Managing Your Institutions Effectiveness A User Guide:

Managing Your Institution's Effectiveness Midlands Technical Coll., Columbia, SC., Midlands Technical College, 1997
Designed to help community colleges establish institutional effectiveness programs this workbook provides step by step instructions and sample forms from an effectiveness program developed by South Carolina's Midlands Technical College
MTC Introductory sections provide an overview of institutional effectiveness and the reasons for implementing a program
The first chapter focuses on the first step of the process developing a strategic planning process and describes elements of a typical strategic plan reviews MTC's approach and presents the questionnaire and results from a survey the college conducted of community leaders
The next chapter addresses the second step developing foundation statements related to institutional mission and goals and provides statements of vision and values role and scope institutional goals and priority initiatives developed by MTC
The third chapter addresses the third step the development of an operational planning process to translate priorities into action plans and presents a sample form for implementing action strategies and MTC's 1995-96 planning activities calendar
The fourth step developing an evaluation system is then described highlighting the critical success factors and indicators of effectiveness developed by the college and presenting sample forms used in evaluation
The final chapter addresses the fifth step using data to improve effectiveness presenting an annual report card used by MTC to determine improvements in teaching and learning and a sample report on strategic planning outcomes
