With Illustrations](#) Washington Irving, 2017-09-11 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally, Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates. **Rip Van Winkle as Played by Joseph Jefferson** Joseph Jefferson, 1899 *Rip Van Winkle as Played by Joseph Jefferson. American comedic actor of the nineteenth century Joseph Jefferson made his name as Washington Irving's Rip Van Winkle. In this book a compelling blend of biography and theatrical and cultural history Benjamin McArthur chronicles Jefferson's remarkable career and offers a lively and original account of the heroic age of the American theatre. Joe Jefferson's entire life was spent on the stage from the age of Jackson to the dawn of motion pictures. He extensively toured the United States as well as Australia and Great Britain. An ever successful career including acclaim as painter and memoirist put him in the company of the great actors, artists and writers of the day including Edwin Forrest, Edwin Booth, John Singer Sargent and William Dean Howells. This book rescues a brilliant figure and places him appropriately enough on center stage of a pivotal time for American theatre. McArthur explores the personalities of the period, the changing theatrical styles and their audiences, the touring life and the wide and varied culture of theatre. Through the life of Jefferson McArthur is able to illuminate an era.
