The Christian treasury (and missionary review)., 1864 *The Look* Michelle Obama, 2025-11-04 Beautifully illustrated with more than 200 photographs including never before seen images The

Look is a stunning journey through Michelle Obama's style evolution in her own words for the first time. In this celebration of style from the moment she entered the public eye during her husband's U.S. Senate campaign through her time as the first Black First Lady and today as one of this country's most influential figures, Michelle Obama shares how she uses the beauty and intrigue of fashion to draw attention to her message. Featuring the voices of Meredith Koop, Obama's trusted stylist as well as her makeup artist Carl Ray, hairstylists Yene Damtew, Johnny Wright, and Njeri Radway, and many of the designers who have dressed Obama for notable events, *The Look* brings readers behind the scenes not only to reveal how her most memorable looks came together but also to tell a powerful story about how we present ourselves. Obama's intimate and candid stories illuminate how her approach to dressing has evolved throughout her life, from the colorful sheath dresses, cardigans, and brooches she wore during her time as First Lady to the bold suits, denim, and braids of her post-White House life, and all the active looks and beautiful gowns in between. In *The Look*, Michelle Obama explores the joy and the purpose of fashion and beauty and how, when wielded with grace and care, they can uplift and affirm the values one holds most dear. Confidence, she concludes, cannot be put on. But when you're wearing something that's intentional or beloved, clothing can make you feel like the best version of yourself.

Tourists Lisa Goldstein, 2014-10-21 In a city whose streets are nameless, a scholar searches for an ancient sword. The manuscript is more than one thousand years old. Written in a forgotten tongue of the Near East, it gives directions to a place across the desert where the mythic Jewel King hid his famous sword. When Dr. Mitchell Parmenter discovers the sheaf of faded pages, he knows that if it is authentic, it is one of the greatest anthropological finds of the century. For the sake of his research, he uproots his family and moves them to Amaz, an ancient land whose mysteries are as endless as the desert itself. An earthquake struck Amaz some years back, and the city's nameless streets still seem to move in the night. As Parmenter delves into the story of this fabulous relic, his family uncovers other mysteries, exploring Amaz in search of answers to questions no traveler was meant to ask.
