Look What Love Has Done:

Long Road to Hero Mike Haszto,2010-12-31 Joe is your average guy who has led an average life Or quite possibly there could be more much more But he would never tell anyone that He possesses the talents of being in the right place at the right time Or does he He s not afraid to speak his mind no matter the place and the time Joe is one of those magical guys who came from an era when the world was vastly less complex and complicated And while the rest of the world evolved in their way he evolved too but not in the same direction He was born his own person grew up his own person and lived his life on his terms The people who engage in his life are as special as he is Through the crossroads and intersections of their lives

everyone comes to the realization that it is indeed a long road to hero Issues, Tissues and Miss Yous Mike Haszto,2013-05 The heart is one of the strongest muscles in the human body Not only physically does it keep all of us alive but mentally and spiritually it works overtime to keep all of us somewhat balanced happy and in the game of life As we all know the latter two mentioned are not entirely comfortable with the challenges that life presents to us Here is a collection of poems from an emotional and passionate leader among poets that will stir up memories conjure up emotions both of positiveness and emptiness and put you in each scene that will give you the opportunity to develop new feelings and perspectives What
