Rise Of Ancient Israel

Lester L. Grabbe

Rise Of Ancient Israel:

The Rise of Ancient Israel Hershel Shanks, 1992 This work is composed of three outstanding lectures about the emergence of the ancient Israelites and their religion presented at a symposium held at the Smithsonian Institution in the fall of 1991 Professors William Dever Baruch Halpern and P Kyle McCarter Jr specialists in the fields of biblical archaeology and Near Eastern studies present provocative theories on the arrival of the Israelites in ancient Canaan and the provenance of their religion Did the Israelites enter Canaan according to the books of Joshua and Judges or were they already there as part of the indigenous population Is there any reality to the biblical account of the Exodus Where and when did belief in the God Yahweh originate Edited under the aegis of Shanks the well known editor of Biblical Archaeological Review and Bible Review this work can easily be understood by interested lay readers Highly recommended for larger collections Robert A Silver Shaker Heights P L Ohio Library Journal **Special Issue: the Rise of Ancient Israel** ,2019 **Habiru** Gary Arthur Thomson, 2011-08-08 In the Year 1230 BCE the stately city of Shechem cradled between Mount Gerizim and Mount Ebal was suddenly disturbed out of her reserved formality her closely watched market her liturgical inner temple routine her orderly sentinelled turrets A ood of people from every direction poured into her gates and thronged her narrow streets A new nation called Israel was about to come into being A fact validated by two corroborative Egyptian inscriptions hieroglyphed in stone At Shechem in the Year 931 BCE two historians began to write the story of Israel Two women Civil war triggered their need to write A tragicomic situation was unfolding and the two insightful women could see it coming They were in the royal court but being women they were powerless to avert the catastrophe Being educated they did have the power of the pen Rehoboam the successor to King Solomon was being crowned at Shechem and his cocky arrogance created a catastrophe the breakup of Israel Professor Thomsons skill as a teacher and writer enables his students and reader to think through the ancient stories and give them context in archaeological settings in life like Shechem Dr Lucie Lavoie Universit de Montral **The State of Old Testament Studies** H. H. Hardy, II, M. Daniel Carroll R., 2024-11-05 This book surveys the current landscape of Old Testament studies offering readers a concise guide to contemporary academic discussions Bringing together a diverse group of experts The State of Old Testament Studies provides an informed introduction to the many fields of Old Testament research by recognized scholars presents basic questions in each subfield surveys the primary methods of answering these questions engages prominent solutions and cites relevant and up to date resources It is an extensive guide to current research and an ideal supplemental textbook for a variety of courses on the Old Testament Palestine in Transition David Noel Freedman, David Frank Graf, 1983 *The Invention of Ancient Israel* Keith W. Whitelam, 1996 Argues that ancient Israel has been invented by scholars in the image of a European nation state influenced by the Israeli state created in 1948 Biblical scholars have contributed to dispossessing the Palestinians of their land and their past **The Emergence of Israel in Ancient Palestine** Emanuel Pfoh, 2016-04-01 Taking advantage of critical methodology for history writing and the use of

anthropological insights and ethnographic data from the modern Middle East this study aims at providing new understandings on the emergence of Israel in ancient Palestine and the socio political dynamics at work in the Levant during antiquity The book begins with a discussion of matters of historiography and history writing both in ancient and modern times and an evaluation on the incidence of the modern theological discourse in relation to history and history writing Chapter 2 evaluates the methodology used by biblical scholars for gaining knowledge on ancient Israelite society Pfoh argues that such attempts often apply socio scientific models on biblical narratives without external evidence of the reconstructed past producing a virtual past reality which cannot be confirmed concretely Chapter 3 deals with the archaeological remains usually held as clear evidence of Israelite statehood in the tenth century BCE The main criticism is directed towards archaeological interpretations of the data which are led by the biblical narratives of the books of Judges and Samuel resulting in a harmonic blend of ancient literature and modern anthropological models on state formation Chapter 4 continues with the discussion on how anthropological models should be employed for history writing Socio political concepts such as chiefdom society or state formation should not be imposed on the contents of ancient literary sources i e the Bible but used instead to analyse our primary sources the archaeological and epigraphic records in order to create a socio historical account The final chapter attempts to provide an historical explanation regarding the emergence of Israel in ancient Palestine without relying on the Bible but only on archaeology epigraphy and anthropological insights This Israel is not the biblical one This is the Israel from history the one that the modern historian aims at recovering from the study of ancient epigraphic and archaeological remains The arguments presented challenge the idea that the biblical writers were recording historical events as we understand this practice nowadays and that we can use the biblical records for creating critical histories of Israel in ancient Palestine It also questions the existence of undisputable traces of statehood in the archaeological record from the Iron Age as the biblical images about a United Monarchy might lead us to believe Thus drawing on ethnographic insights we may gain a better knowledge on how ancient Levantine societies functioned providing us with a context for understanding the emergence of historical Israel as a major highland patronate with a socio political life of almost two centuries It is during the later periods of ancient Palestines history the Persian and the Graeco Roman that we find the proper context into which biblical Israel is created beginning a literary life of more than two millennia

