**Made for Love** Michael Schmitz, 2018-07-01 In *Made for Love* Fr Michael Schmitz presents the Catholic teaching on same sex attraction and same sex sexual relations. He begins by giving background information regarding the different worldviews of the human person, the philosophical ideas of nature and purpose, the differences between objective and subjective truth, the principle of non-contradiction, and the fallen human nature that resulted from Original Sin. He then discusses in great detail the nature and ends of human sexuality and the nature of true love while in a compassionate and non-judgmental way explaining the flawed nature of same sex sexual relations. While this book is intended primarily for those who have same sex attraction and their family and friends, its presentation of the compassionate truth of Catholic teaching on same sex attraction will be of great benefit to everyone in today's society.

**Basic Training for Spiritual Warfare** Steven Wiederwax, 2018-10-15 The *Personality of God* is the first book in a planned series called the Basic Training for Spiritual Warfare. The *Personality of God* is based on Paul's writing to the Corinthians (1 Cor 14:12 and 2 Cor 3:18) and his comparison of looking into a mirror: we see unclearly the face of God and how it becomes clearer and more distinct as we are changed into the image of God. This reflection we see is of the spiritual image of God and not his physical image. This truth begs for the answer to what is God's spiritual nature or what are the personality traits of God that comprise this nature. The *Personality of God* strives to answer this question by addressing the nature of God as it is revealed in the Bible. Using both historical and modern Bible commentaries on scripture that documents God's personality, the traces the evolution of thought concerning God's individual personality traits is explored. Additionally, where appropriate, the book cites Biblical dictionaries and lexicons to explore the original Hebrew and Greek meanings of the various words to describe God's personality and the challenges facing the translators of the various Bible versions faced in accurately portraying what was written by the authors of the different books of the Bible. Isaiah wrote that God teaches us and that we learn precept upon precept, line upon line, a little here and a little there (Is 28:10). Thus, the *Personality of God* is intended to help teach us new precepts that our knowledge of God may increase. The *Personality of God* is intended to help Christians to a greater knowledge and understanding of what it means to be more like God. For Pastors and Sunday School teachers, it can be used as a reference to help strengthen and encourage their congregation and students of becoming a strong witness for Christ.
