Legendary Locals of Androscoggin County Maxwell Mogensen,2013 In as much as it has endowed the region with a rich heritage plentiful stories and a host of colorful characters history has been kind to Androscoggin County But history can also be dark and uncanny as when Francis E Stanley a Lewiston resident and inventor of an early steam powered vehicle died in an automobile accident It can be eerie like when his twin brother opened an enormous hotel now purportedly home to his ghost that became the inspiration for Stephen King's novel The Shining These twists of fate begin to unravel the tale of Androscoggin County's legendary locals Some like Benjamin Bates and Edward Little are remembered for the institutions they helped create Others raised the hopes and spirits of their neighbors like Joey Gamache who won two boxing world titles

in the early 1990s Still others are remembered for the subtler ways they affected change like Rita Dube who saved Lewiston s St Mary s Church from demolition and helped create the Franco American Heritage Center Some notable residents ascended to the highest offices of government others to national fame but many are remembered for the significant ways they shaped their communities and Androscoggin County from within

Dunn and Peter Reading As Twiddy outlines the development of the form he identifies its characteristics and functions But more importantly his study accounts for the enduring appeal of the pastoral elegy why poets look to its conventions during times of personal distress and social disharmony and how it allows them to recover from grief loss and destruction Informed by current debates and contemporary theories of mourning Twiddy discusses themes of war and peace social pastoral and environmental change draws on the enduring influence of both Classical and Romantic poetics and explores poets changing relationships with pastoral elegy throughout their careers The result is a study that demonstrates why the pastoral elegy is still a flourishing and dynamic form in contemporary British and Irish poetry

Eternity at the End of a Rope Clifford R. Caldwell, Ron DeLord, 2016-03-03 Since 1819 over 3 000 souls found their personal eternity at the end of a rope in Texas Some earned their way Others were the victim of mistaken identity or an act of vigilante justice Deserved or not when the hangman's knot is pulled up tight and the black cap snugged down over your head it is too late to plead your case This remarkable story begins in 1819 with the first legal hanging in Texas By 1835 accounts of lynching dotted the records Although by 1923 legal execution by hanging was discontinued in favor of the electric chair vigilante justice remained a favorite pastime for some The accounts of violence are numbing The cultural and racial implications are profound and offer a far more accurate unbiased insight into the tally of African American and Hispanic victims of mob violence in the Lone Star State than has ever been presented Many of these deeds were nothing short of morbid theater worthy of another era This book is backed up by years of research and thousands of primary source documents Includes Index and Bibliography
