**Manhattan Passion** Jessica Randall,2021-03-03 Riley being known as The Manhattan Princess never got to leave her family's hotels until she finally got her mother to agree to let her go on a business trip for the company and a possible merger. She wasn't expecting to get one night without her bodyguard and she definitely wasn't expecting to meet someone as intriguing as him. Jackson wasn't happy at all when his father made him go to his business meetings just because he didn't want to deal with the paperwork. He was getting even more irritated as he was blown off for two weeks straight until he walked into his nightclub and saw her. Can Jackson convince her to give him a chance even though they are so far apart? Can Riley convince her parents to break their promise? Can they make their relationship work and keep their past from destroying their future? Manhattan Passion Antoinette Powell,2002

A Billionaire Affair Niobia Bryant,2018-04-01 Love is the ultimate power play. Alessandra Dalmount has been groomed since birth to assume the joint reins of her father's empire. Now that day has arrived, forcing her to not only abandon her own career goals but work closely with her co-CEO and childhood nemesis, Alek Ansah. As they battle for control of the billion-dollar conglomerate, Alessandra fights her attraction to the international playboy that could sabotage her professional future. Although he pursued other dreams, Alek must honor his late father's request or risk losing his shares of the Ansah Dalmount Group. But the shy girl he knew has matured into a sophisticated businesswoman he can't resist. And at a private island resort, he and Alessandra end up making love, not war. Then a shocking revelation erodes her trust and a breaking scandal could leave only one standing. Can they turn their intense rivalry into a blueprint for success that includes a permanent alliance of love? With Passion Michael Meltsner,2018-03-26

Growing up in a Depression-battered family, one tangled by a mortal secret, With Passion tells the improbable story of an unsung hero of the civil rights movement who thought of himself as a miscast lawyer but ended up defending peaceful protesters representing Muhammad Ali, suing Robert Moses, counseling Lenny Bruce, bringing the case that integrated hundreds of Southern hospitals, and named the principal architect of the death penalty abolition movement in the United States. More than a meditation on often frustrating legal efforts to fight inequality and racism, Meltsner, also a novelist and playwright, vividly recounts the life of a New York City kid struggling to make sense of coming of age amidst the tumult of vast demographic and cultural changes in the City. [My Passion in Pursuit of God](#) Cornel Bedward, 2024-10-28 In writing this book My Passion in Pursuit of God my focus was to bring together the importance of having God's love well ingrained in every aspect of our lives as we grow My intent was not just to write about my life but also to provide a presentation that would simplify our understanding of our relationship with God My goal and intent were to use my life as an example and to intertwine my life journey from childhood to becoming an adult I wanted to show how my relationship with God had such a profound impact on my life My great asset was having a conscious belief in the presence of a supernatural force outside myself I could sense he wanted to become a part of my life journey and I had the faith to let him This book contains biblical references and verses to help in our life to follow and for consultation In this book there is an understanding that God does not reveal every step we make or keep us from stepping outside his will and desires for our lives There is such a thing as free will and God will not override our choices in our journey However in Christ we have the Holy Spirit and he will guide us into all truth My Passion in Pursuit of God is a captivating book that offers a comprehensive guide on how to deliver a life journey with a spiritual connection to God It is also a

testament to the transformative power of personal stories and a deeper connection to the divine Writing this book allows me to take an introspective look at self discovery and the way God sees us through his grace and mercy
