Elizabeth's Women Tracy Borman,2010-09-28 An original masterly and fascinating study that offers brilliant new insights into the shaping of the Virgin Queen Alison Weir New York Times bestselling author of the Six Tudor Queens series In vivid detail historian Tracy Borman presents Elizabeth I from a thrilling new angle focusing on the Virgin Queen not through her relationship with men but as the product of women the mother she lost so tragically the female subjects who worshipped her and the peers and intimates who loved raised challenged and sometimes opposed her Borman introduces Elizabeth's bewitching mother Anne Boleyn eager to nurture her new child only to see her taken away and her own life destroyed by damning allegations which taught Elizabeth never to mix politics and love Kat Astley the governess who attended and taught Elizabeth for almost thirty years invited disaster by encouraging her charge into a dangerous liaison after Henry VIII's death Mary Tudor Bloody Mary envied her younger sister's popularity and threatened to destroy her altogether And animosity drove Elizabeth and her cousin Mary Queen of Scots into an intense thirty year rivalry that could

end only in death Elizabeth's *Women* is an unprecedented account of how the public posture of femininity figured into the English court the meaning of costume and display the power of fecundity and flirtation and how Elizabeth herself long viewed as the embodiment of femininity shared popular views of female inferiority and scorned and schemed against her underlings marriages and pregnancies Brilliantly researched and elegantly written Elizabeth's *Women* is a unique take on history's most captivating queen and the dazzling court that surrounded her [The Anatolian Countess](#) Rebecca Mikkelsen, 2022-04-24

The Sailor's Heritage Roseanne Lafferty, 2022-04-06 In the years following the American Civil War there is a lot of conflict and uncertainty in the changing South The way of life for the plantation owners will never again be the same Elizabeth is determined to do everything that she can to secure her family's home even if that means upsetting social norms in her hometown Christopher is coming home but before he can settle down he must confront the mystery behind his parents' deaths so many years ago He sets out alone on his quest until his love for a spirited young woman who has no intentions of marrying will force him to resurrect a name that he turned away from so many years ago Can Elizabeth and Christopher uncover the truth before they themselves become victims of the same fate his parents suffered 57 [The Passions of Dr. Darcy](#) Sharon Lathan, 2013-04-02

You never know where a life of purpose may lead Master storyteller Sharon Lathan explores a fascinating and unique aspects of the Regency period when the British Empire offered the young noblemen of the day promising adventures all over the world While Fitzwilliam Darcy is enjoying an idyllic childhood at Pemberley his vibrant and beloved uncle Dr George Darcy becomes one of the most renowned young physicians of the day Determined to do something more with his life than cater to a spoiled aristocracy George accepts a post with the British East India Company and travels in search of a life of meaning and purpose When George Darcy returns to Pemberley after many years abroad the drama and heartbreak of his travels offer a fascinating glimpse into a gentleman's journey of self discovery and romance Praise for Sharon Lathan's Darcy Saga Exquisitely told with a brilliant flourish of language and so rich in detail Rundpinne.com Romantic engaging It's easy to see why Lathan's Darcy Saga is so successful This is one sequel you won't want to miss Austenprose Lathan proves she is indeed a master at writing both Regency romance and Austen continuations Read All Over Reviews **The Vampire Oath** Ali Winters, 2021-03-15

The cost of love can be deadly The only person Clara thought she could trust is taken and time is counting down to the coronation when he will be lost to her forever With the odds stacked against her Clara desperately sets out on a demon's cursed mission to seek out the only chance she has left the oracle witch

