Lundbom,2015 The Sermon on the Mount Matthew 5 7 is the best known repository of the teachings of Jesus and one of the most studied Amid the considerable erudition expended on the Sermon however Jack R Lundbom argues that it has proven too easy to deflect or disregard the main thrust of the Sermon which he characterizes as a mandate to holy living and a greater righteousness Through careful attention to the structure of Matthews Gospel and the place of the Sermon within it keen sensitivity to the patterns and themes of Israelite prophecy and judicious comparisons with other Jewish and rabbinic literature Lundbom elucidates the meaning of the Sermon and its continuity with Israels prophetic heritage as well as the best of Jewish teaching By deft appeal to Christian commentators on the Sermon Lundbom brings its most important themes to life for the contemporary reader seeking always to understand what the greater righteousness to which the Sermon summons might mean for us today      **The Sermon on the Mount** Gladys Hunt,2010-12-22 In these Bible studies Gladys Hunt looks at the Sermon on the Mount showing how Jesus message encapsulates all of New Testament teaching on how to live the Christian life      **A Deeper Look at the Sermon on the Mount** John Stott,2013-04-12 Building on the foundation of our LifeGuide Bible Study Series A Deeper Look at the Sermon on the Mount takes your study of Jesus sermon to the next level with new tools for growth As you delve into cultural backgrounds make connections across books and engage in group exercises you ll come to a deep grasp of Jesus s vision for life      *The Surpassing Righteousness* Charles R. Davis,2013-02 The Sermon on the Mount is very much more than a sermon Mr Davis argues that it characterizes the core principles for those who would be disciples of Christ Specifically The Sermon on the Mount argues that its thesis is that God calls people to voluntarily repent of sins and too voluntarily accept the responsibility for complying with what Jesus calls the righteousness that surpasses the righteousness of the scribes and Pharisees apart from which no one can expect to attain to the Kingdom of Heaven Davis argues that the application of Christ s principles is grounded in the fundamental reality that Sin is inherently dysfunctional and the only remedy is repudiating dysfunction and complying with holiness Davis further argues that to comply with holiness must begin in character transformation such that the Kingdom disciple performs righteous deeds from a righteous character
