 - Identify problems
 - Encourage a culture of safety and quality

Risk And Blame

Douglas M Staff

Risk And Blame:

Risk and Blame Professor Mary Douglas, Mary Douglas, 2013-06-17 First published in 1992 this volume follows on from the programme for studying risk and blame that was implied in *Purity and Danger* The first half of the book Douglas argues that the study of risk needs a systematic framework of political and cultural comparison In the latter half she examines questions in cultural theory Through the eleven essays contained in *Risk and Blame* Douglas argues that the prominence of risk discourse will force upon the social sciences a programme of rethinking and consolidation that will include anthropological approaches

Risk and Blame Professor Mary Douglas, 2002-05-03 Risk and danger are culturally conditioned ideas They are shaped by pressures of social life and accepted notions of accountability The risk analyses that are increasingly being utilised by politicians aid programmes and business ignore the insights to be gained from social anthropology which can be applied to modern industrial society In this collection of recent essays Mary Douglas develops a programme for studying risk and blame that follows from ideas originally proposed in *Purity and Danger* She suggests how political and cultural bias can be incorporated into the study of risk perception and in the discussion of responsibility in public policy

Risk and Blame Mary Douglas, 2003 *Risk and Blame* Mary Douglas, 1994 *Risk and Blame* Mary Douglas, 1992 Risk and danger are culturally conditioned ideas They are shaped by pressures of social life and accepted notions of accountability The risk analyses that are increasingly being utilised by politicians aid programmes and business ignore the insights to be gained from social anthropology which can be applied to modern industrial society In this collection of recent essays Mary Douglas develops a programme for studying risk and blame that follows from ideas originally proposed in *Purity and Danger* She suggests how political and cultural bias can be incorporated into the study of risk perception and in the discussion of responsibility in public policy

Mary Douglas: Risk and blame Mary Douglas, 2003 *Risk and Blame* Douglas M Staff, 1994 At Risk Karen Swift, Marilyn Callahan, 2009-01-01 In *At Risk* Karen J Swift and Marilyn Callahan examine risk and risk assessment in the context of professional practice in child protection social work and other human services They argue that the tools technologies and practices used to measure risk to the individual have gone unquestioned and unstudied and that current methods of risk assessment may be distorting the principles of social justice Central to this study is an examination of the everyday experiences of workers and parents engaged in risk assessment processes in Canadian child welfare investigations Going beyond theory Swift and Callahan highlight how risk evaluations play out in actual interactions with vulnerable people Pointing out that standardized risk assessment tools do not take factors such as class race gender and culture into account *At Risk* raises important questions about the viability of risk management plans that are not tailored to individual situations

Medical Self-Regulation Mark Davies, 2016-12-05 Self regulation constitutes an important aspect of the regulatory and oversight process governing professionals This book focuses directly on medical self regulation in the context of both the wider regulatory framework and that of other regulatory models Through a

critical consideration of recent events including high profile and controversial cases it is demonstrated that the self regulatory process has failed and that only fundamental restructuring and a radical change in attitudes on the part of members of the profession can repair the damage Attention is also given to the recent changes current proposals for change and to alternative regulatory models Medical Self Regulation will be of international interest appealing to policy makers as well as students and practitioners in the fields of medicine medical law and sociology and professional regulation *Global Perspectives on ADHD* Meredith R. Bergey, Angela M. Filipe, Peter Conrad, Ilina Singh, 2018-01-01 Examining ADHD and its social and medical treatments around the world Attention deficit hyperactivity disorder ADHD has been a common psychiatric diagnosis in both children and adults since the 1980s and 1990s in the United States But the diagnosis was much less common even unknown in other parts of the world By the end of the twentieth century this was no longer the case and ADHD diagnosis and treatment became an increasingly widespread global phenomenon As the diagnosis was adopted around the world the definition and treatment of ADHD often changed in the context of different psychiatric professions medical systems and cultures *Global Perspectives on ADHD* is the first book to examine how this expanding public health concern is diagnosed and treated in 16 different countries In some countries readers learn over 10% of school aged children and adolescents are diagnosed with ADHD in others that figure is less than 1% Some countries focus on medicating children with ADHD others emphasize parent intervention or child therapy Showing how a medical diagnosis varies across contexts and time periods this book explains how those distinctions shape medical interventions and guidelines filling a much needed gap by examining ADHD on an international scale Contributors Madeleine Akrich Mari J Armstrong Hough Meredith R Bergey Eugenia Bianchi Christian Br er Peter Conrad Claire Edwards Silvia A Faraone Angela M Filipe Alessandra Frigerio Val ria Portugal Gon alves Linda J Graham Hiroyuki Ito Fabian Karsch Victor Kraak Claudia Malacrida Lorenzo Montali Yasuo Murayama Sebasti n Rojas Navarro rla O Donovan Francisco Ortega M nica Pe a Ochoa Brenton J Prosser Vololona Rabeharisoa Patricio Rojas Tiffani Semach Ilina Singh Rachel Spronk Junko Teruyama Masatsugu Tsujii Fan Tzu Tseng Manuel Vall e Rafaela Zorzanelli Professional Responsibility and Professionalism Tara Fenwick, 2016-01-29 Responsibility and professionalism are increasingly issues of concern for professional associations employers and educators alike When bad things happen professionals are often held personally accountable for complex situations *Professional Responsibility and Professionalism* advances our approaches to professional responsibility from individual centred virtue based prescriptions towards understanding and responding effectively to the multifaceted challenges encountered today by professionals working in dynamic complexity The author applies a sociomaterial examination to specific examples drawn from different professional contexts of practice She examines important implications for what professional responsibility and accountability might mean individually and collectively and what it might be becoming when demands increasingly conflict and when we accept that capacities for action are performed into existence in emergent and precarious webs of both human and non human forces

