providing valuable first person perspectives on what it's like to be on the traditional Wiccan path. Praise Like the bristles of a besom Thorn Mooney's Traditional Wicca sweeps through the subject of Witchcraft removing the dust and dirt of ignorance and prejudice to reveal the true heart of Wicca. Thorn writes with obvious sincerity with feeling and from experience. Her book covers everything from defining Witchcraft through the workings of a coven to actual initiation and beyond. She warns that Wicca is not for everyone and I am personally delighted to see includes a chapter on recognizing Red Flags when first contacting others especially those who might claim to be more than they actually are. This book is the quintessential guide for the true sincere seeker. Raymond Buckland author of Buckland's Complete Book of Witchcraft Traditional Wicca is a unique and important book. It's amazing to me that in over 70 years of publishing on the subject of Wicca nothing like this book has ever been written. I'm kind of jealous I didn't think to write it myself. The chapter on initiation is by itself worth the cover price. If you want to understand what people mean by traditional Wicca whether or not you're seeking it this is the one book you must read. Deborah Lipp Wiccan high priestess and author of Merry Meet Again Traditional Wicca is a topic that few actually understand despite its long and distinguished history. With passion and skill Thorn delivers a book that many familiar with Wicca will wish they had had when they were studying it and those who find themselves on the path for the first time will rejoice at having found. Whether you intend to seek initiation or not this book is full of valuable gems that will enhance any practice at any level. Traditional Wicca is an all inclusive tour through the history practices and lore of traditional Wicca that weaves voices from all over the tradition and challenges everything you think you know about it. Devin Hunter author of The Witch's Book of Power A masterful gem of insight and wisdom Traditional Wicca reveals the time honored practices of initiatory Wicca thought all but lost by many but hidden like so many occult secrets in plain sight. Drawing a clear and respectful distinction between eclectic Wicca and its older more traditional sibling Thorn Mooney takes us on a personal journey exploring the powers and the pitfalls of the initiatory inner court revealing the persistence of a thriving and dynamic Craft that is at once orthopraxic and changing traditional and experimental. With practical advice for the seeker peppered with personal anecdotes from several practitioners and initiates alike this book is a much needed map. Highly recommended. Storm Faerywolf author of Betwixt and Between

Contemporary Witchcraft Frances Billinghamurst, 2021-07-31 There are an abundance of approaches to witchcraft and modern Wicca today with many encouraging an anything goes approach opposed to what Gerald Gardner the founder of modern witchcraft set out. Contemporary Witchcraft Foundational Practices for a Magical Life offers an alternative for the seeker who wishes to gain a deeper understanding of a more traditional approach to the Craft. By tapping into the essence of the teachings handed down by Gardner and later Alex Sanders this book provides the reader with invaluable tools and techniques that will enable them to set a foundation upon which to build their ongoing magical and spiritual practice. Regardless of whether the seeker is interested in joining a coven or not contemporary witchcraft is about dedication and devotion in order for the greater mysteries to be revealed. Contemporary Witchcraft

Foundational Practices for a Magical Life offers an insight into how the non initiate can achieve this in their own practices
