Manhood A Journey From Childhood Into The Fierce O:

Sex, Lies, and Autobiography James L. O'Rourke, 2006 In *Sex Lies and Autobiography* James O'Rourke explores the relationships between literary form and ethics revealing how autobiographical texts are able to confront readers with the moral complexities of everyday life Tracing the ethical legacy of Jean Jacques Rousseau's *Confessions* in a series of English language texts the author shows how Rousseau's doubts about the possibility of ethical behavior in everyday life shadows the first person narratives of five canonic works William Wordsworth's *Prelude* Charlotte Brontë's *Jane Eyre* and Villette Mary Shelley's *Frankenstein* and Vladimir Nabokov's *Lolita* Offering a fascinating new way of thinking about ethics through literature *Sex Lies and Autobiography* challenges the most fundamental principles of the philosophical study of ethics revealing the innate difference between morality in life and morality in literature O'Rourke begins with Rousseau's inability to reconcile his intuitive belief that he is a good person with the effects that his actions have on others and he goes on to show how this same ethical impasse recurs in the five aforementioned texts The ethical crises these texts describe such as when *Jane Eyre*'s happiness can be purchased only at the cost of Bertha Mason's suicide or when Humbert Humbert's artistry demands the sacrifice of Dolores Haze are not instances of authorial ethical blindness O'Rourke says but rather are ethical challenges that force us as readers to consider our own lives In each of these works a narrator attempts to justify his or her behavior and fails in each case the rigorous narrative of self examination demands a similar effort from the reader whose own sense of moral rectitude is put into question Confronting the long held philosophical construction that links ethical principles and life choices thereby reassuring us of the ethical coherence of everyday life the narrators of these literary autobiographies come to a very different conclusion by looking back on their lives they cannot understand how their most benevolent desires led to such damaging life stories By leaving meaning inexplicit O'Rourke argues these texts are able to recover traumatic material that is ordinarily repressed and then bring that repressed knowledge to bear on self justifying narratives For readers interested in autobiographical studies ethical criticism and trauma and literary studies *Sex Lies and Autobiography* provides a groundbreaking analysis of the role of ethics in literature

Masculinity and Male Codes of Honor in Modern France Robert A. Nye, 1998-11-30 In this study of upper class masculinity from the end of the ancien régime in 1789 to the end of World War I Robert Nye argues that manhood masculinity and male sexuality is like femininity a cultural construct comprising a strict set of heroic ideals and codes of honor which few men have been able to realize in practice In doing so Nye destabilizes and historicizes the male body and incorporates gender into the brand of cultural history inaugurated by Norbert Elias in the 1930s

Susan Sontag Leland Poague, Kathy A. Parsons, 2021-12-12 Susan Sontag *An Annotated Bibliography* catalogues the works of one of America's most prolific and important 20th century authors Known for her philosophical writings on American culture topics left untouched by Sontag's writings are few and far between This volume is an exhaustive collection that includes her novels essays reviews films and interviews Each entry is

accompanied by an annotated bibliography *Babylon Girls* Jayna Brown, 2008-09-19 *Babylon Girls* is a groundbreaking cultural history of the African American women who performed in variety shows chorus lines burlesque revues cabaret acts and the like between 1890 and 1945 Through a consideration of the gestures costuming vocal techniques and stagecraft developed by African American singers and dancers Jayna Brown explains how these women shaped the movement and style of an emerging urban popular culture In an era of U S and British imperialism these women challenged and played with constructions of race gender and the body as they moved across stages and geographic space They pioneered dance movements including the cakewalk the shimmy and the Charleston black dances by which the New Woman defined herself These early twentieth century performers brought these dances with them as they toured across the United States and around the world becoming cosmopolitan subjects more widely traveled than many of their audiences Investigating both well known performers such as Ada Overton Walker and Josephine Baker and lesser known artists such as Belle Davis and Valaida Snow Brown weaves the histories of specific singers and dancers together with incisive theoretical insights She describes the strange phenomenon of blackface performances by women both black and white and she considers how black expressive artists navigated racial segregation Fronting the picaninny choruses of African American child performers who toured Britain and the Continent in the early 1900s and singing and dancing in *The Creole Show* 1890 *Darktown Follies* 1913 and *Shuffle Along* 1921 black women variety show performers of the early twentieth century paved the way for later generations of African American performers Brown shows not only how these artists influenced transnational ideas of the modern woman but also how their artistry was an essential element in the development of jazz *The T. E. Lawrence Puzzle* Stephen E. Tabachnick, 2012-02-01 From the early 1920s to the late 1960s T E Lawrence s life and career were largely the subject of sensationalist speculation fired mainly by the romantic image of Lawrence of Arabia Then as the result of various political scholarly and intellectual developments study of Lawrence s career and influence began to take on a new aspect This collection of fourteen essays including Stephen E Tabachnick s extensive introduction provides balanced and fully documented analyses of Lawrence s multifaceted career by an international group of scholars *The T E Lawrence Puzzle* will appeal to Lawrence experts and to general readers interested in objective reasoned perspectives on a brilliant polymath with a fascinating personality whose many achievements remain very relevant to our own times *The American Popular Novel After World War II* David Willbern, 2013-04-05 Through the perspectives of selected best selling novels from the end of World War II to the end of the 20th century including *The Catcher in the Rye* *To Kill a Mockingbird* *The Godfather* *Jaws* *Beloved* *The Silence of the Lambs* and *Jurassic Park* this book examines the crucial issues the U S was experiencing during those decades These novels represent the voices of popular conversations as Americans considered issues of family class racism and sexism feminism economic ambition sexual violence war law religion and science Through the windows of fiction the book surveys the Cold War and anti communism the prefeminist era of the 1950s and the sexual revolution of the 1970s forms of corporate

