Handbook of Research on Changing Dynamics in Responsible and Sustainable Business in the Post-COVID-19 Era Popescu, Cristina Raluca Gh., 2022-01-07 The COVID 19 pandemic has shocked every part of society The

rise of businesses to the important task of improving sustainability and responsibility has been interrupted by the stress of the pandemic. In its wake, organizational leaders must reassess the best strategies considering the changes made by the new normal. The Handbook of Research on Changing Dynamics in Responsible and Sustainable Business in the Post COVID 19 Era provides valuable insight of the significant changes caused by the COVID 19 pandemic in terms of defining, characterizing, presenting, and understanding the meaning, challenges, and implications of responsible and sustainable business. Covering topics such as consumerism, supply chain management, and sustainable organizational performance, this major reference work is an excellent resource for academicians, scientists, researchers, students, business specialists, business leaders, consultants, government institutions, and policymakers. *Handbook of Research on Building Inclusive Global Knowledge Societies for Sustainable Development* Popescu, Cristina Raluca Gh., 2022-06-17. Knowledge and information have significant impacts on individuals' daily lives and activities, especially when referring to the new economy and the global knowledge societies. However, the COVID 19 pandemic has caused massive disruptions in the creation of the vital inclusive global information society. Due to this change, further study on the current difficulties and best practices of creating global knowledge societies is required in order to ensure communities can continue to advance and information is shared appropriately. The Handbook of Research on Building Inclusive Global Knowledge Societies for Sustainable Development aims at providing an updated view of the newest trends, novel practices, and latest tendencies concerning building inclusive global knowledge societies for sustainable development while focusing on the benefits and the opportunities derived from the new economy and the global knowledge societies. Covering topics such as smart cities, food security, and climate change, this major reference work is ideal for policymakers, government officials, business owners, managers, academicians, scholars, researchers, practitioners, instructors, and students. *Entrepreneurship Ecosystems and Their Opportunities and Challenges* Abdelli, Mohammed El Amine, Ul-Durar, Shajara, Wasef Hattab, Hala, 2023-09-18. Entrepreneurs are exceptionally gifted individuals capable of spotting projects, marshaling resources, inventing ideas, taking risks, and forming businesses. Prospective entrepreneurs must be inspired and motivated to pursue self-employment businesses in today's volatile business environment and highly sophisticated information technologies. However, governments have been attempting to promote entrepreneurship by assisting the growth of small and medium-sized enterprises (SMEs). SMEs' primary challenges are lack of working capital and marketing challenges. Entrepreneurship is a combination of difficult-to-teach skills, attitudes, and knowledge that can be developed. *Entrepreneurship Ecosystems and Their Opportunities and Challenges* explores and examines the importance of these factors in establishing a virtuous cycle of long-term sustainability in countries worldwide. The book promotes global communities to acquire an entrepreneurial mindset. Covering topics such as crowdfunding, experiences, financial solutions, and social enterprises, this premier reference source is an excellent resource for entrepreneurs, business leaders, government officials, students, and educators of higher education, researchers, and academicians. *Respiratory Care: Principles and*
