## Rising Tide Of Cultural Pluralism:

□□□□□□,2004      **Emancipating Cultural Pluralism** Cris E. Toffolo,2012-02-01 Combining detailed case studies with discussions of deeper theoretical controversies *Emancipating Cultural Pluralism* investigates both the benign and harmful aspects of identity politics This provocative collection delves into some of the most difficult issues of cultural pluralism such as what accounts for the immense power of identity politics whether identity politics can be inherently good or evil whether states are the right institutions to deal with ethnic conflict the prevention of genocide the value of devolving power to the local level and more The contributions are united by the conviction that more attention needs to be paid to the normative issues associated with various expressions of cultural pluralism for the ethical implications of the phenomena are too profound to be ignored      **African Minorities in the New World** Toyin Falola,Niyi Afolabi,2007-11-13 This book discusses the minority status of African immigrants in the New World by revisiting the concept of a new African diaspora and its multiple implications for citizenship and immigration policy      Trinidad and Tobago Ralph Premdas,2007-04-17 How does a multi ethnic society resolve the contentious issue of resource allocation without damaging the state This study examines inequality in terms of distributive justice adaptation of political institutions the role of symbols of recognition in representation and conflict management in power sharing resource allocation and public policy      *National Identity and Democratic Prospects in Socialist China* Edward Friedman,2016-09-16 This analysis of every facet of a national identity makes it less likely that the next great explosion in the Communist world and its consequences will come as a surprise It investigates tendencies in China that might lead it down the same path as Russia and Yugoslavia      Subnationalism in Africa Joshua Forrest,2004 This examination of the politics of ethnicity and nation building in Africa stresses the trend towards subnationalist autonomy and away from a singular state centric system based on the Western model Forrest ranges across the continent to explore a variety of subnational movements      *Nationalism and Intra-State Conflicts in the Postcolonial World* Fonkem Achankeng,2015-09-28 This book highlights the complexities of nationalism and the struggles of different groups left unaddressed within the nation states of a postcolonial world The central question is what happened to the worldly and radical visions of freedom liberty and equality that animated intellectual activists and policy makers from Woodrow Wilson in the 1920s This book analyzes the outcome of lumping disparate groups of people together under one nation state and holding them together against the knowledge of the incompatibility theory of plural states In a world of arbitrarily and colonially mapped sovereign states groups and nations with distinctive histories and cultures trapped within the borders of sovereign states want the freedom to decide their own destinies This book challenges deconstructs and decolonizes Western epistemologies related to postcolonial state formation and maintenance In examining the freedom concept that no human group ought to be determining the independence of other human groups this book constructs an alternative conceptualization of nations and peoples rights in the twenty first century in which radical hopes and global dreams are

recognized as central to internal nationalism struggles      *After Communism* Donald R. Kelley, 2003-01-01 In this collection top scholars of Soviet and post Soviet studies convene to explore communism's aftermath They consider state building and constitutionalism the transition to market capitalism and democracy across Eastern Europe the political development of Muslim states the complex and differential developments of electoral systems the risks and opportunities of nationalism and new political and economic activities in Russia from corruption to contracts Editor Donald Kelley introduces the volume with a synthesis of the theoretical and empirical findings of the volume and his brief chapter introductions place each contribution in relation to the other essays and to larger debates on democratization      Dilemmas of Diversity After the Cold War Michele R. Rivkin-Fish, Elena Trubina, 2010      **The Transition to Democratic Governance in Africa** John Mukum Mbaku Esq., Julius O. Ihonvbere, 2003-04-30 Africa is currently experiencing sociopolitical and economic changes of unprecedented proportions New leaders institutions discourses and methods of political organization and action are shaping a new future Through a case study approach this essay collection provides a comprehensive analysis of the history trajectory actors institutions contradictions failures and opportunities in contemporary efforts at democratization in Africa While presenting the dynamics of democracy and democratization in several African countries they also look at critical issues in Africa's transition projects from political parties and elections through constitutions and constitutionalism to new structures of power and politics A provocative analysis for scholars students researchers and policy makers involved with African political and economic development      **Hanging Together** John Higham, 2001-01-01 This book presents three decades of writings by one of America's most distinguished historians John Higham renowned for his influential works on immigration ethnicity political symbolism and the writing of history here traces the changing contours of American culture since its beginnings focusing on the ways that an extraordinarily mobile society has allowed divergent ethnic class and ideological groups to hang together as Americans The book includes classic essays by Higham and more recent writings some of which have been substantially revised for this publication Topics range widely from the evolution of American national symbols and the fate of our national character to new perspectives on the New Deal on other major turning points and on changes in race relations after major American wars Yet they are unified by an underlying theme that a heterogeneous society and an inclusive national culture need each other      Histories, Cultures, Identities Sharon A. Carstens, 2005 *Histories Cultures Identities* deals with two central questions relating to the Chinese community in Malaysia First how has being Chinese shaped the responses of this community to political economic and social developments in the country And second how have their experiences in Malaysia affected the way in which immigrants from China and their descendants identify themselves as Chinese      Affirmative Action, Ethnicity and Conflict Edmund Terence Gomez, Ralph Premdas, 2012-11-27 In recent years a number of countries have introduced affirmative action programmes in order to put right historical injustices and economic inequalities involving ethnic communities This book examines affirmative action programmes in a range of countries around the world It discusses

