

1. Introduction

In the knowledge-based economy, non-financial factors are elements which create value, complementary to the financial and tangible capital. Today it is widely accepted by investors and managers that multinationals incorporate inimitable and non-substitutable resources with significant implications on the development of competitive advantages.

Both the role of multinational corporations in developing and effectively managing non-financial factors but also the lack of information released to the investors on these resources imposed the application of a European legislation on non-financial reporting.

2. Review of prior literature

In the knowledge-based economy, the company's market value is calculated by the following algorithm:
$$\text{Market value (MV)} = \text{Book value (BV)} + \text{nonfinancial factors (IC)},$$
where MV represents the total value of the issued shares of the company, being equal to the share price times the number of shares outstanding, BV is the excess of all assets and debts of an entity on all their debts and IC - assembly of non-financial factors impacting enterprise results.

The classification of non-financial factors was developed by Stewart (1997) and presents the following structure: (a) human capital represents all the knowledge and competencies of the employees; (b) structural capital represents all policies and procedures that support human capital to create economic value and financial

Tulder, Sarianna Lundan**

Managing Multinationals In A Knowledge Economy Economics Culture And Human Resources:

Managing Multinationals in a Knowledge Economy Joseph L.C. Cheng, Michael A. Hitt, 2003-12-16 Examines the topic of managing multinationals in a knowledge economy This book concludes that despite all the technological advances in cross border communication and coordination social capital and human resources are the most critical factors possessed by multinationals

Managing Multinationals in a Knowledge Economy Joseph L.C. Cheng, Michael A. Hitt, 2003-12-16 Examines the topic of managing multinationals in a knowledge economy This book concludes that despite all the technological advances in cross border communication and coordination social capital and human resources are the most critical factors possessed by multinationals

Multinational Enterprises and the Global Economy John H. Dunning, Sarianna M. Lundan, 2008-01-01 For many years to come this volume is surely going to be the ultimate reference work on international business thanks to Dunning and Lundan have at their disposal a wealth of relevant data as well as theoretical and empirical analyses which will enable them to assess the capabilities contributions and challenges posed by the multinational enterprises to the global economy Seev Hirsch International Business Review Multinational Enterprises and the Global Economy has become a classic in international business Yet the book s second edition is even better than the first in part because of Professor Dunning s wise decision to choose Dr Lundan as his co author and to draw upon her deep knowledge of various strands of research on business government relations and the societal effects of firm behaviour In addition to being a remarkably useful reference book Multinational Enterprises and the Global Economy is the first book any IB doctoral student should read to understand the significance and richness of IB scholarship as it has developed over the past 50 years Alain Verbeke Journal of International Business Studies The second edition of Multinational Enterprises and the Global Economy provides unparalleled coverage not only of the literature relevant to IB research but also of the evolution of IB in the world economy Dunning and Lundan offer powerful insights into the societal effects of MNEs and the role of business government relations in the IB context Journal of International Business Studies This wonderful book offers the definitive synthesis of the modern literature on the economic aspects of international business It is encyclopedic yet full of incisive insights It is a creative masterpiece which unbundles the DNA of the multinational enterprise and shows how it is the cornerstone of the field of international business Alan M Rugman University of Reading UK The rise of the multinational enterprise and the consequent globalisation of the world economy was arguably the single most important phenomenon of the second half of the twentieth century This magisterial book written by two leading authorities examines this phenomenon in depth It explains how foreign investment by multinationals diffused advanced technologies and novel management methods driving productivity growth in Europe Asia and North America however economic inequalities were reinforced as rich countries attracted more foreign investment than poor ones This new edition of a classic work is not only an authoritative guide to contemporary multinational business but a major historical resource for the future Mark Casson

University of Reading UK This thoroughly updated and revised edition of a widely acclaimed classic text will be required reading for academics policymakers and advanced students of international business worldwide Employing a distinctive and unified framework this book draws together research across a range of academic fields to offer a synthesis of the determinants of MNE activity and its effects on the economic and social well being of developed and developing countries Unique to the new edition is its focus on the institutional underpinnings of the resources and capabilities of MNEs and the role of MNE activity in transmitting and facilitating institutional change Since the initial publication of this book more than a decade ago the economic managerial and social implications of globalisation and technological advancement have become even more varied and prominent Accompanying these developments there has been a rise in scholarly interest in interdisciplinary research addressing the important challenges of an ever changing physical and human environment Drawing on articles and books from international business and economics as well as economic geography political economy and strategic management a systematic overview of the developments in scholarly thinking is presented

