl Barrett,2024-11-27 In a day and age where society and culture are veering further away from the teachings of God's word in

homes globally it is becoming more and more evident that there is a breakdown within the walls of family homes across this great land. Undoubtedly these times of confusion in the home, schools and communities are escalating each passing day, creating more division and disheartenment. With all the spiritual threats robbing people's children of Hope, something within the walls of the home must change for the well-being of these young ones today more than ever. If parents and family leaders don't engage with their children and rein in these apparent issues, they will continue to see a generation of people spiraling out of control. This book, *God's Generation of Hope*, is going to reveal some heart-wrenching and eye-opening facts about how external forces are creeping inside the lives of families and creating a distance between the household and Almighty God. Someone must take ownership immediately for the children's state of spiritual survival. Parents' action is needed today to instill the Living Hope in the lives of the younger generation like never before.

The New Generation of Worshipers in the 21st Century Pastor Stephen Kyeyune, 2010-05 This book is good for all classes of people, both lay men and clergy men. It covers the lifestyle of a believer and the ordained way that God intended us to worship Him. This book is meant to revive the worship of this generation.

Sharing Jesus with Muslims Fouad Adel Masri, Stan Guthrie, 2022-10-11 A practical starting point for Christians to share the hope of Jesus with Muslims. Since September 11th 2001, relationships between Christians and Muslims have been defined by fear. Increasing violence in the Middle East has caused Islam to be associated with persecution and terrorism and has led many Christians to view Muslims as the enemy. But the Bible provides clear instruction to move past fear and share the Gospel with all peoples, including Muslims. Every Christian can be an ambassador of Christ to Muslims even without becoming an expert on Islam. In *Sharing Jesus with Muslims*, Fouad Masri encourages Christians to set aside fear, excuses and differences and share the good news of Jesus. Rich with stories and conversation starters, the book gives readers tangible and respectful ways to initiate friendships and minister to the felt needs of Muslims. *Sharing Jesus with Muslims* serves as a step-by-step guide for effective witnessing and includes Conversation Starters, Insight into Muslim culture including do's and don'ts, Biblical responses to issues relevant to Islam, Stories with practical application from Masri's forty years of ministry to Muslims, Discipleship materials for ministering to Muslims. Void of judgement or guilt trips, pastors, ministry leaders and everyday Christians will find their relationships with Muslims enhanced by the principles in this book. Pick up *Sharing Jesus with Muslims* and discover the joy of serving and relating to Muslims.

Life from Our Land Marcus Grodi, 2015-10-03 There are few places left in this world where we can escape the influence and din of progress and technology. Voices from every direction and perspective beckon even push us forward toward more, greater and faster technology with the teaser of more wealth, more possessions, more pleasure and consequently more happiness and contentment. This is how the present American dream is now defined and every investment broker and political candidate promises that if we trust them, we also can trust that one day it will all be ours. But have we become so blinded by the material, industrial, progressivist culture in which we live that we've lost the ability not just to achieve but to even discern

what true happiness and beauty is What criteria do we use to plan for tomorrow for the future for retirement and when this life is over are we anything more than just fertilizer to give back to Mother Earth what we have so irresponsibly taken from her And in the end with all the opportunities we've had in this life what is important What lasts Has our culture's enticement to always look for an easier labor saving means to do everything left us a flabby flaccid culture In this book Marcus Grodi discusses what he and his family discovered mostly by surprise after moving from the city to 25 acres of rural Ohio farm land This involved a radical shift in priorities for all of them but mostly it helped them discover some critical truths about life simplicity detachment about our relationship to nature and to nature's Creator that apply regardless of where a person lives He offers wonderful reflections about life from this going back to the land experience as a metaphor of authentic conversion and drawing closer to God
