James MacDonald, 2016-10-03 Drawing from the experience of the Israelites who grumbled through the wilderness MacDonald shows how bad attitudes rob us of joy Coveting complaining and being critical are not what our hearts were made for They were made for thankfulness contentment and love Is your heart straining under the weight of a bad attitude

[Back Before It's Too Late](#) Gary Smalley, Greg Smalley, 2004-09-14 Full of practical advice and realistic encouragement *Winning Your Husband Back* can help heal a marriage And whether the marriage is healed or not the ideas will also draw readers nearer to God *I Really Want to Change...So, Help Me God* James MacDonald, 2000-01-19 I REALLY want to change Do you Are you truly serious about allowing the power of God to transform your life If you are then prepare yourself for an incredible life changing experience Change is difficult but it s made even harder without practical guidance on how to do it You will find that guidance in *I Really Want to Change So Help Me God* James MacDonald is serious about the business

of change according to God's Word While many tell us that we should change and be more like Christ MacDonald actually teaches us how to do it *I Really Want to Change So Help Me* God is split into three sections as the model for approaching change The Preparation for Change choosing the right method and partnering with God to select the areas in need of change in your life The Process of Change exploring the biblical method of saying no to sinful patterns and yes to the things God desires for you The Power to Change explaining how to experience the power of God personally and continuously This is a book about a different you There are no warm fuzzies within these pages Rather MacDonald is a direct to the point pastor with a heart for seeing lives completely transformed by the truth of the Gospel If you're serious about changing your life *I Really Want to Change So Help Me* God is just what you need When Life is Hard James MacDonald, 2010-01-01 When life is hard really hard we often spend all our time pleading begging yelling refusing and questioning While none of these things are necessarily unusual they are missing the ultimate point When life is hard when things get ugly when all hope seems to be lost that is when we are able to display the superiority of the life lived in God It is in those moments of despair when we question what is happening when we don't know what to do when some trials never seem to end that we can lean most heavily on God's promises and truths Working his way through five questions we've all had run through our heads trusted pastor James MacDonald helps us understand what we should do now We begin the journey by looking at different types of trials figuring out exactly what we're dealing with and recognizing that God certainly knows Second the obvious question Why God sees us going through trials and we long for two things for them to be over and to know why they happened in the first place Next we need to know what to do with these trials when they come and they will most certainly come Fourth we have all wondered it can trials be refused Are God's purposes really being fulfilled in the midst of this trying time And lastly God reveals Himself to us through these trials and sometimes they just don't ever end Why doesn't this trial go away God told us to expect trials don't be surprised when they come Grow when they come Find hope when they come **Why Can't I**