But the life threatening trek to the witch is only the beginning Of course nothing is free and the witch s price for her help might be more than Clara can pay **Elizabeth's Wars** Paul E. J. Hammer,2017-04-17 Between 1544 and 1604 Tudor England was involved in a series of wars which strained government and society to their limits By the time Elizabeth became queen in 1558 England and Wales were likened to a bone thrown between two dogs the great European powers of France and Spain Elizabeth s Wars tells the story of how Elizabeth I and her government overcame early obstacles and gradually rebuilt England s military power on both land and sea absorbing vital lessons about modern warfare from secret wars fought on the Continent and in the waters of the New World Elizabeth herself was a reluctant participant in foreign wars and feared the political and material costs of overseas combat misgivings which proved fully justified during England s great war with Spain in the 1580s and 90s Nevertheless Elizabeth s armies and navy succeeded in fighting Spain to a standstill in campaigns which spanned the Low Countries northern France Spain and the Atlantic as well as the famous Armada campaign of 1588 whilst in Ireland the last Irish resistance to total English domination of the country was finally crushed towards the end of Elizabeth s reign Combining original work and a synthesis of existing research Paul E J Hammer offers a lively new examination of these long and costly but ultimately successful wars military exploits which were to prove impossible acts to follow for Elizabeth s immediate successors **Northern Nights** Theresa Scott, Miss Elizabeth Powell a recent graduate of Miss Cowperth s School for Young Ladies in San Francisco arrives in the wilds of Washington Territory determined to find her missing father But when handsome Isaac Thompson throws her over his broad shoulder and carries her off all her plans dribble away in the wake left behind Isaac s black canoe Haida Indian Isaac Thompson seeks to restore his family s tarnished name and right the wrongs done to them But will his mistaken capture of the beautiful firebrand Elizabeth Powell divert him from the deadly aim of his life to wreak revenge and destruction on his enemies The Hunter & the Heiress Claire Delacroix,2022-02-15 Nothing could be further from Amaury de Vries expectations than joining his half brother s company of mercenaries in the wilds of Scotland A knight and a champion at the joust he expected to inherit a holding until the man he has known as his father revealed a terrible truth and disavowed him Left with nothing Amaury rides to Kilderrick where he loses his heart to a beautiful noblewoman in the forest A practical man he knows he has no right to court the lady but when she is abducted Amaury follows determined to fulfill his knightly duty by aiding a damsel in distress Elizabeth d Acron has been a pawn and a prize pursued for her father s wealthy holding and wants only to be desired for herself Seized again she vows she will surrender to no man even the handsome knight who comes to her rescue And truly there could be no one more vexing than this confident yet inscrutable man so concerned with duty that he could be wrought of stone but Elizabeth soon learns that she can trust Amaury to defend her at any cost She does not expect the seductive fire awakened by his touch much less his conquest of her wary heart but has she fallen in love with a man whose affections are already claimed Snared between duty and passion Amaury finds himself beguiled by the lady who challenges his every expectation but knows he has

little to offer her But when Elizabeth is threatened by a former suitor who will not be refused Amaury risks his all in her defense hoping it will be enough But can he intervene in time And will love alone convince Elizabeth to place her hand in his for all time

When Women Ruled the World Maureen Quilligan, 2021-10-12 In this game changing revisionist history a leading scholar of the Renaissance shows how four powerful women redefined the culture of European monarchy in the glorious sixteenth century The sixteenth century in Europe was a time of chronic destabilization in which institutions of traditional authority were challenged and religious wars seemed unending Yet it also witnessed the remarkable flowering of a pacifist culture cultivated by a cohort of extraordinary women rulers most notably Mary Tudor Elizabeth I Mary Queen of Scots and Catherine de Medici whose lives were intertwined not only by blood and marriage but by a shared recognition that their premier places in the world of just a few dozen European monarchs required them to bond together as women against the forces seeking to destroy them if not the foundations of monarchy itself Recasting the complex relationships among these four queens Maureen Quilligan a leading scholar of the Renaissance rewrites centuries of historical analysis that sought to depict their governments as riven by personal jealousies and petty revenges Instead When Women Ruled the World shows how these regents carefully engendered a culture of mutual respect focusing on the gift giving by which they aimed to ensure ties of friendship and alliance As Quilligan demonstrates gifts were no mere signals of affection but inalienable possessions often handed down through generations that served as agents in the creation of a steep social hierarchy that allowed women to assume political authority beyond the confines of their gender With brilliant panache Amanda Foreman Quilligan reveals how eleven year old Elizabeth I's gift of a handmade book to her stepmother Katherine Parr helped facilitate peace within the tumultuous Tudor dynasty and how Catherine de Medici's gift of the Valois tapestries to her granddaughter the soon to be Grand Duchess of Tuscany both solidified and enhanced the Medici family's prestige Quilligan even uncovers a book of poetry given to Elizabeth I by Catherine de Medici as a warning against the concerted attack launched by her closest counselor William Cecil on the divine right of kings an attack that ultimately resulted in the execution of her sister Mary Queen of Scots Beyond gifts When Women Ruled the World delves into the connections the regents created among themselves connections that historians have long considered beneath notice Like fellow soldiers in a sororal troop Quilligan writes these women protected and aided each other Aware of the leveling patriarchal power of the Reformation they consolidated forces governing as sisters within a royal family that exercised power by virtue of inherited right the very right that Protestantism rejected as a basis for rule Vibrantly chronicling the artistic creativity and political ingenuity that flourished in the pockets of peace created by these four queens Quilligan's lavishly illustrated work offers a new perspective on the glorious sixteenth century and crucially the women who helped create it

