Federal 9/11 Assistance to New York United States. Congress. House. Committee on Homeland Security. Subcommittee on Management, Integration, and Oversight, 2007 **Police Misconduct** United States. Congress. House. Committee on the Judiciary. Subcommittee on Criminal Justice, 1984 Public Roads, 1962 *New York Magazine*, 1985-06-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Paramedic: M.O.S.* C.B. Garris, 2015-04-08 While a profound and much deserved amount of attention has always been directed toward the firefighters and police officers who were affected by the events of September 11 2001 seldom has there been any attention provided to the often unrecognized rescuer who bears the title of Emergency Medical Technician or Paramedic who suffered equal consequences These very special people have routinely been referred to simply as emergency workers or ambulance drivers rather than by the title they continuously demonstrate by the nature of their very trying profession PARAMEDIC M O S pulled from the author's EMS experiences was assembled to provide deeper insight into the mind of one such New York City Emergency Medical Technician Paramedic and is dedicated to all emergency service workers and first responders Inspired by true events pre September 11th a Paramedic of NYC EMS finds his world suddenly turned upside down by a series of in the line of duty events In an effort to understand what brought him there he begins reconnecting the events in his work and personal life that created this unforeseen scenario Facing daily crises and how they apply to how he entered this line of work readers are also shown the closeness that is felt and experienced working in such close proximity to those who face death and destruction together as a team daily Comforted and kept together by his female mate readers are taken through the sometimes playing field and often minefield of Emergency Medical Services in New York City and what it means to be a Member of the Service PARAMEDIC M O S is a profound and deeply personal look into the experiences on the front lines of Emergency Medical Services in New York City EMTs and paramedics not only experience the highs and lows of constant exposure to psychologically traumatic events but in addition to the constant intensity of patients revived or lost due to these events Furthermore EMTs and Paramedics are also forced to deal with coworkers who are sometimes ineffective self serving uncaring as well as bureaucratic red tape politics and often personal tragedy within their own fraternal public safety family These incidents rarely if ever get reported in the general media This book was created to share the human condition of EMTs and Paramedics their camaraderie bravery and skill Although September 11 2001 claimed at least eight precious lives of these specialized rescuers not even this was enough to direct attention toward the New York City Emergency Medical Technicians and Paramedics who lose their lives daily or are permanently scarred in the line of duty The title of hero for

those that have died and those that are out there every day risking their lives to save others existed long before September 11th changed calendar days This book is an offering to share that view **Rogue Prosecutors** Zack Smith, Charles D. Stimson, 2023-06-27 **Rogue Prosecutors** explains the origins beliefs playbook funding and real life consequences of the progressive prosecutor movement a group of newly elected prosecutors their allies and backers that refuse to prosecute crimes hold criminals accountable and seek justice for victims Told through true crime stories from eight different cities the authors explore how a radical movement funded and conceived by George Soros and ostensibly designed to reverse engineer the criminal justice system as we know it has succeeded in replacing law and order prosecutors with pro criminal anti victim zealots Weaving together extensive interviews with victims law enforcement officers lawyers and judges **Rogue Prosecutors** offers a searing portrait of the devastation caused by the policies of these hand picked activists how their hands off approach to prosecution has encouraged lawlessness and eviscerated the relationship with law enforcement and why minorities have suffered the most in cities with progressive prosecutors In story after story the authors underscore that justice and public safety require prosecutors to hold all criminals accountable and that the best choice for district attorney is not necessarily based on partisan politics but between those who believe in law and order and those who don't **An Examination of Federal 9/11 Assistance to New York** United States. Congress. House. Committee on Homeland Security. Subcommittee on Management, Integration, and Oversight, 2006 *The Landmarks of New York, Fifth Edition* Barbaralee Diamonstein-Spielvogel, 2011-09-01 As the definitive resource on the architectural history of New York City *The Landmarks of New York Fifth Edition* documents and illustrates the 1 276 individual landmarks and 102 historic districts that have been accorded landmark status by the New York City Landmarks Preservation Commission since its establishment in 1965 Arranged chronologically by date of construction the book offers a sequential overview of the city's architectural history and richness presenting a broad range of styles and building types colonial farmhouses Gilded Age mansions churches schools libraries museums and the great twentieth century skyscrapers that are recognized throughout the world That so many of these structures have endured is due in large measure to the efforts of the New York City Landmarks Preservation Commission Since the establishment of the commission New York City has become the leader of the preservation movement in the United States with more buildings and districts designated and protected than in any other city Included here are such iconic structures as Grand Central Station the Chrysler Building the Metropolitan Museum of Art and Carnegie Hall as well as those that may be less well known but are of significant historical and architectural value the Pieter Claesen Wyckoff House in Brooklyn the oldest structure in New York City the Bowne House in Queens the birthplace of American religious freedom the Watchtower in Marcus Garvey Park in Harlem the New York Botanical Garden in The Bronx and Sailors Snug Harbor on Staten Island In addition to completely updated maps and descriptions of each landmark and historic district included in the previous editions the fifth edition adds 183 new individual landmarks and 39 new historic district maps
