Lord Chaitanya, a Biographical Critique Bimanbehari Majumdar, 1997      **An Earthly Paradise** Raziuddin

Aquil, Tilottama Mukherjee, 2020-02-25 This collection of articles on varied facets of early modern Bengal showcases cutting edge work in the field and hopes to encourage new research The essays explore the trading networks religious traditions artistic and literary patronage and politico cultural practices that emerged in roughly sixteenth eighteenth centuries Using a wide array of sources the contributors to this volume coming from diverse academic affiliations and including many young researchers have attempted to address various historiographical black holes bringing in new material and interpretations Early modern Bengal s history tends to get overshadowed by the later developments of the nineteenth century What this assortment of articles highlights is that this period needs to be studied afresh and in depth The region underwent rapid transformations as it got politically integrated with Northern India and its empires and economically with extensive global economic networks Combined with its unique geography the trajectory of this region in all spheres manifest an almost constant interplay of local and extra local forces be it in literature art economic domain political and religious cultures and considerable enterprise and ingenuity Thus a variety of themes including travel accounts Portuguese and Arakanese presence early Dutch French Ostend companies forays into the region artistic production in the Nizamat and later collections of art and missionaries the English company state s intrusions in local economy in salt and raw silk production and indigenous reactions and rebellions consumption practices related to religious activities circulation and translation of texts representation of women in vernacular writings and organization of religious traditions have been analysed in this volume with a wide ranging introduction tying up the themes to the broader historiographical issues and contexts The collection will be an invaluable reference tool for students and scholars of history especially of early modern India Please note This title is co published with Manohar Publishers New Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka      Hindu Theology in Early Modern South Asia Kiyokazu Okita, 2014 Focusing on the idea of genealogical affiliation sampradaya Kiyokazu Okita explores the interactions between the royal power and the priestly authority in eighteenth century north India He examines how the religious policies of Jaisingh II 1688 1743 of Jaipur influenced the self representation of Gaudiya Vaisnavism as articulated by Baladeva Vidyabhusana ca 1700 1793 Gaudiya Vaisnavism centred around God Krsna was inaugurated by Caitanya 1486 1533 and quickly became one of the most influential Hindu devotional movements in early modern South Asia In the increasingly volatile late Mughal period Jaisingh II tried to establish the legitimacy of his kingship by resorting to a moral discourse As part of this discourse he demanded that religious traditions in his kingdom conform to what he conceived of as Brahmanically normative In this context the Gaudiya school was forced to deal with their lack of clear genealogical affiliation lack of an independent commentary on the Brahmasutras and their worship of Goddess Radha and Krsna who according to the Gaudiyas were not married Based on a

study of Baladeva's Brahmasutra commentary Kiyokazu Okita analyses how the Gaudiyas responded to the king's demand

He authored more than fifty volumes of English translation and commentaries on Sanskrit and Bengali texts serving as a medium between these distant authorities and his modern Western readership and using his writings as blueprints for spiritual change and a revolution in consciousness. He had to speak the language of a people vastly disparate from the original recipients of his tradition's scriptures without compromising fidelity to the tradition. Tamal Krishna Goswami claims that the social scientific philosophical and insider forms of investigation previously applied have failed to explain the presence of a powerful interpretative device a mahavakya or great utterance that governs and pervades Prabhupada's living theology of devotion on bhakti. For Prabhupada the wide range of vedic subject matter is governed by the axiomatic truth Krishna is the Supreme Personality of Godhead. Goswami's academic training at the University of Cambridge his thirty years experience as a practitioner and teacher and his extensive interactions with Prabhupada as both personal secretary and managerial representative afforded him a unique opportunity to understand and illuminate the theological contribution of Prabhupada. In this work Goswami proves that the voice of the scholar practitioner can be intimately connected with his tradition while sustaining a mature critical stance relative to his subject. *A Living Theology of Krishna Bhakti* includes a critical introduction and conclusion by Graham M Schweig      **Arts & Humanities Citation Index**, 1995      *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004      Whitaker's Books in Print, 1998      **International Books in Print**, 1990      *National Union Catalog, 1981, 1982*      Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library.