how such programmes came about and how they have been implemented and examines their effectiveness Throughout it explores how far affirmative action programmes reinforce ethnic identities and thereby contribute to division and conflict The countries covered are India the United States South Africa Northern Ireland Brazil Malaysia and Fiji *Mixed Blessings* Judy Brink,Joan Mencher,2014-04-23 Taking a woman centered approach *Mixed Blessings* analyzes the effect of religious fundamentalism on gender roles in a variety of religions and nations It explains how some women benefit from fundamentalism gaining economic power and autonomy and portrays how others maneuver within its restrictions The scope of the book is broad ranging from Christian groups in North and South America Islamic groups in the Middle East and China Jews in Israel Hindus in India and Buddhists in Sri Lanka The detailed descriptions of women s lives illustrate the complexity of the intersection of gender and fundamentalism The impact of fundamentalism for some women has been beneficial and has lead to greater economic power and autonomy In other areas women must maneuver within the constraints of fundamentalism to gain power and autonomy

**Understanding Ethnic Conflict** Raymond Taras,Rajat Ganguly,2015-08-07 *Understanding Ethnic Conflict* provides all the key concepts needed to understand conflict among ethnic groups Including approaches from both comparative politics and international relations this text offers a model of ethnic conflict s internationalization by showing how domestic and international actors influence a country s ethnic and sectarian divisions Illustrating this model in five original case studies the unique combination of theory and application in *Understanding Ethnic Conflict* facilitates more critical analysis of contemporary ethnic conflicts and the world s response to them

*Contemporary Peacemaking* J. Darby,Roger Mac Ginty,2008-06-11 *Contemporary Peacemaking* draws on recent experience to identify and explore the essential components of peace processes The book is organized around five key themes in peacemaking planning for peace negotiations violence on peace processes peace accords and peace accord implementation and post war reconstruction

**The State, Identity and Violence** R. Brian Ferguson,2003-09-02 In this book a collection of experts investigate the varied forces from global systems to local beliefs that lead to civil violence chaos and perhaps a new political order *The State Identity and Violence* explores acts of mass violence occurring within national borders and examines the links such acts have to personal identities and how they challenge the character or very existence of the state Building upon the anthropological premises of holism and cross cultural comparison this volume shows how violent challenges to existing states should be conceptualized as layered problems with multiple kinds of causes It not only goes beyond the ancient hatreds explanation but shows the inadequacy of the concept of ethnic violence and of theories which treat interests and identities as separate sometimes opposed variables

*Ethnicity and Democracy in Africa* Bruce Berman,Dickson Eyoh,Will Kymlicka,2004-09-30 The politics of identity and ethnicity will remain a fundamental characteristic of African modernity For this reason historians and anthropologists have joined political scientists in a discussion about the ways in which democracy can develop in multicultural societies In *Ethnicity and Democracy in Africa* the

contributors address why ethnicity represents a political problem how the problem manifests itself and which institutional models offer ways of ameliorating the challenges that ethnicity poses to democratic nation building      **Muddy Boots & Smart Suits** Nicholas Farrelly, 2017-04-17 From grassroots conflicts to great power relations this book explores some of the key concepts methodologies and dilemmas of researching Asia Pacific affairs The book deals with key questions about the Asia Pacific Why should we study policy from the ground up What are the human considerations for societies in conflict Why is regionalism important and how do global powers play a role Should Asia Pacific researchers embrace the design based revolution in the social sciences Muddy Boots and Smart Suits is for students scholars and policymakers in the region looking for a new way to understand local regional and global security challenges      *Race Consciousness* Judith Jackson Fossett, Jeffrey A. Tucker, 1997 Bringing together an impressive range of new scholarship deeply informed both by the legacies of the past and current intellectual trends *Race Consciousness* is a veritable Who's Who of the next generation of scholars of African American studies This collection of original essays representing the latest work in African American studies covers such trenchant topics as the culture of America as a culture of race the politics of gender and sexuality legacies of slavery and colonialism crime and welfare politics and African American cultural studies In his Foreword to the volume Robin D G Kelley presents a startling vision of the state of African American Studies and the world in general in the year 2095 Arnold Rampersad and Nell Irvin Painter chart the different disciplinary and theoretical paths African American Studies has taken since the 19th century in their Preface to the volume From publisher's description
