Kathy Acker and Transnationalism Polina Mackay, Kathryn Nicol, 2009-03-26 Since Kathy Acker's death in 1997 the body of critical work on her fiction has continued to grow and even to flourish The continuing critical attention that her work has received is testament both to the complexity and intellectual scope of her many artistic and critical projects and to the continuing relevance of her concerns and ambitions in the recent and contemporary world a world that her fictions prefigure and interrogate in ways that we perhaps could not have recognized during her lifetime This collection of essays provides readers with access to a range of critical and theoretical essays that present a detailed analysis of transnationalism in Kathy Acker's fiction A wider aim of this book is to locate Acker's work in the context of current debates on transnationalism

A History of American Crime Fiction Chris Raczowski, 2017-10-26. A History of American Crime Fiction places crime fiction within a context of aesthetic practices and experiments, intellectual concerns, and historical debates generally reserved for canonical literary history. Toward that end, the book is divided into sections that reflect the periods that commonly organize American literary history, with chapters highlighting crime fiction's reciprocal relationships with early American literature, romanticism, realism, modernism, and postmodernism. It surveys everything from 17th-century execution sermons, the detective fiction of Harriet Spofford, and T.S. Eliot's *The Waste Land* to the films of David Lynch, HBO's *The Sopranos*, and the podcast *Serial*, while engaging a wide variety of critical methods. As a result, this book expands crime fiction's significance beyond the boundaries of popular genres and explores the symbiosis between crime fiction and canonical literature that sustains and energizes both.
