Looking Backward:

Looking Backward Edward Bellamy, 2016-11-10 Edward Bellamy was an influential American author and socialist in the late 19th century Bellamy is most famous for the utopian novel *Looking Backward* which led to the formation of many Nationalist Clubs that were dedicated to the political ideas he portrayed *Looking Backward* published in 1888 is considered one of the only books in history that led to an immediate political mass movement The book tells the story of a young American man named Julian West who falls into a deep sleep and wakes up in the year 2000 *Looking Backward, 2000 to 1887* Edward Bellamy, 2017-05-31 The object of this volume is to assist persons who while desiring to gain a more definite idea of the social contrasts between the nineteenth and twentieth centuries are daunted by the formal aspect of the histories which treat the subject Warned by a teacher's experience that learning is accounted a weariness to the flesh the author has sought to alleviate the instructive quality of the book by casting it in the form of a romantic narrative which he would be glad to fancy not wholly devoid of interest on its own account The reader to whom modern social institutions and their underlying principles are matters of course may at times find Dr Leete's explanations of them rather trite but it must be remembered that to Dr Leete's guest they were not matters of course and that this book is written for the express purpose of inducing the reader to forget for the nonce that they are so to him One word more The almost universal theme of the writers and orators who have celebrated this bimillennial epoch has been the future rather than the past not the advance that has been made but the progress that shall be made ever onward and upward till the race shall achieve its ineffable destiny **Looking Backward, 2000-1887** Edward Bellamy, 2015-12-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Looking Backward: from 2000 To 1887** Edward Bellamy, 2017-09-14 *Looking Backward From 2000 to 1887* book has a beautiful glossy cover and a blank page for the dedication Living as we do in the closing year of the twentieth century enjoying the blessings of a social order at once so simple and logical that it seems but the triumph of common sense it is no doubt difficult for those whose studies have not been largely historical to realize that the present organization of society is in its completeness less than a century old No historical fact is however better established than that

till nearly the end of the nineteenth century it was the general belief that the ancient industrial system with all its shocking social consequences was destined to last with possibly a little patching to the end of time How strange and wellnigh incredible does it seem that so prodigious a moral and material transformation as has taken place since then could have been accomplished in so brief an interval The readiness with which men accustom themselves as matters of course to improvements in their condition which when anticipated seemed to leave nothing more to be desired could not be more strikingly illustrated What reflection could be better calculated to moderate the enthusiasm of reformers who count for their reward on the lively gratitude of future ages Author Looking Forward Edward Bellamy,Richard Michaelis,2017-10-31

Looking Forward An answer to Looking Backward is an unchanged high quality reprint of the original edition of 1890 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future Looking Backward, 2000-1887 - Primary Source Edition Edward Bellamy,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **Looking Backward** Edward Bellamy,2022-11-13 Edward Bellamy s visionary novel Looking Backward presents a captivating utopian narrative that explores the socio economic transformations of society by imagining a future free from the shackles of poverty and inequality Written in 1888 the book adopts a blend of speculative fiction and social critique employing a compelling first person narrative that follows Julian West a young Bostonian who falls into a deep sleep and awakens in the year 2000 where he discovers a radically altered world governed by principles of cooperation and equality The text serves as both a critique of 19th century capitalism and an imaginative forecast drawing readers into a deeply immersive exploration of the author s hopes for societal reform Edward Bellamy a prominent American socialist and reformist writer was deeply influenced by the economic disparities and social injustices of his time His own experiences with poverty and the limitations of market capitalism propelled him to envision an alternative future prompting the creation of this seminal work that resonated with the Progressive Era s aspirations for change Bellamy s ideas not only sparked interest and debate but also inspired a number of utopian communities in the late 19th century cementing his place in American literary and social history Looking Backward is a must read for those interested in the intersections of literature politics and societal reform It invites readers to reflect on the possibilities of future societies while challenging prevailing notions of individualism

and capitalism This enduring work offers profound insights into the human condition and remains relevant to contemporary discussions about economic justice and social equality [Looking Backwards 2000 to 1887](#) Edward Bellamy,2019-09-25

Reproduction of the original Looking Backwards 2000 to 1887 by Edward Bellamy **Looking Backward, 2000-1887** Edward Bellamy,2014-08-26 A masterwork of science fiction that imagines the world not just how it could be but how it should be In Boston in the year 1887 Julian West is hypnotized and falls into a deep sleep He awakens at the dawn of a new millennium in an America where war crime and inequality no longer exist In this brave new world goods are delivered in the blink of an eye public kitchens ensure that no one goes hungry and the retirement age is forty five It sounds too good to be true but Julian soon learns that this socialist utopia is not the stuff of dreams it is a carefully planned wondrously liberating reality One of the bestselling American novels of the nineteenth century Looking Backward launched a vibrant political movement and sparked an enormous amount of debate Today it stands as an enduring testament to the power of imagination and the best of human nature This ebook has been professionally proofread to ensure accuracy and readability on all devices

Looking Backward (Annotated) Edward Bellamy,2021-09-11 I first saw the light in the city of Boston in the year 1857 What you say eighteen fifty seven That is an odd slip He means nineteen fifty seven of course I beg pardon but there is no mistake It was about four in the afternoon of December the 26th one day after Christmas in the year 1857 not 1957 that I first breathed the east wind of Boston which I assure the reader was at that remote period marked by the same penetrating quality characterizing it in the present year of grace 2000 **Looking Backwards** Edward Bellamy,2017-05-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [Looking Backward:](#)

[Large Print](#) Edward Bellamy,2018-09-26 Looking Backward Large PrintBy Edward BellamyThe decades of the 1870s and the 1880s were marked by economic and social turmoil including the Long Depression of 1873 1879 a series of recessions during the 1880s the rise of organized labor and strikes and the 1886 Haymarket affair and its controversial aftermath 7 Moreover American capitalism s tendency towards concentration into ever larger and less competitive forms monopolies oligopolies and trusts began to make itself evident while emigration from Europe expanded the labor pool and caused wages to stagnate 7 The time was ripe for new ideas about economic development which might ameliorate the current social disorder
