Creating Subaltern Counterpublics A-gwi Sö, 2017 This is a study of a political and social movement instigated by older Korean women in Japan beginning in the 1990s Koreans in Japan have occupied an unique position among ethnic minority groups Until recently they constituted the largest group of foreign nationals yet they have been marginalized politically socially economically and culturally Korean women are doubly disadvantaged treated as inferior to men by both Korean and Japanese society Furthermore the first generation of Korean women migrants were not educated as children rendering them functionally illiterate and thus triply marginalized Late in life when family and work responsibilities became less onerous local authorities created educational opportunities which the women took up in unexpected numbers overloading the facilities The authorities responses effectively re marginalized them The elderly Korean women took a stance and in the process reconstituted themselves as social and political actors This book examines that self transformation process Series Japanese Society Series Subject Gender Studies Japanese Studies Korean Studies Migrant Studies

Aftermath Yutaka Tsujinaka, Hiroaki Inatsugu, 2018 Aftermath Fukushima and the 3 11 Earthquake is a comprehensive analysis of recovery and reconstruction following the triple disaster in Japan on March 11 2011 This collection addresses the question of why despite the relative success of network governance in brokering a response to the disaster and to reconstruction politics failed either to prepare

for the disaster or to respond adequately to it In examining Japan's political system leading up to 3.11 Aftermath looks at the system of network governance that operated between various organizations and levels of government The book scrutinizes the political influence network that united politicians and the bureaucracy with the major corporations and created a system to promote nuclear power Through political policy economic and social analysis Aftermath aims to contribute to the development of mechanisms and structures to minimize the impact of disasters Series Japanese Society Series Subject Politics Governance Japanese Studies Nuclear Studies

The Modern Family in Japan Chizuko Ueno, 2009 This award winning book brings together Chizuko Ueno's groundbreaking essays on the rise and fall of the modern family in Japan Combining historical sociological anthropological and journalistic methodologies Ueno who is arguably the foremost feminist theoretician in Japan delineates in vivid detail how the family has been changing in form and function in the last hundred years In each chapter Ueno introduces the reader to a different facet of modern Japanese family life ranging from children who fantasize about being orphans to the elderly who confront pre senescence The central focus is on the housewife her history her ever changing responsibilities her ways of surviving mid life crisis This is an indispensable book for students and scholars seeking to understand modern Japan

Civilizing the Margins Christopher R. Duncan, 2008 Discusses the programs policies and laws that affect ethnic minorities in eight countries Burma Cambodia Indonesia Laos Malaysia the Philippines Thailand and Viet Nam Once targeted for intervention people such as the Orang Asli of Malaysia and the hill tribes of Thailand often become the subject of programs aimed at radically changing their lifestyles which the government views as backward or primitive Several chapters highlight the tragic consequences of forced resettlement a common result of these programs

Globalizing Japan Ross E. Mouer, 2015 The Japanese people are again struggling with their nation's insularity The Meiji Restoration and the end of the Asia Pacific War gave way to concerted efforts to connect the country with the outside world As the Japanese economy emerged from two decades of stagnant growth there was wide consensus that the society was increasingly grappling with the problems shared globally and that both its economy and internal policy debates would benefit from being more fully engaged in discourses and research activity occurring outside its borders This book considers the efforts of policy makers to reorient Japan to the outside world as the nation enters the second decade of the 21st century It discusses the strategies being pursued by Japan's policy makers enhancing the involvement of the Japanese in global networks improving English language skills hiring more foreign labor lifting the stature of tertiary education on internationally recognized league tables creating favorable images of a Japanese cultured society abroad The book considers the changing geopolitical landscape and the social backdrop against which such policies are being introduced while also assessing the prospects that the Japanese will experience a third opening any time soon Overall the volume provides insight into some of the critical choices likely to shape Japan's interface with the outside world and the direction in which Japanese society moves during the next decade Series Japanese Society Subject Politics Sociology Japanese Studies Asian Studies

Malaysia's Original People Kirk Endicott, 2015-11-27 The Malay language term for the indigenous minority peoples of Peninsular Malaysia Orang Asli covers at least 19 culturally and linguistically distinct subgroups This volume is a comprehensive survey of current understandings of Malaysia's Orang Asli communities including contributions from scholars within the Orang Asli community looking at language archaeology history religion and issues of education health and social change as well as questions of land rights and control of resources Until about 1960 most Orang Asli lived in small camps and villages in the coastal and interior forests or in isolated rural areas and made their living by various combinations of hunting gathering fishing agriculture and trading forest products By the end of the century logging economic development projects such as oil palm plantations and resettlement programmes have displaced many Orang Asli communities and disrupted long established social and cultural practices The chapters in the present volume show Orang Asli responses to the challenges posed by a rapidly changing world The authors also highlight the importance of Orang Asli studies for the anthropological understanding of small scale indigenous societies in general

Japanese Perceptions of Foreigners Shunsuke

Tanabe, 2013 Originally published in English in 2013 by Trans Pacific Press Title page verso *The Origins of Japanese Credentialism* Ikuo Amano, 2011 In this English translation of a semi classic study readers have the opportunity to explore the manner in which both credentialism and the various levels of the modern education system have developed in Japan Professor Ikuo Amano the author of extensive works on Japanese education and examination systems takes the reader through a detailed analysis of the process by which education and academic qualifications have become the crucial factors in determining social position Using Japan as a concrete example of an industrial society thoroughly permeated by credentialism Amano's book makes explicit the relationship between social selection and education and in so doing points the way to why credentialism has come to dominate industrial societies The book also includes a comparative consideration of the development of education qualification and selection mechanisms in both Japan and Europe Series Japanese Society

