Making It Right A Common Sense Approach To Criminal Justice:

Making it Right Dennis A. Challeen,1986 The Psychology of Restorative Justice Dr Theo Gavrielides,2015-12-28 This collection takes the next step in the advancement of an autonomous inter disciplinary restorative justice field of study and articulates for the first time a psychological concept of restorative justice The book studies the power structures of the restorative justice movement and the psychology of the practitioners theoreticians and researchers who implement it as well as the psychology of the policy makers and politicians who fund it Furthermore it examines the strengths and weakness of our own societies and the communities that are called to participate as parties in restorative justice **The Little Book of**

Restorative Justice for Sexual Abuse Judah Oudshoorn,Lorraine Stutzman Amstutz,Michelle Jackett,2015-10-27

Restorative justice is gaining acceptance for addressing harm and crime Interventions have been developed for a wide range of wrongdoing This book considers the use of restorative justice in response to sexual abuse Rather than a blueprint or detailing a specific set of programs it is more about mapping possibilities It allows people to carefully consider its use in responding to violent crimes such as sexual abuse Criminal justice approaches tend to sideline and re traumatize victims and punish offenders to the detriment of accountability Alternatively restorative justice centers on healing for victims while holding offenders meaningfully accountable Criminal justice responses tend to individualize the problem and catch marginalized communities such as ethnic minorities within its net Restorative justice recognizes that sexual abuse is a form of gender based violence Community based practices are needed sometimes in conjunction with and sometimes to counteract traditional criminal justice responses This book describes impacts of sexual abuse and explanations for sexual offending demonstrating how restorative justice can create hope through trauma *Trauma-Informed Juvenile Justice in the United States* Judah Oudshoorn,2016-08-23 Most youth who come in conflict with the law have experienced some form of trauma yet many justice professionals are ill equipped to deal with the effects trauma has on youth and instead reinforce a system that further traumatizes young offenders while ignoring the needs of victims By taking a trauma informed perspective this text provides a much needed alternative one that allows for interventions based on principles of healing and restorative justice rather than on punishment and risk assessment In addition to providing a comprehensive historical overview of youth justice in Canada Judah Oudshoorn addresses the context of youth offending by examining both individual trauma including its emotional cognitive and behavioural effects and collective trauma The author tackles some of the most difficult problems facing youth justice today especially the ongoing cycles of intergenerational trauma caused by the colonization of Indigenous peoples and patriarchal violence and demonstrates how a trauma informed approach to youth justice can work toward preventing crime and healing offenders victims and communities Featuring a foreword written by Howard Zehr case stories from the author s own work with victims and offenders questions for reflection and annotated lists of recommended readings this engaging text is the perfect resource for college and university students in the field of youth justice Trauma-Informed

Youth Justice Judah Oudshoorn, 2015-12-01 Most youth who come in conflict with the law have experienced some form of trauma yet many justice professionals are ill equipped to deal with the effects trauma has on youth and instead reinforce a system that further traumatizes young offenders while ignoring the needs of victims By taking a trauma informed perspective this text provides a much needed alternative one that allows for interventions based on principles of healing and restorative justice rather than on punishment and risk assessment In addition to providing a comprehensive historical overview of youth justice in Canada Judah Oudshoorn addresses the context of youth offending by examining both individual trauma including its emotional cognitive and behavioural effects and collective trauma The author tackles some of the most difficult problems facing youth justice today especially the ongoing cycles of intergenerational trauma caused by the colonization of Indigenous peoples and patriarchal violence and demonstrates how a trauma informed approach to youth justice can work toward preventing crime and healing offenders victims and communities Featuring a foreword written by Howard Zehr case stories from the author's own work with victims and offenders questions for reflection and annotated lists of recommended readings this engaging text is the perfect resource for college and university students in the field of youth justice The Politics of

Hiding, Invisibility, and Silence Rhys Dafydd Jones, James Robinson, Jennifer Turner, 2016-03-17 What is absence What is presence How are these two phenomena related Is absence merely not being present This book examines these and other questions relating to the role of absence and presence in everyday politics Absence and presence are used as political tools in global events and everyday life to reinforce ideas about space society and belonging Between Absence and Presence contains six empirically focussed chapters introducing case study locations and contexts from around the world These studies examine how particular groups relationships with places and spaces are characterized by experiences that are neither wholly present nor wholly absent Each author demonstrates the variety of ways in which absence and presence are experienced through silence forgetting concealment distance and the virtual and constituted through visual aural and technological Such accounts also raise philosophical questions about representation and belonging what must remain absent and what is allowed to be present Who decides and how Whose voices are heard Recognizing the complexity of these questions Between Absence and Presence provides a significant contribution in reconciling theorizations of absence with everyday life This book was

