Callow Frances Elizabeth Callow, 1891 Whitaker's Books in Print ,1998 **My Big Fat Fake Marriage** Charlotte Stein, 2025-03-11 Something has to give Could it be her heart Connie has always distrusted nice guys In her experience they re just waiting to reveal some horrible secret And then she meets big adorable Henry Samuel Beckett

editor extraordinaire lover of bow ties sweet and so cheery she struggles to believe he's real Until Henry Samuel Beckett or Beck as he's known to most tells her the secret underneath his sunny surface He's been single all his life But in a moment of panic he's told everyone at his publishing house that he's married And when Connie an aspiring writer herself can't help defending him she ends up being the fake wife he doesn't actually have When they head off on a writing retreat surrounded by people convinced this must be a ruse both of them can't help but agree Until they share their first kiss their first touch their first time in only one bed Side by side every night as the simmering tension builds Connie starts to wonder if this might be real after all The Country Gentleman ,1898 *The Collected Letters of Katherine Mansfield: Volume IV: 1920-1921* Katherine Mansfield,1996-03-28 The letters in this volume cover the eighteen months Katherine Mansfield spent in England France and Switzerland from May 1920 to the end of 1921 It is the period of her finest stories and when her life took its most decisive turn There is a subtle but unmistakable change in her expectations a new spiritual insistence that is both elusive and resolute From her Chekhovian acceptance that they are cutting down the cherry trees she derives a tough existential directness the little boat enters the dark fearful gulf Nobody listens The shadowy figure rows on One ought to sit still and uncover one's eyes There is a determined push not always successful towards a necessary honesty as much as to artistic achievement while those qualities of her earlier correspondence remain undiminished the precision and directness the intelligence and wit the dark incisiveness as much as sheer fun Above all perhaps these letters comprise a record of very considerable courage against increasingly adverse odds as they approach the final years of her life **Catalog of**
