the killer Black Swan Detective Agency has a new client her Everyone in her company is hell bent on protecting their leader even if they have to re open their parent s unsolved murder in another country they will leave no stone unturned to find the person who was trying to kill Vodka With the help of a handsome police detective who suddenly takes an interest in Vodka they are forced to delve into the mind of a serial killer It is a battle against time for the crew to find the killer who is taunting them and bring justice to Vodka Doe so she would get back to the business of saving others Twisted Innocence Terri Blackstock,2015-02-03 From New York Times bestseller Blackstock comes a gripping story of a private investigator whose past choices have finally caught up to her and are now putting her infant daughter at risk Though Holly s stumbled through most of her adult life as a party girl she longs to live a more stable life for her daughter Then police show up to question her about the whereabouts of Creed Kershaw Lily s father She has kept his identity a secret from friends and family she never even told him about the pregnancy Now he s a person of interest in a drug related murder case Determined to keep him out of their lives and turn him over to police Holly uses her private investigating skills to search for him But her bravado backfires when he turns the tables and takes her and the baby hostage As desperate hours tick by Holly realizes his connection to Leonard Miller the man who has gunned down several members of her family Creed claims he s innocent and that Miller is after him too His gentleness with Lily moves her but she can t trust a man who has held her at gunpoint even if he reminds her so much of herself Dangers old and new threaten Holly and her baby and lives are demanded as sacrifices for love Through a complex web of mistakes and regret redemption is the one hope Holly has left to hold on to Full length suspense novel Includes discussion questions for book clubs Part of the Moonlighters series Book One Truth Stained Lies Book Two Distortion Book Three Twisted Innocence **An American Tragedy** Theodore Dreiser,2021-02-26 Theodore Dreiser was inspired by a true story to write this novel about an ambitious socially insecure young man who finds himself caught between two very different women and two very different visions of what his life could be Clyde Griffiths was born poor and is poorly educated but his prospects begin to improve when he is offered a job by a wealthy uncle who owns a shirt factory Soon he achieves a managerial position and despite being warned to stay away from the women he manages he becomes involved with Roberta a poor factory worker who falls in love with him At the same time he catches the eye of Sondra the glamorous socialite daughter of another factory owner and begins neglecting his lover to court her When Roberta confronts Clyde with her pregnancy Clyde s hopes of marrying Sondra are threatened and he conceives a desperate plan to preserve his dream **Reconsidering Drugs** NA NA,2016-04-30 Lawrence Driscoll s fresh examination of the meaning of drugs from the Victorians to the present asks us to listen to historical and current voices whose positions on drugs are at variance with our truths Driscoll draws on the work of figures as diverse as William Burroughs Sigmund Freud Conan Doyle and Anna Kavan to shed light on different or silenced ways of talking about drugs and to offer us a historical counter memory The result of his work is to unsettle and disturb the familiar parameters that frame our discussion of drugs revealing that

others are available positions which expose our own constructions as surprisingly limited *An American Tragedy* Theodore Dreiser, 2021-06-16T19:08:29Z Clyde Griffith's parents are poor street preachers but Clyde doesn't believe and finds their work demeaning At fifteen he gets a job and starts to ease out of their lives eventually landing in some trouble that causes him to flee the town where they live Two years later Clyde meets his well off uncle who owns a large factory in upstate New York Clyde talks his way into a job at the factory and soon finds himself supervising a roomful of women All alone generally shunned by his uncle's family and starved for companionship he breaks the factory's rules and begins a relationship with a young woman who works for him But Clyde has visions of marrying a high society woman and fortune smiles on him in the form of the daughter of one of his uncle's neighbors Soon Clyde finds himself in a love triangle of his own making and one from which he seems incapable of extracting himself A newspaperman before he became a novelist Theodore Dreiser collected crime stories for years of young men in relationships with young women of poorer means where the young men found a richer prettier girl who would go with him and often took extreme measures to escape from the first girl *An American Tragedy* based on one of the most infamous of those real life stories is a study in lazy ambition the very real class system in America and how easy it is to drift into evil It is populated with poor people who desire nothing more than to be rich rich people whose only concern is to keep up with their neighbors and not be associated with the wrong element and elements of both who care far more about appearances than reality It offers further evidence that the world may be very different from 100 years ago but the people in it are very much the same This book is part of the Standard Ebooks project which produces free public domain ebooks **White Sands** Geoff Dyer, 2016-06-30 It seems certain that the apple in Eden grew on the tree of knowledge of elsewhere Up until that point Adam and Eve were happy where they were Then they ate the apple and it was slightly disappointing to them and they started to wonder if maybe there were other kinds of apples elsewhere if there were crunchier and crisper and sweeter apples to be had from somewhere else They began to think that there might be a funner place where the food was better They even began to suspect that paradise itself might be somewhere else From there to keep the history of the world as brief as possible it is only a small step to package cruises and supermarkets stocking the full spectrum of exotic fruit Taking the form of ten journeys *White Sands* is an exploration of why we travel from perhaps Britain's greatest globetrotter Episodic wide ranging funny and smart it marks a return to the subject of Dyer's *Yoga for People Who Can't Be Bothered to Do It* albeit with the wisdom of age From viewing a lightning field in the Mexican desert by night to chasing Gauguin's ghost in French Polynesia from falling in love with a tour guide in the Forbidden City of Beijing to tracking down the house of a childhood idol in LA Dyer pursues all permutations of the peak experience explores the voyage through time and plumbs the effects of distance In his trademark style he blends travel writing essay criticism and fiction with a smart and cantankerous wit that is unmatched This is a book for armchair travellers and procrastinating philosophers everywhere **Curley** James A. Bryant, 2004-03-15 *Curley* is a novel based on the life of Russell Norris a Cherokee Indian