The Boundaries of "the Japanese" Eiji Oguma, 2014 The dynamics of inclusion and exclusion have operated for centuries in the island chain that constitutes Japan's southernmost prefecture Okinawa otherwise known as the Ryukyu Islands Are the people of Okinawa Japanese or not Japanese Answers to this puzzling question are explored in this richly detailed volume written by one of Japan's foremost public intellectuals historical sociologist Eiji Oguma Here Oguma addresses issues of Okinawan sovereignty and its people's changing historical cultural and linguistic identity over more than 150 years until its 1972 reversion to Japanese control following its administration by the US from the end of the Pacific War Series Japanese Society Subject Sociology Cultural Anthropology Asian Studies Japanese Studies Cultural Studies History The Oxford Handbook of the Archaeology and Anthropology of Hunter-Gatherers Vicki Cummings, Peter Jordan, Marek Zvelebil, 2014-04-24 For more than a century the study of hunting and gathering societies has been central to the development of both archaeology and anthropology as academic disciplines and has also generated widespread public

interest and debate The Oxford Handbook of the Archaeology and Anthropology of Hunter Gatherers provides a comprehensive review of hunter gatherer studies to date including critical engagements with older debates new theoretical perspectives and renewed obligations for greater engagement between researchers and indigenous communities Chapters provide in depth archaeological historical and anthropological case studies and examine far reaching questions about human social relations attitudes to technology ecology and management of resources and the environment as well as issues of diet health and gender relations all central topics in hunter gatherer research but also themes that have great relevance for modern global society and its future challenges The Handbook also provides a strategic vision for how the integration of new methods approaches and study regions can ensure that future research into the archaeology and anthropology of hunter gatherers will continue to deliver penetrating insights into the factors that underlie all human diversity *In Pursuit of the Seikatsusha* 西暦,2011 This is a study of Japan s home grown concept of seikatsusha that resembles citizen people consumer common man and the public though not exactly identical with any of them The idea has occupied an important place in Japanese everyday life academia and progressive movements This book presents an extensive genealogy of the concept of seikatsusha from the beginning of the 20th century to the present day While examining the philosophy of such thinkers as Kiyoshi Miki Nobuyuki Onuma and Shunsuke Tsurumi the book scrutinizes the debate over seikatsusha which has been undertaken by a variety of political and intellectual movements including Shiso no kagaku Science of thought Beheiren Citizens for Peace in Vietnam and the Seikatsu Club The book points to the viability of the idea of seikatsusha in a sustainable welfare society in the 21st century and is the first in English to fully investigate the concept within Japan s historical and structural context Southeast Asia's Credit Revolution Aditya Goenka,David Henley,2013-09-05 The last twenty years have seen a transformation in the availability and use of credit among the less prosperous strata of Southeast Asian societies Drawing on experiences from across the whole region this book explores this important development focusing especially on the modern or formal part of the microfinance sector **International Migrants in Japan** Yoshitaka Ishikawa,2015 Japan faces multiple challenges in an era of population decline Problems such as aging and a decreasing working age population are expected to increase in severity so tackling these challenges and examining the contributions that immigrants can make to society are vital for Japan s future What contributions do foreign residents make to Japan especially in the labor market How do national and local government policies effect the settlement and permanent residence of foreign nationals Are issues such as social mobility and quality of life of foreigners the fertility of foreign women and long term trends in naturalization important What support does Japan offer to immigrants As a new country of immigration the need to examine such questions is growing This book takes a geographical perspective in examining the necessity of immigration and how foreign residents are helping to alleviate the problem of population decline in contemporary Japan Over the last thirty years Japan has become a country of immigration again While the literature on migration to Japan is growing reliable data on the issue is still scarce

Yoshitaka Ishikawa's edited volume is a major contribution to filling this void. Overall, the papers compiled in the book are a good introduction to the complex and multifaceted realities of newcomer migrants and shed light on some understudied quantitative and qualitative aspects of migration to Japan. *Pacific Affairs* Vol 89 No 4 December 2016 Series Japanese Society Subject Sociology Japanese Studies Asian Studies Migration Studies Labor Studies

The SAGE Handbook of Social Anthropology Richard Fardon, Oliva Harris, Trevor H J Marchand, Cris Shore, Veronica Strang, Richard Wilson, Mark Nuttall, 2012-07-25

In two volumes, the SAGE Handbook of Social Anthropology provides the definitive overview of contemporary research in the discipline. It explains the what, where, and how of current and anticipated work in Social Anthropology. With 80 authors contributing more than 60 chapters, this is the most comprehensive and up-to-date statement of research in Social Anthropology available and the essential point of departure for future projects. The Handbook is divided into four sections: Part I Interfaces examines Social Anthropology's disciplinary connections from Art and Literature to Politics and Economics from Linguistics to Biomedicine from History to Media Studies; Part II Places examines place, region, culture, and history from regional area studies to a globalized world; Part III Methods examines issues of method from archives to war zones from development projects to art objects and from ethics to comparison; Part IV Futures anticipates anthropologies to come in the Brain Sciences, in post-Development, in the Body and Health, and in new Technologies and Materialities. Edited by the leading figures in social anthropology, the Handbook includes a substantive introduction by Richard Fardon, a think piece by Jean and John Comaroff, and a concluding last word on futures by Marilyn Strathern. The authors, each at the leading edge of the discipline, contribute in-depth chapters on both the foundational ideas and the latest research. Comprehensive and detailed, this magisterial Handbook overviews the last 25 years of the social anthropological imagination. It will speak to scholars in Social Anthropology and its many related disciplines.
