**The Mississippi Valley Historical Review** ,1919 Includes articles and reviews covering all aspects of American history Formerly the Mississippi Valley Historical Review The Oxford Encyclopedia of Medieval Warfare and Military Technology Clifford J. Rogers,2010 From the Viking invasions to the Crusades to the Hundred Years War wars were crucial agents of change in medieval Europe They fostered many economic and political changes They also affected the science technology religion and culture of the parties involved Examines all aspects of warfare and military technology in medieval times and provides an exhaustive and accurate view of how and why wars were waged throughout Europe the Byzantine Empire and the Crusader States from circa 500 CE to circa 1500 **The Rise of the Spanish Empire in the Old World and in the New** Roger Bigelow Merriman,1918 **The Cambridge History of Capitalism: Volume 1, The Rise of Capitalism: From Ancient Origins to 1848** Larry Neal,Jeffrey G. Williamson,2014-01-23 The first volume of The Cambridge History of Capitalism provides a comprehensive account of the evolution of capitalism from its earliest beginnings Starting with its distant origins in ancient Babylon successive chapters trace progression up to the Promised Land of capitalism in America Adopting a wide geographical coverage and comparative perspective the international team of authors discuss the contributions of Greek Roman and Asian civilizations to the development of capitalism as well as the Chinese Indian and Arab empires They determine what features of modern capitalism were present at each time and place and why the various precursors of capitalism did not survive Looking at the eventual success of medieval Europe and the examples of city states in northern Italy and the Low Countries the authors address how British mercantilism led to European imitations and American successes and ultimately how capitalism became global **Millard's Review of the Far East** ,1918 **Pen Portraits of Illustrious Castilians** Fernán Pérez de Guzmán,2003 An English translation of Generaciones y Semblanzas a compilation of 34 biographical sketches of the most illustrious Castilians of the mid 15th century These include three kings a queen and 30 nobles prelates and scholars who represented the most prominent families of the day **Monthly Bulletin. New Series** St. Louis Public Library,1918 **The Cambridge Medieval History: Contest of empire and papacy. 1926** Henry Melvill Gwatkin,James Pounder Whitney,1926 **Rise to Greatness, Volume 1: Colony (1000-1867)** Conrad Black,2017-03-07 Masterful ambitious and groundbreaking this is a major new history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a revealing groundbreaking account of the people and events that shaped a nation The first of three volumes spanning from the year 1000 to 1867 and beginning with Canada s first inhabitants and the early explorers this masterful history challenges our perception of our history and Canada s role in the world taking on sweeping themes and vividly recounting the story of Canada s development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is

in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country s history is a riveting tour de force by one of the best writers writing today **Sex in the Middle Ages** Joyce E. Salisbury,2019-01-17 Originally published in 1991 Covering courtship disclosure diversity and public implications the essays here discuss topics such as erotic magic nakedness physicians attitudes about sex boy love saints and sex and the politics of sodomy as they were manifested in medieval Europe and the Middle East Library Books Los Angeles Public Library,1918 **The Long Process of Development** Jerry F. Hough,Robin Grier,2015-04-30 This groundbreaking book examines the history of Spain England the United States and Mexico to explain why development takes centuries Monthly Bulletin Los Angeles Public Library,1917 **The Rise and Fall of Modern Empires, Volume II** Saul Dubow,2016-12-05 This volume reproduces key historical texts concerning colonial knowledges The use of the adjective colonial indicates that knowledge is shaped by power relationships while the use of the plural form knowledges indicates the emphasis in this collection is on an interplay between different often competing cognitive systems George Balandier s notion of the colonial situation is an organising principle that runs throughout the volume and there are four sub themes language and texts categorical knowledge the circulation of knowledge and indigenous knowledge The volume is designed to introduce students to a range of important interventions which speak to each other today even if they were not intended to do so when first published An introductory essay links the themes together and explains the significance of the individual articles

**Basque Nationalism and the Spanish State** André Lecours,2007-07-13 An examination of Basque nationalism from a historical perspective Basque nationalism has been extensively examined from the perspectives of Basque culture and internal conditions in the Basque Country but Andr Lecours is among the first to demonstrate how Basque nationalism was shaped by the many forms and historical phases of the Spanish state His discussion employs one of the most debated approaches in the social sciences historical institutionalism and it includes an up to date examination of the circumstances for and consequences of recent events such as ETA s announcement in 2006 of a permanent cease fire Lecours also analyzes other aspects of Basque nationalism including the international relations of the Basque Autonomous Government as well as the responses of the contemporary Spanish state and how it deploys its own brand of nationalism Finally the book offers a comparative discussion of Basque Catalan Scottish Flemish and Quebecois nationalist movements suggesting that nationalism in the Basque Country despite the historical presence of violence is in many ways similar to nationalism in other industrialized democracies **Basque Nationalism and the Spanish State** is an original and provocative discussion that is essential reading for anyone interested in the Basques or in the development of modern nationalist movements **The Cambridge Medieval History: Contest of empire and papacy** Henry Melville Gwatkin,1926 Living by the Sword Eric Demski,2014-06-28 The quintessential image of the hero for GOD the Knight half warrior and half saint stands for everything good strong and honorable in the human spirit This book contains twenty five years of research on true knighthood the

refined and essential virtues elements techniques and strategies to wage successful war against Evil Taken from the lives stories and advice of warriors saints monks priests and pious people these strategies show specifically and very concretely how to be a knight and hero The book explains How does a knight use purity to make himself stronger in physical as well as mental and spiritual combat How does a knight find a state of Grace How does a knight develop his moral courage and his ability to sacrifice Why meekness and humility is the root of true strength How great courage is directly derived from fear of GOD How sacrifice and asceticism can be used to defeat demons How Faith can be developed and improved The techniques of Sir Ramon Lull Rodrigo De Bivar Charles Martel Sir Miguel Cervantes and saints such as Ignatius Louis Francis Augustine Aquinas and many more Every question is answered Only one thing remains May GOD grant us HIS Grace      **Scots and Catalans** J. H. Elliott, 2018-08-02 A landmark account that reveals the long history behind the current Catalan and Scottish independence movements A distinguished historian of Spain and Europe provides an enlightening account of the development of nationalist and separatist movements in contemporary Catalonia and Scotland This first sustained comparative study uncovers the similarities and the contrasts between the Scottish and Catalan experiences across a five hundred year period beginning with the royal marriages that brought about union with their more powerful neighbors England and Castile respectively and following the story through the centuries from the end of the Middle Ages until today s dramatic events J H Elliott examines the political economic social cultural and emotional factors that divide Scots and Catalans from the larger nations to which their fortunes were joined He offers new insights into the highly topical subject of the character and development of European nationalism the nature of separatism and the sense of grievance underlying the secessionist aspirations that led to the Scottish referendum of 2014 the illegal Catalan referendum of October 2017 and the resulting proclamation of an independent Catalan republic      A History of Latin America William Warren Sweet, 1919

**Philip II** Geoffrey Woodward, 2013-11-14 Any assessment of Philip II s rule assumes the appearance of a paradox In analysing the nature and impact of Philip II s rule and government the author seeks to examine the extent of the changes in royal finance the economic and social issues the impact of religion both within Spain and throughout its Empire and the aims and motives behind the king s foreign policy
