Jung and Sex Edward Santana,2016-10-04 C G Jung despite not being widely known for his views on sexuality or the treatment of sexual issues made extensive contributions to understanding the complexities of this field throughout his life In Jung and Sex Edward Santana makes the case that reclaiming this knowledge can address substantial problems with current treatments and support many who struggle with sexual issues This thorough exploration of Jung s approach to sexual issues presents a wide

ranging new look at his work and adds contemporary perspectives for helping those suffering with sexual difficulties The book calls for an important bridging of clinical perspectives to address the contemporary challenges of complex sexual issues and brings attention to a large body of Jung's work on human sexuality ranging from pioneering thoughts on sexual expressions of the soul to understanding ways to treat sexual symptoms Jung and Sex provides a comprehensive analysis of Jung's views on and clinical approaches to sexual issues and treatments using this knowledge in order to help those with sexual problems and the professionals who support them It is an essential text for understanding critical dimensions of human sexuality Jung and Sex is an important contribution that closes a gap in the literature of Jungian psychology It offers unique insights into the subject for Jungian psychotherapists analytical psychologists sex therapists and relationship counselors The book also supports the work of academics and those interested in contemporary applications of Jungian and post Jungian studies

Sexuality and Sex Therapy Mark A. Yarhouse, Erica S. N. Tan, 2025-02-25 In this second edition of the standard Christian resource on human sexuality Mark Yarhouse and Erica Tan offer a survey and appraisal of this field that integrates the latest research within a Christian worldview and addresses recent societal trends related to gender identity non normative sexualities digital and social media and more

Marital and Sexual Lifestyles in the United States Linda P Rouse, 2013-12-16 Learn the changing role of sexuality in American life This helpful book offers a solid background in the sociology of family life and personal sexuality Marital and Sexual Lifestyles in the United States Attitudes Behaviors and Relationships in Social Context is designed to give readers a broad view of the diversity of contemporary U S attitudes behaviors and relationships It also covers basic sociological concepts and research methods Most human sexuality texts focus on the individual whereas texts designed for sociology courses on the family downplay individual sexual expression Marital and Sexual Lifestyles in the United States integrates the two approaches The choices of the individual take on additional meaning when seen within a unified historical statistical and conceptual framework Marital and Sexual Lifestyles in the United States gives readers the tools to consider such pressing issues as Does the divorce rate mean that the institution of marriage is in trouble Are children's futures impaired if they come from single parent households Should same sex couples be allowed to marry How does marriage differ from cohabitation What are the real sexual differences between the genders What is sexual morality How much confidence can we place in studies of human sexuality by such social scientists as Alfred Kinsey and Masters and Johnson These questions and others like them are placed in the context of U S social trends beginning with the 1950s and moving toward today Plentifully illustrated with tables charts and figures that show where we are going as well as where we have been Marital and Sexual Lifestyles in the United States gives a clear perspective on relationships in social context

Marital and Family Therapy Ira D. Glick, Ellen M. Berman, John F. Clarkin, 2003-09-01 Marital and Family Therapy now in its Fourth Edition continues its tradition as a classic resource for psychiatrists and family therapists trainees and practitioners alike by combining psychiatric and integrative family models into a single framework

The recent growth and changes in the field especially the movement away from narrowly based schools of therapy toward an integrative approach prompted the authors to expand and rewrite the text. The authors have included the results of 20 years of successful field testing by trainees and have supplemented the text with well placed case vignettes and charts. The authors have further renewed the appeal of this definitive text by 1 rewriting the discussion of how new attitudes and information about gender culture class and race are affecting family theory building 2 updating their text for compatibility with DSM IV TR and ICD 10 3 adding a section on treating Axis I disorders by combining family therapy with medication 4 adding a section on the new subspecialty of family systems medicine 5 offering the latest on family therapy effectiveness and training and 6 discussing afresh the ethical financial and professional issues facing therapists today. With two new authors up to date references for the advanced therapist and suggested readings for both instructor and student this volume will spend little time on the shelf. Psychiatrists family therapists social workers nurses family education teachers counselors family physicians and family law professionals will turn to this practical reference time and time again as they seek a better understanding of the evolving field of marital and family therapy.

Textbook of Couples and Family Therapy in Clinical Practice Ira D. Glick, Alison M. Heru, Danielle Kamis, 2024-10-18 Drawing on extensive clinical experience as well as on the scientific literature in the family systems psychiatry psychotherapy and neuroscience fields Textbook of Couples and Family Therapy in Clinical Practice 6th Edition delivers essential information for psychiatrists physicians in other specialties and physical and mental health professionals at all levels of practice. Drs Ira D Glick and Alison M Heru along with new co author Danielle Kamis cover general concepts of family function and dysfunction family therapy and family oriented interventions all in an easy to read and digestible manner. This practical clinical guide helps clinicians work within family systems by reviewing clinical practice considerations current research and training issues in part through real world case examples.

Competent Christian Counseling edited by Timothy Clinton and George Ohlschlager is destined to be regarded for years to come as the authoritative trustworthy resource for Christian counseling.

The Sexual Century Ethel Spector Person, 1999-01-01 Over the course of the past century sexual liberation has

transformed the way in which most of us regard our bodies and live our sexual lives Now a preeminent psychoanalytic theoretician on sex and gender discusses what has gone into this unquiet revolution the roles played by sexologists and psychoanalysts antibiotics and birth control the liberation movements and Freud's insight that sex has as much to do with the mind as with the genitals In this collection of new and previously published papers Ethel Person writes of the centrality of sexuality to our identity She describes the role of fantasy in desire its different expression in the sexes and the way in which desire is inevitably intertwined with power Her classic papers on transvestism transsexualism and cross dressing homosexuals written with Lionel Ovesey help us to understand how gender and sex develop in all of us The public acceptance of the transsexual says Person is emblematic of the profound scientific and intellectual shifts that have taken place in the past hundred years The way that sex and gender develop and are experienced and expressed is the result not only of nature and nurture but also of the cultural zeitgeist its unspoken values and biases

The Dysfunctional Relationships of Givers and Takers Michael A. Church, Jess G. Kohlert, Charles I. Brooks, 2011-08-08 In your relationships does it matter if you and your partner are a giver or a taker Are there different types of givers and takers What's the secret to a good marriage How can you save a rocky marriage What is the best way to get counseling and what should you expect from counseling What if a serious psychological disorder is involved in your relationship The authors professional psychologists answer these and many more questions by examining clinical case studies from their counseling practice The authors present an original model that divides both givers and takers into four different types and they use the model to analyze their case studies and illustrate why relationships can succeed or fail They also discuss various personality disorders such as obsessive compulsive narcissistic dependent paranoid borderline and antisocial and how such conditions can complicate treatment of dysfunctional relationships This book is an essential first step for anyone concerned about a relationship or who just wants to learn more about the dynamics of relationships from the perspective of givers and takers