The Betrayal of Mary, Queen of Scots Kate Williams,2018-11-13 Elizabeth and Mary were cousins and queens but eventually it became impossible for them to live together in the same world This is the story of two women struggling for supremacy in a man s world when no one thought a woman could govern They both had to negotiate with men those who wanted their power and those who wanted their bodies who were determined to best them In their worlds female friendship and alliances were unheard of but for many years theirs was the only friendship that endured They were as fascinated by each other as lovers until they became enemies Enemies so angry and broken that one of them had to die and so Elizabeth ordered the execution of Mary But first they were each other s lone female friends in a violent man s world Their relationship was one of love affection jealousy antipathy and finally death This book tells the story of Mary and Elizabeth as never before focusing on their emotions and probing deeply into their intimate lives as women and queens They loved each other they hated each other and in the end they could never escape each other

Bastard Prince Beverley A Murphy,2011-08-26 It took Henry VIII twenty eight years three wives and a break with Rome before he secured a legitimate male heir Yet he already had a son the illegitimate Henry Fitzroy Fitzroy was born in 1519 after the King s affair with Elizabeth Blount He was the only illegitimate offspring ever acknowledged by Henry VIII and Cardinal Wolsey was even one of his godparents So just how close did he come to being Henry IX

The Ethics of Discernment Patrick H. Byrne,2016-01-01 In *The Ethics of Discernment* Patrick H Byrne presents an approach to ethics that builds upon the cognitional theory and the philosophical method of self appropriation that Bernard Lonergan introduced in his book *Insight* as well as upon Lonergan s later writing on ethics and values Extending Lonergan s method into the realm of ethics Byrne argues that we can use self appropriation to come to objective judgements of value *The Ethics of Discernment* is an introspective analysis of that process in which sustained ethical inquiry and attentiveness to feelings as intentions of value leads to a rich conception of the good Written both for those with an interest in Lonergan s philosophy and for those

interested in theories of ethics who have only a limited knowledge of Lonergan's work Byrne's book is the first detailed exposition of an ethical theory based on Lonergan's philosophical method *Sir Philip Sidney* Henry Richard Fox Bourne, 1891 *Ask For It* Sylvia Day, 2012-12-01 From the 1 New York Times bestselling author of *Bared to You* Plenty of sizzling passion and dangerous drama Booklist Though he's experienced much as an agent to the Crown nothing incites Marcus more than the primal hunger roused by his former fiancée Lady Elizabeth It's been years since she jilted him for another man but that only means there's a lot to catch up on a lot to make up for and that he's going to enjoy every sweet moment The same drive and passion that sent her into another man's arms is what brings Elizabeth back to Marcus Her attraction to him is the one thing she fears but she's run out of options Resisting is impossible But does she have the courage to surrender everything Praise for Sylvia Day and her novels *Bared to You* obliterates the competition unique and unforgettable Joyfully Reviewed The undisputed mistress of tender erotic romance Teresa Medeiros **The Legislative Dance** Malcolm Chester, 2011-10-11 When Bob Williams a handsome insurance broker is elected to the Illinois state legislature as a Democrat from the Chicago suburbs he finds a whole new world full of flawed characters clashing over ideas policies and money at the state capitol He must learn the ropes and learn to play the politics within the politics As his wife Cindy descends into madness and is committed to a mental institution he is drawn to two beautiful Hispanic women legislators Cynthia Rodriguez and Roberta Gonzales who compete for him Having risen from poverty both are accomplished One is a brilliant compassionate high energy powerhouse while the other is an enormously talented singer But the one Williams ultimately chooses not only struggles with the conflicts in her nature but faces Mathew Remington a powerful billionaire who hatches a plan to destroy her and the cause so important to her and the nation She's rebuffed Remington's advances and he plans to get his revenge Both humorous and tragic *The Legislative Dance* provides a fictional inside look at the elected officials' foibles and all charged with the task of deciding some of life's most important issues **The New Orleans of Fiction** James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on New Orleans centered fiction are available they are of little use to scholars researching works written before the 1980s In *The New Orleans of Fiction: A Research Guide* James A. Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i.e. class ethnicity gender immigrant experience and race The book is also a useful reader

advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included
