The Snatch Racket Carolyn Cox,2021-03 Although the 1932 kidnapping of aviator Charles Lindbergh s baby was a worldwide sensation it was only one of an estimated three thousand ransom kidnappings that occurred in the United States that year The epidemic hit America during the Great Depression and the last days of Prohibition as criminal gangs turned kidnapping into the highly lucrative snatch racket Wealthy families and celebrities purchased kidnap insurance hired armed chauffeurs and bodyguards and carried loaded handguns Some sent their children to school or summer camp in Europe to

get them out of harm's way. Recent kidnappings in America was a regular feature in the New York Times while Time magazine included kidnappings in its weekly list of notable births, deaths, and other milestones. The Snatch Racket is the story of a crime epidemic that so frightened families that it undermined confidence in law enforcement and government in general. In response, President Franklin D. Roosevelt waged a three-year War against Kidnappers with J. Edgar Hoover and his G-men newly empowered to carry weapons and make arrests on the front lines. This first U.S. war against terrorism revolutionized and modernized law enforcement in the United States, dramatically expanding the powers of the federal government in the fight against not only kidnapping but many new types of interstate crime. At the heart of the narrative are some of the most iconic names of the twentieth century: Rockefeller, Ford, Lindbergh, Roosevelt, Hoover, Capone, Schwarzkopf, and Hearst, all caught up in the kidnapping frenzy. The Snatch Racket is a spellbinding account of terrifying abductions of prominent citizens, gangsters invading homes with machine guns, the struggles of law enforcement, and the courage of families doing whatever it took to bring home the ransomed.

The Kidnapper's Accomplice C.J. Archer, 2020-09-01 USA Today Bestseller To investigate the source of gossip about Cyclops Willie, she does the unthinkable: she dons a dress. However, her plan goes awry when she is kidnapped by a disgruntled magician with the power to detonate gunpowder at will. The magician forces India and Matt to race all over London in the hunt for her before the bombs go off. Meanwhile, powerful members of the Collectors Club are trying to find out what new spell India has created with Fabian, and with India's attention focused elsewhere, they might just succeed.

Search Committee, The José Skinner, 2025-05-24 Mexico is only eight miles from Bravo University. When Minerva Mondragón, a candidate for a tenure-track Border Studies position, suggests Professor Quigley take her across the border for lunch before the interview, he acquiesces uneasily. He can't afford to scare her off, so doesn't mention he hasn't crossed over in more than a year because of the drug cartel-related violence. The first two candidates have turned down the job offer, and the committee can't lose this applicant. But lunch in the fictional border town of La Reina leads to shocking consequences for the candidate and her hapless guide. Minerva never returns from the restaurant's bathroom, and Quigley, feeling guilty, convinces himself that she has decided to disappear. He returns to the United States without reporting her missing or mentioning the trip to his colleagues. Meanwhile, the applicant finds herself bound and gagged in the back of a taxi, a victim of a kidnapping. A host of quirky characters populate these pages: There's the bumbling university professor trying to cover his ass, and the kidnapped woman attempting to escape a dire situation alive. The candidate's dissertation director knows just enough about Bravo University's government-sponsored spy training program to endanger Minerva's life. And the new leader of the Gamboa organization is the son who has been educated to take over the financial side of the business but has no idea how to handle the intra-gang war that erupted following his father's imprisonment in the United States. A long-time professor of literature and creative writing in South Texas, Jos Skinner writes darkly comedic scenes with an insider's understanding of university and border life and the narco violence that has disrupted them.
