What's the Right Thing to Do? Selma Wassermann,2019-05-24 Making choices is one of the more pervasive acts of life Almost every action we take demands that choices be made Knowing how to choose wisely to choose after reflection to be aware of what motivates that choice to see the consequences of that choice on others enables us to live healthier more productive and more responsible lives We now live in a world in which our traditional moral exemplars

discipline In this much anticipated third installment in the Stoic Virtues series he argues for the necessity of doing what is right even when it isn't easy For the ancients everything worth pursuing in life flowed from a strong sense of justice or one's commitment to doing the right thing no matter how difficult In order to be courageous wise and self-disciplined one must begin with justice The influence of the modern world often tells us that acting justly is optional Holiday argues that that is simply untrue and the fact that so few people today have the strength to stand by their convictions explains much about why we're so unhappy In *Right Thing Right Now* Holiday draws on fascinating stories of historical figures such as Marcus Aurelius Florence Nightingale Jimmy Carter Gandhi and Frederick Douglass whose examples of kindness honesty integrity and loyalty we can emulate as pillars of upright living Through the lives of these role models readers learn the transformational power of living by a moral code and through the cautionary tales of unjust leaders the consequences of an ill-formed conscience The Stoics never claimed that living justly was easy only that it was necessary And that the alternative sacrificing our principles for something lesser was considered only by cowards and fools *Right Thing Right Now* is a powerful antidote to the moral failures of our modern age and a manual for living virtuously **Doing The Right Thing** David Greene,2013-11-19 Who controls today's conversation about what education should be in the classroom Bill Gates Arne Duncan Michelle Rhee Media Politicians Who has gained more and more control of what actually goes on in the classroom Bill Gates Arne Duncan Michelle Rhee Media Politicians Why Where are the voices of the thousands of talented and loved teachers whose classrooms should be models of what works regardless of the socioeconomic environment they are located I am but one of many Each of us has gotten to be who we are as teachers through our own set of circumstances We like all other professionals learn our craft through our experiences as well as our academic preparation Some of us get to pass on what we have learned about our craft by becoming supervisors mentors or university lecturers I have mentored new teachers I have taught a graduate education class But those endeavors have reached relatively few I have even spawned new teachers inspired by me but those are even fewer Initially it is why I started writing this book Much of it started as advice to give to my mentees Then some suggested to me to write a book So I did **Say the Right Thing** Carolyn Lacey,2023-04-01 How the gospel can help you speak in a positive constructive way Words are powerful They sink deep into our minds and our spirits They can build others up or put others down Many of us want to say the right thing and make a difference to others with our words but we don't know how to Others of us struggle to control our speech and want help to be more godly in this area of our lives This positive constructive book delves into the Bible to show us how to overcome specific temptations such as gossip or angry words But it also goes much further It shows us how we can use our speech to bring beauty hope truth and comfort into the lives of those around us and to give glory to God Full of gracious words and practical help this book will help readers to find out how to let the gospel shape their speech and enjoy the blessings that flow from this **The Right Thing to Do** P.
