Mandaeans—Baptizers of Iraq and Iran Karen Baker,2017-09-28 The secrets of a complex belief system that have
sustained the Mandaeans in their centuries old native lands in Iraq and Iran have been collapsing before their eyes This little
known Gnostic sect has been hidden from global awareness until now With a passion for the obscure Karen Baker has delved
into this secret sect exploring the effects of the turmoil they have faced in their homeland and are now facing in Diaspora The
Iraqi and Iranian Mandaeans have fled their homes with nothing more than the clothing on their backs being thrust into the
status of refugees watching their traditions and cultures crumble as they encounter new lands and new cultures This book
discusses the potential receptivity of Mandaeans to Christianity through several perspectives including an evaluation of their
relationship to the Gnosticism of the first through third centuries CE as well as its syncretic adaptations to Judaism
Christianity and Islam It will be of interest to those interested in little known cultures from a historical and religious
perspective those involved with refugees and immigrants and those who desire to understand the foundational beliefs of
Mandaeism
