

## A Practical Guide

# Managing Small Cities And Counties A Practical Guide Municipal Management Series

**H. George Frederickson, Gary Alan  
Johnson, Curtis H. Wood**

## **Managing Small Cities And Counties A Practical Guide Municipal Management Series:**

Managing Small Cities and Counties James M. Banovetz, Drew Anderson Dolan, John W. Swain, 1994      The Effective Local Government Manager, 3rd Edition N. Joseph Cayer, Raymond W. Cox III, Charldean Newell, 2014-04-15 The Effective Local Government Manager 3rd Edition reflects the rich history and modern reinvention of a profession that sprang up at the beginning of the twentieth century What does it mean to be a local government manager in today's world What can a manager accomplish What internal as well as external resources must the manager harness What motivates the manager's employers colleagues and employees For the student contemplating a career as a manager in public service The Effective Local Government Manager is almost obligatory reading Many instructors have built introductory courses on local government management around The Effective Local Government Manager For the young assistant in a city or county or for the mid career manager assessing new challenges The Effective Local Government Manager offers insights on your role and how you can best serve your community It explores the manager's many roles and responsibilities interacting with the community the governing body local government employees and other governments It offers the most up to date theory and practice of local government as well as tools of management This book is used as a text in ICMA University's Emerging Leaders Development Program      **Managing America's Cities** Roger L. Kemp, 2014-01-10 This work describes the operations of a typical municipal government and examines the many productivity trends that are occurring in city halls across America Much of the focus is on the increasing need for planning in city government to ensure that productivity goals are met It thoroughly examines the roles of the council manager and clerk in promoting increased productivity It then looks at such municipal departments as legal finance fire human services library police and public works demonstrating proven techniques and structures in each that improve service Instructors considering this book for use in a course may request an examination copy here      **Small Cities and Counties** James M. Banovetz, 1984      **Managing America's Small Communities** David H. Folz, Edward P. French, 2005-08-25 Managing America's Small Communities charts several key aspects of the largely unexamined world of small city management This book describes the demographic trends structural features executive behavior and service quality among small communities Are small cities growing declining or have they remained untouched by the force of change To what extent have the structural changes and reforms that have swept through larger cities touched small communities What are the characteristics and behaviors of small city chief executives and how involved are different executives in the dimensions of the governmental process How do chief executives in small cities make decisions about local services and programs Are there differences in the extent to which appointed managers and elected mayors are responsive to community interests The book also examines the frequency with which small communities provide various services the quality of services provided and how small city officials can diagnose problems with service quality and performance The book's theme is the value added to small communities that evidence professionalism in city administration

The benefits that accrue to having a professional city manager are most apparent in the extent to which city managers are engaged in decisions related to each of the dimensions of the governmental process the level of service quality provided and the prospects for measuring service performance

*Managing Urban America* Robert E. England, John P. Pelissero, David R. Morgan, 2016-05-06 *Managing Urban America* guides students through the challenges politics and practice of urban management including managing conflict through politics adapting to demographic and social changes balancing budgets and delivering a myriad of goods and services to citizens in an efficient equitable and responsive manner The Eighth Edition has been thoroughly updated to include a discussion of the difficulties cities confront as they deal with the lingering economic challenges of the 2008 recession the concept of e government and how it affects the theory and practice of management and the implications of environmental issues for urban government management

**Managing Local Government Services** Carl W. Stenberg, Susan Lipman Austin, 2007 *Managing Local Government Services* 3rd ed is a comprehensive text on the subject of local government services relevant to local governments of all sizes This edition is refocused and updated to include the demographic economic technology and cultural trends that affect the management of service delivery New chapters discuss the shift from government to governance alternative methods of service delivery community development and the five management practices that are fast becoming the standard for professional local government management Each chapter lays out the manager s responsibilities in each service area and provides effective policies practices and procedures Short case examples give you a practical look at the goals challenges and solutions in the manager s world
