Run Oklahoma Run Jack White,2013-04-02 Jack White s intentions were to weave a story of a strong hearted people in a Territory of Greatness From the discovery of golden fields of tall grass in 1541 by Spanish explorer Francisco Vasquez de Coronado until the United States Congress made Oklahoma the 46th state in November 1907 Moving from family to family to transport the story from one generation to the next Jack intertwined enough mystery and intrigue to make the book a page turner This is definitely not a historical novel filled only with boring dates and unimaginative facts The story flows and meanders like a winding stream until President Teddy Roosevelt witnesses John Abernathy an Oklahoman grabbing angry Lobo wolves with his bare hands Jack White s goal from the first word typed was to put on paper a record of the history of the most interesting Territory in the greater United States Run Oklahoma Run is a book you will pass down to your great grandchildren

The Cattle of the World Alvin Howard Sanders,1926

Cinderella's Slipper Mike Nemeth,2009-09 The Bowl Champion Series BCS is under fire from fans the media college coaches Congress and even our new President They worry that the two best teams in the country aren t consistently selected by the polls and the BCS computers to play for the National Championship At stake is prestige a place in history recruiting advantages and boatloads of cash The solution proposed most often is a playoff system to give more schools a shot at a title However the problem of team selection won t go away with a playoff system it will be exacerbated The lack of a credible ranking system is the Achilles heel of the current BCS system Cinderella s Slipper reveals why the polls get it wrong why the BCS computers can t be expected to get it right why traditional statistics aren t useful for ranking teams and why won lost records are misleading Cinderella s Slipper introduces the performance metrics necessary for team ranking and explains the rating system that can accurately rank teams with similar records When combined with NCAA sponsorship and an accurate ranking system a playoff scheme will produce deserving champions and will restore public confidence in the college football National Championship process

The Orphaned Land V. B. Price,2011-11-16 In this work the author presents New Mexico as a microcosm of global ecological degradation He states that the New Mexico environment is endangered by military corporate and urban polluters and consumers as hazerdous waste munitions testing radioactive