The chapters explore some of the most prominent questions in professional responsibility including What does professional responsibility and accountability mean in the escalating complexities and conflicts confronting today's professionals How does professional responsibility become developed and enacted and through what social and material entanglements How should responsibility be determined in multi agency and interprofessional practice What happens when professional decisions are delegated to software algorithms and diagnostic instruments How are new governing regimes of professional work such as innovation imperatives excessive audit and logics of blame and scapegoating reconfiguring responsibility How can professionals respond simultaneously to individuals in need the obligations of their profession the demands of their employer and an anxious society A major concern addressed by each chapter and the book as a whole is educating professionals in and for responsibility Specific dilemmas and strategies are offered for educators in universities workplaces and professional development contexts who seek new approaches to helping professionals learn to critically understand and practise responsibility today This book will appeal to a wide audience of education researchers and post graduate students studying professional practice professionalism and education across a wide range of disciplines Health professionals professionals working in private practices such as law architecture and engineering newer professions such as social work and policing and educational professionals at all levels will find stories and strategies reflecting key issues of their practice in this detailed exploration of professional responsibility and accountability

Values and Ethics in Social Work Chris Beckett, Andrew Maynard, Peter Jordan, 2017-03-13 An awareness of one's own ethical assumptions and how these inform everyday practice is crucial for all student social workers Social workers who genuinely wish to do the right thing by their services users have no alternative but to constantly think and rethink the principles and assumptions that inform their actions and this book supports them on their journey to do just that This third edition is set out in two parts Part I deals with broad ideas about values and ethics in general looking at philosophy religion and politics as well as the duty of realism Part II takes the discussion further looking at how these general principles are relevant to everyday practice with chapters on the use and misuse of power the idea of self determination and the challenges of working with people whose experience and outlook are different to one's own

Sexual Discretion Jeffrey Q. McCune, Jr., 2014-03-07 African American men who have sex with men while maintaining a heterosexual lifestyle in public are attracting increasing interest from both the general media and scholars Commonly referred to as down low or DL men many continue to have relationships with girlfriends and wives who remain unaware of their same sex desires and in much of the media DL men have been portrayed as carriers of HIV who spread the virus to black women Sexual Discretion explores the DL phenomenon offering refreshingly innovative analysis of the significance of media space and ideals of black masculinity in understanding down low communities In Sexual Discretion Jeffrey Q McCune Jr provides the first in depth examination of how the social expectations of black masculinity intersect and complicate expressions of same sex affection and desire Within these underground DL communities men aren't

as highly policed and thus are able to maintain their public roles as properly masculine McCune draws from sources that range from R and from E Lynn Harris s contemporary sexual passing novels to McCune s own interviews and ethnography in nightclubs and online chat rooms Sexual Discretion details the causes pressures and negotiations driving men who rarely disclose their intimate secrets **Organizational Encounters with Risk** Bridget Hutter, Michael Power, 2005-12-01

Organizational encounters with risk range from errors and anomalies to outright disasters In a world of increasing interdependence and technological sophistication the problem of understanding and managing such risks has grown ever more complex Organizations and their participants must often reform and reorganise themselves in response to major events and crises dealing with the paradox of managing the potentially unmanageable Organizational responses are influenced by many factors such as the representational capacity of information systems and concerns with legal liability In this collection leading experts on risk management from a variety of disciplines address these complex features of organizational encounters with risk They raise critical questions about how risk can be understood and conceived by organizations and whether it can be managed in any realistic sense at all This book is an important reminder that the organisational management of risk involves much more than the cool application of statistical method *Tears for My Sisters* L. Lewis

Wall, 2018-01-15 Traces the horror of obstetric fistula a condition that has been largely forgotten in the developed world and lays out a plan for its eradication Millions of women suffer from obstetric fistula a catastrophic childbirth complication that exists today mainly in the world s poorest countries Fistulas are created by the prolonged pressure of the fetal head in the birth canal during obstructed labor which grievously injures a woman s bladder leaving her incontinent With a fistula a woman s life revolves around futile attempts to control her condition and the stigma associated with it Abandoned by their loved ones ostracized from their communities and cut off from modern surgical care which can repair fistulas and return patients to full health these women suffer wretchedly Based on over 20 years of personal experience with fistula patients in multiple African countries Dr L Lewis Wall s *Tears for My Sisters* describes the ancient history of obstetric fistula tracing it as far back as ancient Egypt An expert in repairing obstetric fistula Dr Wall explains how these injuries occur and how Western medicine developed the technical capacity to overcome obstructed labor and repair fistulas Arguing that obstetric fistula results from a general disregard for women s human rights and reproductive health around the globe he lays bare the obstacles that poor women face in getting emergency obstetric care Finally he presents a solution to this problem based on the inspiring story of Drs Reginald and Catherine Hamlin who created a hospital system in Ethiopia to care for fistula patients improve health care and eradicate these injuries Providing these women with a much needed voice this compassionate book is the first to tell the comprehensive story of this tragic but preventable condition It is compelling reading for everyone interested in women s health reproductive rights the history of medicine and social justice **Rob Roy**

