Manchester United A Thematic Study:

Manchester United David L. Andrews, 2004-08-02 Despite myriad popular and journalistic expositions up to this point there have been virtually no academic discussions of the Manchester United phenomenon This anthology represents the first concerted academic examination of Manchester United F C in its current guise as a widely followed and highly emblematic sporting institution Bringing together respected academics from an array of disciplinary backgrounds these essays each interrogate various related dimensions of the Manchester United world The primary aim of this collection is to illustrate how the structure and experience of Manchester United is implicated in broader societal shifts within which the boundary between cultural and commercial concerns have become increasingly indivisible The chapters are presented within five thematic sections 1 Becoming United 2 Economy United 3 Embodied United 4 Local United 5 Global United *The Global Football League* P. Millward, 2011-10-12 This book tackles issues of globalization in the English Premier League and unpicks what this means to fan groups around the world drawing upon a range of sociological theories to tell the story of the local and global repertoires of action emanating from the popular protests at Liverpool and Manchester United football clubs