The Oxford Handbook of Organizational Climate and Culture Karen M. Barbera, 2014-05-07 The Oxford Handbook of Organizational Climate and Culture presents the breadth of topics from Industrial and Organizational Psychology and Organizational Behavior through the lenses of organizational climate and culture The Handbook reveals in great detail how in both research and practice climate and culture reciprocally influence each other The details reveal the many practices that organizations use to acquire develop manage motivate lead and treat employees both at home and in the multinational settings that characterize contemporary organizations Chapter authors are both expert in their fields of research and also represent current climate and culture practice in five national and international companies 3M McDonald s the Mayo Clinic PepsiCo and Tata In addition new approaches to the collection and analysis of climate and culture data are presented as well as new thinking about organizational change from an integrated climate and culture paradigm No other compendium integrates climate and culture thinking like this Handbook does and no other compendium presents both an up to date review of the theory and research on the many facets of climate and culture as well as contemporary practice The Handbook takes a climate and culture vantage point on micro approaches to human issues at work recruitment and hiring training and performance management motivation and fairness as well as organizational processes teams leadership careers communication and it also explicates the fact that these are lodged within firms that function in larger national and international contexts

Regional and Global Multinationals Christoph Czychon, 2021-06-29 Based on their ability to facilitate interdependencies across the borders of national and regional markets multinationals enterprises MNEs act as the key drivers of world trade and investment activities While recent global challenges additionally highlight the need to explain and assess the status and progress of internationality regionality previous research renders the concept of firm level globalization as a special but not the general case Christoph Czychon dedicates specific attention to the research on regional

and global MNEs based on an extensive and rigorous review of the existing academic literature as well as the analysis of 2005-2015 empirical data from the European context with a focus on CAC40 and DAX30 listed firms. In doing so, the author offers insights and results that stand in contrast to the original narrative of the debate and presents a comprehensive and updated perspective on regional and global MNEs.

The Oxford Handbook of Human Resource Management Peter F. Boxall, John Purcell, Patrick M. Wright, 2007. Publisher description: The Handbook of Scholarly Writing and Publishing Tonette S. Rocco, Timothy Gary Hatcher, 2011-02-09. Focusing on writing for publication, *The Handbook of Scholarly Writing and Publishing* discusses the components of a manuscript, types of manuscripts, and the submission process. It shows how to craft scholarly papers and other writing suitable for submission to academic journals. The handbook covers how to develop writing skills by offering guidance on becoming an excellent manuscript reviewer and outlining what makes a good review, and includes advice on follow-through with editors' rejection and rewrites and re-submittals.

Meeting the Challenge of Human Resource Management Vernon D. Miller, Michael E. Gordon, 2014-07-11. While communicating is a vital skill for managers at all organizational levels and in all functional areas, human resource managers are expected to be especially adept communicators given the important interpersonal component of their roles. Practitioners and scholars alike stand to benefit from incorporating an updated and more nuanced view of communication theory and practice into standard human resource management practices. This book compiles readings by thought leaders in human resource management and communication, exploring the intersection of interests, theories, and perspectives from the two fields to highlight new opportunities for research and practice. In addition to covering the foundations of strategic human resource management, the book offers a critical review of the research literature on topics including recruitment, selection, performance management, compensation, and development, using a communication perspective to analyze the impact of corporate strategy on human resource systems. It investigates the key human resource management topic of the relationship between a company's human capital and its effectiveness, directly discusses the implications of communication literature for human resource management practice. Written at the cross-section of two established and critically linked fields, this book is a must-have for graduate human resource management and organizational communication students, as well as for high-level human resource management practitioners.

Multinational Enterprises, Markets and Institutional Diversity Alain Verbeke, Rob van Tulder, Sarianna Lundan, 2014-10-29. This research volume, in honour of the late Daniel Van Den Bulcke, one of the founding fathers of the European Business Academy (EIBA) and a core institution builder of the Academy of International Business (AIB), focuses on conceptual innovations in assessing the impact of institutions on multinational enterprise (MNE) strategies.

The Routledge Companion to International Entrepreneurship Stephanie A. Fernhaber, Shameen Prashantham, 2014-12-05. The domain of international entrepreneurship has continued to gain momentum in an era that sees entrepreneurship and globalization as critical issues in the world of business. Given the flourish of new research in this area, there is a need to

provide an up to date perspective on the field and its future This volume draws together a team of experts purposely selected from both the entrepreneurship and international business fields to present a comprehensive resource on the cutting edge conversations within international entrepreneurship This prestigious reference book will offer students and researchers an introduction to leading scholarship in international entrepreneurship and also serve as a catapult for future research

Handbook of Research on International Strategic Management Alain Verbeke,Hemant Merchant,2012-01-01

Verbeke and Merchant have assembled a remarkable collection of brand new essays by the who s who of international business It will become a standard reference for both junior and senior scholars working in this increasingly important area _ Ravi Ramamurti Northeastern University US Leading thinkers about the multinational enterprise offer both concise syntheses and critical reflections of the state of the art on international strategic management research They in particular highlight the potential of internalization theory as a central paradigm for the field and critically examine pertinent issues such as the complex notion of distance in international business Refreshingly they do not shy away from naming flaws in recent work while offering avenues to improve the quality and impact of future research _ Klaus Meyer University of Bath UK The Handbook provides an impressive state of the art overview of the international strategic management field as an area of scholarly inquiry The great strength of the work is the thoughtfulness of the messages conveyed by the expert team of authors The implications for future international strategy research and for international management practice are profound and will influence the next generation of scholars in international strategy as well as senior level managers Corporate executives will continue to operate in a world that is far from flat and will use this volume as a reliable compass in the form of powerful conceptual frameworks to navigate uncharted territory in the global economy The Handbook presents a collection of 24 original research papers that should serve international strategy scholars and reflective MNE managers alike

Philosophy of Science and Meta-Knowledge in International Business and Management Timothy M.