Interpreting the Old Testament Craig C. Broyles, 2001-10-01 A guide to essential aspects of Old Testament exegesis

The Face of Old Testament Studies David W. Baker, Bill T. Arnold, 2004-10 Leading scholars provide an overview of current issues in Old Testament studies

Joshua 1-12, Volume 7A Trent C. Butler, 2017-10-10 Trent C Butler s excellent commentary on Joshua is updated and revised This new edition takes into account the most recent scholarly work on the book of Joshua The commentary includes Butler s translation of the text explanatory notes and commentary to help any professor student or pastor with research and writing Features include solid biblical scholarship for teachers pastors and students updated bibliography commentary for deeper

study thorough coverage of the biblical languages close analysis of ancient manuscripts of Joshua The Word Biblical Commentary series offers the best in critical scholarship firmly committed to the authority of Scripture as divine revelation It is perfect for scholars students of the Bible ministers and anyone who wants a theological understanding of Scripture

How Israel Became a People Dr. Ralph K. Hawkins,2013-02-01 How did Israel become a people Is the biblical story accurate In what sense if any is the biblical story true Are the origins of these ancient people lost in myth or is there hope to discovering who they were and how they lived These questions divide students and scholars alike While many believe the Conquest is only a fable this book will present a different view Using biblical materials and the new archaeological data this title tells how the ancient Israelites settled in Canaan and became the people of Israel The stakes for understanding the history of ancient Israel are high The Old Testament tells us that Yahweh led the Hebrews into the land of Canaan and commanded them to drive its indigenous inhabitants out and settle in their place This account has often served as justification for the possession of the land by the modern state of Israel Archaeology is a weapon in the debate used by both Israelis and Palestinians trying to write each other out of the historical narrative This book provides needed background for the issues and will be of interest to those concerned with the complexity of Arab Israeli relations

The Land of Canaan in the Late Bronze Age Lester L. Grabbe,2017-02-09 This volume provides a series of contributions on the crucial aspects relating to the Bible and the Late Bronze Age period The volume is introduced with a background essay surveying the main areas of history and current scholarship relating to Late Bronze Age Palestine and to the Egyptian New Kingdom Dynasties 18 20 domination of the region as well as the question of the biblical account of the same geographical area and historical period Specific chapters address a range of key concerns the history of Egypt s dealing with Canaan is surveyed in chapters by Grabbe and Dijkstra The Amarna texts are also dealt with by Lemche Mayes and Grabbe The archaeology is surveyed by van der Steen The Merenptah Stela mentioning Israel is of considerable interest and is discussed especially by Dijkstra This leads on to the burning question of the origins of Israel which several of the contributors address Another issue is whether the first Israelite communities practised egalitarianism an issue taken up by Guillaume with a response by Kletter

Biblical History and Israel's Past Megan Bishop Moore,Brad E. Kelle,2011-05-17 Although scholars have for centuries primarily been interested in using the study of ancient Israel to explain illuminate and clarify the biblical story Megan Bishop Moore and Brad E Kelle describe how scholars today seek more and more to tell the story of the past on its own terms drawing from both biblical and extrabiblical sources to illuminate ancient Israel and its neighbors without privileging the biblical perspective *Biblical History and Israel's Past* provides a comprehensive survey of how study of the Old Testament and the history of Israel has changed since the middle of the twentieth century Moore and Kelle discuss significant trends in scholarship trace the development of ideas since the 1970s and summarize major scholars viewpoints issues and developments

Historical Biblical Archaeology and the Future Thomas Evan Levy,2016-04-08 Joint winner of the 2011

Biblical Archaeology Society Publication Award in the category Best Scholarly Book on Archaeology The archaeology of the Holy Land is undergoing major change Historical Biblical Archaeology and the Future describes the paradigm shift brought about by objective science based dating methods geographic information systems anthropological models and digital technology tools The book serves as a model for how researchers can investigate the relationship between ancient texts both sacred and profane and the archaeological record Influential archaeologists and biblical scholars examine a range of texts materials and cultures the Vedas and India the Homeric legends and Greek Classical Archaeology the Sagas and Icelandic archaeology Islamic Archaeology and the Umayyad Abbasid and Ayyubid periods The groundbreaking essays offer a foundation for future research in biblical archaeology ancient Jewish history and biblical studies *The Geography of Religion* Roger W. Stump, 2008-04-04 The only book of its kind this balanced and accessibly written text explores the geographical study of religion Roger W Stump presents a clear and meticulous examination of the intersection of religious belief and practice with the concepts of place and space He begins by analyzing the factors that have shaped the spatial distributions of religious groups including the seminal events that have fostered the organization of religions in diverse hearths and the subsequent processes of migration and conversion that have spread religious beliefs The author then assesses how major religions have diversified as they have become established in disparate places producing a variety of religious systems from a common tradition Stump explores the efforts of religious groups to control secular space at various scales relating their own uses of particular spaces and the meanings they attribute to space beyond the boundaries of their own communities Examining sacred space as a diverse but recurring theme in religious belief the book considers its role in religious forms of spatial behavior and as a source of conflict within and between religious groups Refreshingly jargon free and impartial this text provides a broad comparative view of religion as a focus of geographical inquiry *The Dawn of Israel* Lester L. Grabbe, 2002-11-17 In this companion volume to his bestselling *Ancient Israel What Do We Know and How Do We Know It* Lester L Grabbe provides the background history of the main ancient Near Eastern peoples and empires Babylonia Assyria Urartu Hittites Amorites Egyptians Grabbe's focus is on Palestine Canaan and covers the early second millennium including the Middle Bronze Age and the Second Intermediate Period and Hyksos rule of Egypt Grabbe also addresses the question of a patriarchal period The main focus of the book is on the second half of the second millennium Late Bronze and early Iron Age the Egyptian New Kingdom the Amarna letters the Sea Peoples the question of the exodus the early settlements in the hill country of Palestine and the first mention of Israel in the Merenptah inscription Archaeology and the contribution of the social sciences both feature heavily as does inscriptional and iconographic material As such this volume provides a fascinating portrayal of ancient Israel and this definitive work by one of the world's leading biblical historians will be of interest to all students and scholars of biblical history **Israel in Transition** Lester L. Grabbe, 2008-12-01 For more than a decade the European Seminar in Historical Methodology has debated the history of

