Cooley, 1998-01-01 Longhorn Hoops documents the history of basketball at the University of Texas For men s basketball Richard Pennington goes season by season describing every game the Longhorns have ever played from 1906 to 1998 He does the same for women s basketball except for the first two chapters which cover longer spans of time leading up to the establishment of basketball as a varsity sport for women in 1974 Pennington demonstrates that Texas basketball while always secondary to King Football actually has a long and colorful history Beside stories of games won or lost points scored and rebounds collected Pennington recalls the orange and white stars of yesteryear from Clyde Littlefield to Reggie Freeman and brings the greatest teams to life including the unbeaten Steers of 1924 the Final Four team of 1947 Harold Bradley s 1963 team Abe Lemons 1978 NIT champions and Tom Penders 1990 Longhorns Perhaps the most interesting story in Longhorn Hoops is how Anna Hiss director of women s physical education at Texas from 1921 to 1957 helped lead a nationwide movement against intercollegiate competition for women which shut down UT women s basketball for several decades and and made progress in the 1960s and 1970s much more difficult Some determined co eds got it going again and with the energy and direction of women s athletic director Donna Lopiano and coach Jody Conradt whose teams have won more than 700 games the Longhorns built a powerhouse program that reached its apex with an undefeated team in 1986 winning the NCAA championship with the heroics of freshman star Clarissa Davis Basketball as Pennington notes in his preface is the most beautiful sport of all and its history at the University of Texas has now been told This comprehensive book features a foreword by Dr Denton Cooley the world famous heart surgeon who helped the Longhorns win an SWC title in 1939 **Sisters First** Jenna Bush Hager, Barbara Pierce Bush, 2017-10-24 The former first daughters share intimate stories and reflections from the Texas countryside to the storied halls of the White House and beyond Born into a political dynasty Jenna and Barbara Bush grew up in the public eye As small children they watched their grandfather become president just twelve years later they stood by their father s side when he took the same oath They spent their college years watched over by Secret Service agents and became fodder for the tabloids with teenage mistakes making national headlines But the tabloids didn t tell the whole story In Sisters First Jenna and Barbara take readers on a revealing thoughtful and deeply personal tour behind the scenes of their lives as they share stories about their family their unexpected adventures their loves