Devinney,Torben Pedersen,Laszlo Tihanyi,2013-06-25 This volume explores major issues and concepts in the field of international business and management and asks the question What is it that we know It examines key topics such as multinational enterprise and strategic management theory post merger integration internalizing firms and the strategy performance relationship

Handbook of Research in International Human Resource Management Günter K.

Stahl,Ingmar Björkman,2006 In providing an insightful overview of a wide range of global human resource issues facing MNCs this pathbreaking Handbook highlights emergent topics and new research findings that could shape the field of future IHRM research Theoretical discussion of the variables and processes that affect IHRM policies and practices is provided by renowned contributors with widely differing academic backgrounds paradigmatic orientations and theoretical and methodological approaches

Handbook of Research Methods on Human Resource Development Mark N.K.

Saunders,Paul Tosey,2015-07-31 As Human Resource Development HRD research has developed a growing variety of

quantitative and qualitative data collection procedures and analysis techniques have been adopted research designs now include mono multiple and mixed methods This Hand **An Analysis of Pankaj Ghemawat's Distance Still Matters** Alessandro Giudici, Marianna Rolbina, 2018-05-20 Distance Still Matters is an influential Harvard Business Review article In this work Ghemawat proposes the CAGE distance framework that allows firms to consider four dimensions of international distance cultural administrative geographic and economic when planning global expansion Then he demonstrates the usefulness of the framework with a practical case of a company that identified a better market for expansion by factoring in the effects of distance Distance Still Matters is considered a seminal work in international business literature and a major contribution to the globalization debate that appears on the core reading list of most international business courses

Institutional Theory in International Business Laszlo Tihanyi, Timothy Devinney, Torben Pedersen, 2012-06-04 Part of Advances in International Management series this title presents contemporary research by leading and emerging scholars working on institutional theory It also presents theoretical frameworks of institutions and proposes interesting ideas that provide the foundation for doctoral dissertations and research projects Managing Subsidiary Dynamics Joseph L.C. Cheng, Elizabeth Maitland, Stephen Nicholas, 2009-07-03 Presents a multi disciplinary approach to researching subsidiary dynamics and its effective management with a focus on the role of the headquarters within the context of subsidiaries as members of a differentiated interdependent network and the development of subsidiary capabilities and their impact on firm performance The Future of Foreign Direct Investment and the Multinational Enterprise Ravi Ramamurti, Niron Hashai, 2011-04-27 This Festschrift in honour of Professor Yair Aharoni a pioneer in the field of international business looks at several of these new trends in FDI what they will mean for firms and governments and the opportunities created by these developments to enrich or extend extant theory *Mergers and Acquisitions as the Pillar of Foreign Direct Investment* A. Bitzenis, V. A. Vlachos, P. Papadimitriou, 2012-07-26 This comprehensive volume tackles all aspects of Mergers and Acquisitions activity including regional concentration of M As at a global level the impact of the economic crisis and theoretical concepts and practical applications *Intercultural Collaboration* Toru Ishida, Susan R. Fussell, Piek T. J. M. Vossen, 2007-08-13 This book presents 29 revised invited and selected lectures given by top researchers at the First International Workshop on Intercultural Collaboration IWIC 2007 held in Kyoto Japan This state of the art survey increases mutual understanding in our multicultural world by featuring collaboration support social psychological analyses of intercultural interaction and case studies from field workers

Managing Multinationals In A Knowledge Economy Economics Culture And Human Resources Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore

some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Managing Multinationals In A Knowledge Economy Economics Culture And Human Resources free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Managing Multinationals In A Knowledge Economy Economics Culture And Human Resources free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Managing Multinationals In A Knowledge Economy Economics Culture And Human Resources free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Managing Multinationals In A Knowledge Economy Economics Culture And Human Resources. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Managing Multinationals In A Knowledge Economy Economics Culture And Human Resources any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Managing Multinationals In A Knowledge Economy Economics Culture And Human Resources Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Managing Multinationals In A Knowledge Economy Economics Culture And Human Resources is one of the best book in our library for free trial. We provide copy of Managing Multinationals In A Knowledge Economy Economics Culture And Human Resources in digital format, so the resources that you find are reliable.
