Comprehensive Dissertation Index: Business & economics, A-K ,1984 A World of Giving Patricia L Rosenfield,2014-11-04 The age of international philanthropy is upon us Today many of America s most prominent foundations support institutions or programs abroad but few have been active on the global stage for as long as Carnegie Corporation of New York A World of Giving provides a thorough objective examination of the international activities of Carnegie Corporation one of America s oldest and most respected philanthropic institutions which was created by steel baron Andrew Carnegie in 1911 to support the advancement and diffusion of knowledge and understanding The book explains in detail the grantmaking process aimed at promoting understanding across cultures and research in many nations across the world A World of Giving highlights the vital importance of Carnegie Corporation s mission in guiding its work and the role of foundation presidents as

thought and action leaders The presidents trustees and later on staff members are the human element that drives philanthropy and they are the lens through which to view the inner workings of philanthropic institutions with all of their accompanying strengths and limitations especially when embarking on international activities It also does not shy away from controversy including early missteps in Canada race and poverty issues in the 1930s and 1980s related to South Africa promotion of area studies affected by the McCarthy Era the critique of technical assistance in developing countries the century long failure to achieve international understanding on the part of Americans and recent critiques by Australian historians of the Corporation s nation transforming work there This is a comprehensive review of one foundation s work on the international stage as well as a model for how philanthropy can be practiced in a deeply interconnected world where conflicts abound but progress can be spurred by thoughtful forward looking institutions following humanistic principles

Chemistry in Canada ,1971 Dream Car Dimitry Anastakis,2024-03-26 Dream Car tells the story of entrepreneur Malcolm Bricklin s fantastical 1970s era Safety Vehicle 1 SV1 audaciously launched during a tumultuous breakpoint in postwar history The tale of the sexy yet safe SV1 reveals the influence of automobiles on ideas about the future technology entrepreneurship risk safety showmanship politics sex gender business and the state as well as the history of the auto industry s birth decline and rebirth Written as an open road the book invites readers to travel a narrative arc that unfolds chronologically and thematically Dream Car s seven chapters have been structured so that they can be read in any order determined by whichever theme each reader finds most interesting The book also includes a musical playlist of car songs from the era and songs about the SV1 itself **Journal of Small Business Canada** ,1983 **America, History and Life** ,2005 Article abstracts and citations of reviews and dissertations covering the United States and Canada *Can Malaysia Transit Into the K-economy?* David Abdulai,2004 The book is divided into 2 phases The first phase provides information about Malaysia s movement to the K economy it is more of a general information for those who are less familiar with the effort The second phase deals with some of the tough challenges ahead and the tough choices the leadership in the country will have to make in the next phase as the country moves to the K economy and a look into the post K economy era *Management* Robbins, Stephen P.,Stuart-Kotze, Robin,1994 **Business Week** ,1988 **The Journal of Product Innovation Management** Product Development & Management Association,1999