power in the 1960s and 1980s the traumatic legacies of slavery and Vietnam the American fascination with lawyers cops and criminals alternate styles of romance in the era of late capitalism our abiding distrust of science and our steadfast wonder about the Great Mysteries *Affect and Realism in Contemporary Brazilian Fiction* Karl Erik Schollhammer,2020-12-15 This book is about contemporary Brazilian fiction from the past two decades and concerned with the possibilities of literary intervention in the reality of the historical moment Thus an understanding of the actual role of literature is strategic in the definition of the contemporary and the book shows an optimism among current writers and artists with respect to the aesthetic ethical and political role of literature and art in the twentieth century In contemporary Brazilian prose two simultaneous ambitions are often reconciled The commitment to individual or social reality is a challenge that is assumed without thereby necessarily accepting and following the molds of the traditional search for national or cultural identities This foundation is one of the constants of contemporary prose without thereby eliminating the continuous existence of a formal experimentalism that is the clearest heir of the modernist project **Robert Smithson** Ann Reynolds,2004-10-01 An examination of the interplay between cultural context and artistic practice in the work of Robert Smithson Robert Smithson 1938 1973 produced his best known work during the 1960s and early 1970s a period in which the boundaries of the art world and the objectives of art making were questioned perhaps more consistently and thoroughly than any time before or since In Robert Smithson Ann Reynolds elucidates the complexity of Smithson s work and thought by placing them in their historical context a context greatly enhanced by the vast archival materials that Smithson s widow Nancy Holt donated to the Archives of American Art in 1987 The archive provides Reynolds with the remnants of Smithson s working life magazines postcards from other artists notebooks and perhaps most important his library from which she reconstructs the physical and conceptual world that Smithson inhabited Reynolds explores the relation of Smithson s art making thinking about art making writing and interaction with other artists to the articulated ideology and discreet assumptions that determined the parameters of artistic practice of the time A central focus of Reynolds s analysis is Smithson s fascination with the blind spots at the center of established ways of seeing and thinking about culture For Smithson New Jersey was such a blind spot and he returned there again and again alone and with fellow artists to make art that through its location alone undermined assumptions about what and more important where art should be For those who guarded the integrity of the established art world New Jersey was elsewhere but for Smithson elsewheres were the defining if often forgotten locations on the map of contemporary culture

Travesty John Hawkes,2016-04-21 An exceptionally brilliant novel from our most interesting writer Flannery O Connor Travesty is John Hawkes s most extreme vision of eroticism and comic terror In the south of France an elegant sports car is speeding through the night bearing a man his daughter and his best friend toward a fatal crash As he drives the privileged man justifies in a sustained monologue his firm opinion that willed destruction is the ultimate act of the poetic imagination What I have in mind is an accident so perfectly contrived that it will be unique spectacular and instantaneous a physical

counterpart to that vision in which it was in fact conceived Concerned with sex myth the imagination and the absurd *Travesty* is one of the most cruelly and vibrantly ironic works to be found in twentieth century literature *Weariness of the Self*

Alain Ehrenberg, 2009-12-20 A history of depression that describes the illness across social history and within psychiatry