Reginald De Koven, 1894 *Hijras, Lovers, Brothers* Vaibhav Saria, 2022-11-28 Against easy framings of hijras that render

them marginalized Saria shows how hijras makes the normative Indian family possible The book also shows that particular practices of hijras such as refusing to use condoms or comply with retroviral regimes reflect not ignorance or irresponsibility but rather a specific idiom of erotic asceticism arising in both Hindu and Islamic traditions This idiom suffuses the densely intertwined registers of erotics economics and kinship that inform the everyday lives of hijras and offer a repertoire of self fashioning distinct from the secularized accounts within the horizon of public health programmes and queer theory Engrossingly written and full of keen insights the book moves from the small pleasures of the everyday laughter flirting and teasing to impossible longings kinship networks and economies of property and of substance in order to give a fuller account of trans lives and of Indian society today

Crisis Communication Finn Frandsen, Winni Johansen, 2020-08-24 Finn Frandsen and Winni Johansen have won the 2019 Danish communication prize KOM pris for their world class research in organisational crises crisis management and crisis communication This prize is awarded by The Danish Union of Journalists Dansk Journalistforbund and Kforum <http://mgmt.au.dk/nyheder/nyheder/news/item/artikel/finn-frandsen-and-winni-johansen-win-the-kom-pris-2019> The aim of this handbook is to provide an up to date introduction to the discipline of crisis communication Based on the most recent international research and through a series of levels from the textual to the inter societal level this handbook introduces the reader to the most important concepts models theories and debates within the field of crisis communication Crisis communication is a young and very vibrant field of research and practice It is therefore crucial that researchers students and practitioners have access to presentations and discussions of the most recent research Like the other handbooks in the HOCS series this handbook contains a general introduction a chapter on the history of crisis communication research a series of thematic chapters on crisis communication research at various levels a chapter perspectives a glossary of key terms and lists of further reading for each chapter with references to publications in English German and French

Overview Section I Introducing the field General introduction A brief history of crisis management and crisis communication From organizational practice to academic discipline Reframing the field Public crisis management political crisis management and corporate crisis management Section II Between text and context Image repair theory Situational crisis communication theory Influences provenance evolution and prospects Contingency theory Evolution from a public relations theory to a theory of strategic conflict management Discourse of renewal Understanding the theory s implications for the field of crisis communication Making sense of crisis sensemaking theory Weick s contributions to the study of crisis communication Arenas and voices in organizational crisis communication How far have we come Visual crisis communication Section III Organizational level To minimize or mobilize The trade offs associated with the crisis communication process Internal crisis communication On current and future research Whistleblowing in organizations Employee reactions to negative media coverage Crisis communication and organizational resilience Section IV Interorganizational level Fixing the broken link Communication strategies for supply chain crises Reputational

interdependence and spillover Exploring the contextual challenges of spillover crisis response Crisis management consulting An emerging field of study Section V Societal level Crisis and emergency risk communication Past present and future Crisis communication in public organizations Communicating and managing crisis in the world of politics Crisis communication and the political scandal Crisis communication and social media Short history of the evolution of social media in crisis communication Mass media and their symbiotic relationship with crisis Section VI Intersocietal level Should CEOs of multinationals be spokespersons during an overseas product harm crisis Intercultural and multicultural approaches to crisis communication Section VII Critical approaches Ethics in crisis communication Section VIII The future The future of organizational crises crisis management and crisis communication For a detailed table of contents please see here *Justice in the Risk Society* Barbara Hudson,2003-12-06 In *Justice in the Risk Society* Barbara Hudson outlines traditional liberal perspectives on justice risk and security as well as addressing some key concerns The book provides theoretical analysis with a discussion of policies and arguments are illustrated by cases and examples *Decision Making, Assessment and Risk in Social Work* Brian J. Taylor,2017-04-10 At a time when accountability and the avoidance of risk are increasingly demanded of social workers the ability to make clear and informed decisions is essential This book written for practicing social workers undertaking their ASYE and compulsory CPD has been designed to help professionals make sound judgments in increasingly complex contexts and under pressure The focus is on empowering front line professionals through reflective practice so that they are able to draw on multiple factors and perspectives and make sound problem solving judgements The book begins with the core concepts client focus and legal background before moving on to consider the collaborative processes and the nature of individual judgements It then considers particular dimensions of social work decision making such as safeguarding taking risks assessment and dynamic decision tools and processes It then concludes by look at the organisational context of decision management with a focus on supervision training and effective communication