ancient Israel or Palestine or the Southern Levant as some prefer A number of different topics have been the focus of discussion and published collections but several have centered on historical periods The really seminal period one of great debates over a number of different topics is the four centuries between the Late Bronze II and Iron IIA but it seemed appropriate to leave it toward the end of the various historical periods It was also important to give a prominent place to archaeology and the best way to do this seemed to be to have a special Seminar session devoted entirely to archaeology

Introducing the Old Testament Rolf A. Jacobson, Michael J. Chan, 2023-03-14 This lively engaging introduction to the Old Testament is critical and theological lavishly illustrated and accompanied by a variety of pedagogical aids It serves as the Old Testament counterpart to Mark Allan Powell's successful *Introducing the New Testament* over 105 000 copies sold *Introducing the Old Testament* presents disputed and controversial issues fairly neither dictating conclusions nor privileging skepticism over faith based perspectives The full color interior is illustrated with photographs and fine art and includes sidebars maps a glossary and further reading suggestions A companion website through Baker Academic's Textbook eSources features a wealth of additional resources for students and instructors Resources for students include chapter objectives study questions flash cards and self quizzes Resources for professors include chapter objectives discussion prompts pedagogical suggestions PowerPoint slides and a test quiz bank

Critical Issues in Early Israelite History Richard S. Hess, Gerald A. Klingbeil, Paul J. Ray Jr., 2008-06-30 The origin of the Israelites is one of the most frequently discussed issues among archaeologists and biblical scholars Only a few decades ago biblical stories such as the Conquest were heralded as confirmed by archaeology But in the 1970s Thomas L Thompson and John Van Seters were in the vanguard of a movement among scholars that was intent on reassessing the historical reliability of the biblical narratives This reassessment gained momentum during the 1980s and 1990s today the mainstream opinion is that there was no Conquest and the Israelites if they can be identified as a national entity or as a people did not arrive in Canaan by means of a military conquest For three days in March 2004 a group of scholars met to consider the state of the question and to provide a response to the predominant academic skepticism a response that considers the biblical text to be an important datum in the construction of the history of the people of Israel To do so the authors of the papers read at the conference take into account both biblical and extrabiblical literary evidence as well as the contributions of archaeology to describe as completely as possible what may be known about the early history of Israel *Critical Issues in Early Israelite History* publishes the papers read at this conference in the hope that the result will be a balanced portrayal of this watershed event based on all of the currently available evidence

Archaeology and Biblical Interpretation John R. Bartlett, 2002-01-04 The contributors in this book use the most recent research in key areas the early settlements of Israel early Israelite religion Qumran Jerusalem early Christian churches to show that ancient writings and modern archaeology can illuminate each other but only when used with professional care The essays represent a new generation of archaeologists and historians with new social political and

religious concerns who draw a fresh and vital picture of the emergence of ancient Israel

Thank you very much for downloading **Rise Of Ancient Israel**. As you may know, people have search numerous times for their chosen novels like this Rise Of Ancient Israel, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some infectious virus inside their desktop computer.

Rise Of Ancient Israel is available in our book collection an online access to it is set as public so you can get it instantly. Our book servers spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Rise Of Ancient Israel is universally compatible with any devices to read

Rise Of Ancient Israel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rise Of Ancient Israel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rise Of Ancient Israel has opened up a world of possibilities. Downloading Rise Of Ancient Israel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rise Of Ancient Israel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rise Of Ancient Israel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rise Of Ancient Israel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rise Of Ancient Israel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Rise Of Ancient Israel has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rise Of Ancient Israel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rise Of Ancient Israel is one of the best book in our library for free trial. We provide copy of Rise Of Ancient Israel in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rise Of Ancient Israel. Where to download Rise Of Ancient Israel online for free? Are you looking for Rise Of Ancient Israel PDF? This is definitely going to save you time and cash in something you should think about.