published as a special issue of Space and Polity **Prison Shakespeare** Rob Pensalfini, 2016-01-26 This book explores the development of the global phenomenon of Prison Shakespeare from its emergence in the 1980s to the present day It provides a succinct history of the phenomenon and its spread before going on to explore one case study the Queensland Shakespeare Ensemble's Australia Shakespeare Prison Project in detail The book then analyses the phenomenon from a number of perspectives and evaluates a number of claims made about the outcomes of such programs particularly as they relate to offender health and behaviour Unlike previous works on the topic which are largely individual case studies this book focuses not only on Prison Shakespeare's impact on the prisoners who directly participate but also on prison culture and on broader

social attitudes towards both prisoners and Shakespeare *Bearing Witness* Sandra L Bloom, Michael Reichert, 2014-02-25

Bearing Witness Violence and Collective Responsibility offers a unique layperson's introduction to the scope and causes of violence and trauma theory and suggests ways we can all work to attack these causes. Upon completing this work you will have a better understanding of the social causes of the violence epidemic and concrete suggestions for its long term control. *Bearing Witness* addresses the cycle of violence by discussing some of the biological psychological social and moral issues that go into determining whether a person will end up as a victim perpetrator or bystander to violent events and what happens to us when we are in one or all three of these roles. The authors look at a number of intersecting factors that play interdependent roles in creating a culture that promotes supports and even encourages violence. Specifically you will gain invaluable insight into trauma theory and traumatogenic forces backdrops against which the chances of exposure to violence and the use of violence as a problemsolver are increased. Normal human development in the context of attachment theory and what occurs as a result of disrupted attachment bonds how rapid changes in modern society and the breakdown of the traditional family structure contribute to a level of social stress that promotes violence violence in the family in the workplace and in the schools all places to which people turn for security social responses to violence the ways in which certain responses decrease or increase the likelihood of violence the unhealthy balance of power between the genders and how violence or the threat of violence maintains this imbalance how our cultural standard of disavowing our normal emotional experience sets the stage for repeated and regular empathic failure which leads to violence. A framework for understanding the various aspects of the problem of violence. *Bearing Witness* delves into the various aspects of trauma what trauma does to the body the mind the emotions and relationships before beginning to formulate proposals for initiating processes that lead to problemsolving. Once this knowledge base has been established the authors give you the beginnings of an outline for reorganizing society with the aim of establishing a community that is responsive to the basic human need for safety and peace.

The ^AMetamorphosis of Criminal Justice Jacqueline S. Hodgson, 2020-03-16 Adopting a comparative approach The Metamorphosis of Criminal Justice looks at the ways that criminal justice trends in Britain and in France as well as those rooted in European human rights instruments have influenced the core roles of criminal justice actors and the everyday functioning of the criminal process in courts and police stations It analyzes adversarial and inquisitorial traditions their representation in contemporary criminal justice in Britain and in France and how the increased politicization of criminal justice has eroded fundamental rights in the name of efficiency and security

Qualitative Approaches to Criminal Justice Mark Pogrebin, 2003 The growth in popularity of qualitative research in the social sciences over the last two decades has been nothing short of amazing Qualitative Approaches to Criminal Justice Perspectives from the Field reveals some of the reasons for the success and stature of this unique methodological approach Exploring the real life experiences of criminal justice professionals this anthology is the first book to focus solely on the use of qualitative research in various components of the criminal justice system The collection is organized from two criminal justice perspectives one qualitatively oriented and the other system oriented including overviews of each qualitative method and commentaries that analyze the research techniques Case studies illustrating actual fieldwork practices bring theory vividly to life Qualitative Approaches to Criminal Justice Perspectives from the Field is multi faceted in both its content and application Through its investigative techniques which rely mainly on observations participant observation and open ended interviews qualitative research reveals parts of the social world that remain hidden to more traditional methodological techniques Recommended as a companion to an administration of criminal justice course as well as courses in qualitative research in criminal justice Also recommended as a supplemental text for any research methods course in a criminal justice degree program including sociology political science and legal studies

Changing Lenses Howard Zehr, 2015-06-01 Does the criminal justice system actually help victims and offenders What does justice look like for those who have been harmed For those who have done harm Twenty five years after it was first published Changing Lenses by Howard Zehr remains the classic text of the restorative justice field Now with valuable author updates on the changing landscape of restorative justice and a new section of resources for practitioners and teachers Changing Lenses offers a framework for understanding crime injury accountability and healing from a restorative perspective Uncovering widespread assumptions about crime the courts retributive justice and the legal process Changing Lenses offers provocative new paradigms and proven alternatives for public policy and judicial reform What s New in the

Twenty Fifth Anniversary Edition Author updates of terminology paradigms and recommended reading Foreword by restorative justice practitioner Sujatha Baliga New resources for teachers facilitators and practitioners **The Chicago Trunk Murder** Elizabeth Dale,2011-09-01 On November 14 1885 a cold autumn day in the City of Broad Shoulders an enthusiastic crowd of several hundred watched as three Sicilians Giovanni Azari Agostino Gelardi and Ignazio Silvestri were hanged in the courtyard of the Cook County Jail The three had only recently come to the city but not long after they were arrested tried and convicted for murdering Filippo Caruso stuffing his body into a trunk and shipping it to Pittsburgh Historian and legal expert Elizabeth Dale brings the Trunk Murder case vividly back to life painting an indelible portrait of nineteenth century Chicago ethnic life there and a murder trial gone seriously awry Along the way she reveals a Windy City teeming with street peddlers crooked cops earnest reformers and legal activists all of whom play a part in this gripping tale The Chicago Trunk Murder shows how the defendants in the case were arrested on dubious evidence and held some for weeks without access to lawyers or friends The accused finally confessed after being interrogated repeatedly by men who did not speak their language They were then tried before a judge who had his own view and ruled accordingly The Chicago Trunk Murder revisits these abject breaches of justice and uses them to consider much larger problems in late nineteenth century criminal law Written with a storyteller s flair for narrative and brimming with historical detail this book will be must reading for true crime buffs and aficionados of Chicago lore alike **Introduction to the Criminal Justice Process** Bryan Gibson,Paul Cavadino,2002 A complete overview and introduction to all aspects of the UK criminal justice system written by two leading experts and as used across the UK an ideal accessible and readable account and a longstanding flagship work for the Waterside Press introductory series of books on criminal justice and penal affairs *Integrated Offender Management and the Policing of Prolific Offenders* Frederick Cram,2023-05-30 This book analyses the impact of Integrated Offender Management IOM on contemporary policing and separates the rhetoric from the reality Drawing on a qualitative study within an English police force over two years this book examines the experiences of prolific offenders subject to IOM and sheds light on the culture and practice of the police and staff from other criminal justice agencies working within the scheme While IOM has been judged to have had initial successes in reducing the criminal activities of prolific offenders this book tests the validity of such claims and considers the apparent disjuncture between policy statements made about the workings of IOM and how IOM policing operations are realized on the ground It makes a unique contribution to research on police culture and practice and multi agency working in the criminal justice system An accessible and compelling read this book will appeal to policymakers as well as students and scholars of criminology sociology policing and politics **The Rise of Common-Sense Conservatism** Antti Lepistö,2021-04-20 In the years following the election of Donald Trump a victory that hinged on the votes of white Midwesterners who were both geographically and culturally distant from the media s coastal concentrations there has been a flurry of investigation into the politics of the so called common man The notion that the salt

of the earth purity implied by this appellation is best understood by conservative politicians is no recent development though As Antti Lepist shows in his timely and erudite book the intellectual wellsprings of conservative common sense discourse are both older and more transnational than has been thought In considering the luminaries of American neoconservative thought among them Irving Kristol Gertrude Himmelfarb James Q Wilson and Francis Fukuyama Lepist argues that the centrality of their conception of the common man accounts for the enduring power and influence of their thought Intriguingly Lepist locates the roots of this conception in the eighteenth century Scottish Enlightenment revealing how leading neoconservatives weaponized the ideas of Adam Smith Thomas Reid and David Hume to denounce postwar liberal elites educational authorities and social reformers Their reconfiguration of Scottish Enlightenment ideas ultimately gave rise to a defining force in modern conservative politics the common sense of the common man Whether twenty first century politicians who invoke the grievances of the people are conscious of this unusual lineage or not Lepist explains both the persistence of the trope and the complicity of some conservative thinkers with the Trump regime

Prosecuting Human Rights Offences Krešimir Kamber, 2017-01-09 In *Prosecuting Human Rights Offences Rethinking the Sword Function of Human Rights Law* the author explores and explains the extent to which the features of the procedural obligation to investigate prosecute and punish criminal attacks on human rights determine the contemporary understanding of the function of criminal prosecution The author provides an innovative and thought provoking account of the highly topical and largely unexplored topic of the sword function of human rights law The book contains the first comprehensive and holistic analysis of the procedural obligation to investigate and prosecute human rights offences in the law of the European Convention on Human Rights which the author puts in the general perspectives of human rights law and criminal procedure

The Policy-making Process in the Criminal Justice System Adrian Barton, Nick Johns, 2013 This book offers a fresh perspective on the policy making process in the criminal justice system offering a detailed overview of both the theory behind it and how it plays out in practice with contemporary policy examples