Muhammad Iqbal Javed Majeed, 2020-11-29 Bringing together Islamic studies a postcolonial literary perspective and a focus on the interaction between aesthetics and politics this book analyses Iqbal's Islamism through his poetry It argues that his notion of an Islamist selfhood was expressed in his verse through the interplay between poetic tradition and creative innovation It also considers how Iqbal expressed an Islamist geopolitical imagination in his work and examines his exploration of the relationship between the modern West and a reconstructed Islam For the first time Iqbal's personal letters have been drawn upon to provide an insight into his inner conflicts as articulated in his poetry Concentrating on the complexity of his work in its own right the book eschews the standard appropriation of Iqbal into any one political agenda be it Indian nationalism Muslim separatism or Iranian Islamic republicanism With its analytical and in depth reading of Iqbal's verse and prose this book opens a fresh perspective on Islam and postcolonialism It will be a fascinating study for general readers and readers with interests in the intellectual and political history of modern South Asia colonialism and postcolonialism Islamic studies and modern South Asian literature especially Urdu and Persian poetry

Where the North Sea Touches Alabama Allen C. Shelton, 2013-10-25 On a warm summer's night in Athens Georgia Patrik Keim stuck a pistol into his mouth and pulled the trigger Keim was an artist and the room in which he died was an assemblage of the tools of his particular trade the floor and table were covered with images while a pair of large scissors glue electrical tape and some dentures shared space with a pile of old medical journals butcher knives and various other small objects Keim had cleared a space on the floor and the wall directly behind him was bare His body completed the tableau Art and artists often end in tragedy and obscurity but Keim's story doesn't end with his death A few years later 180 miles away from Keim's grave a bulldozer operator uncovered a pine coffin in an old beaver swamp down the road from Allen C Shelton's farm He quickly reburied it but Shelton a friend of Keim's who had a suitcase of his unfinished projects became convinced that his friend wasn't dead and fixed in the ground but moving between this world and the next in a traveling coffin in search of his incomplete work In *Where the North Sea Touches Alabama* Shelton ushers us into realms of fantasy revelation and reflection paced with a slow unfurling of magical correspondences Though he is trained as a sociologist this is a genre crossing work of literature a two sided ethnography one from the world of the living and the other from the world of the dead What follows isn't a ghost story but an exciting and extraordinary kind of narrative The psycho sociological landscape that Shelton constructs for his reader is as evocative of Kafka Bataille and Benjamin as it is of Weber Foucault and Marx *Where the North Sea Touches Alabama* is a work of sociological fictocriticism that explores not only the author's relationship to the artist but his physical historical and social relationship to northeastern Alabama in rare style **Planes Flying over a Monster** Daniel

Saldaña París,2024-08-20 Finalist for the PEN Translation Prize From one of Mexico's most exciting young writers a cosmopolitan and candid essay collection exploring life in cities across the world and reflecting on the transformative importance of literature in understanding ourselves In ten intimate essays Daniel Saldaña París explores the cities he has lived in each one home to a new iteration of himself In Mexico City he's a young poet eager to prove himself In Montreal an opioid addict desperate for relief In Madrid a lonely student seeking pleasure in grotesque extremes These now diverging now coalescing selves raise questions Where can we find authenticity How do we construct the stories that define us What if our formative memories are closer to fiction than truth Saldaña París turns to literature and film poetry and philosophy for answers The result is a hybrid of memoir and criticism a sensory work full of soundscapes filthy planes closed spaces open vastness El País

Pitch and Revelation Will Daddario,Matthew Goulish,2022 *Pitch and Revelation* is the first book length study of the poetry prose and dramatic literature of the African American poet Jay Wright 1934 The authors premise their reading on joy as a foundational philosophical concept In this they follow Spinoza who understood joy as that affect necessary for the construction of an intellectual love of God leading into the infinite univocity of everything Similarly with Wright joy leads to a visceral sense of what the authors call the great weave of the world This weave is akin to the notion of entanglement made popular by physicists and contemporary scholars of Science Studies such as Karen Barad which speaks of the always ongoing mutually constitutive connections of all matter and intellectual processes By exhibiting and detailing the joy of reading Wright *Pitch and Revelation* intends to help others chart their own paths into the intellectual musical and rhythmical territories of Wright's world so as to more fully experience joy in the world generally Although the exhibitions of meaning making presented are instructive they do not follow the do as I do or do as I say model of instructional texts Instead they invite the reader to do along with us as the authors make meaning from selections across Wright's erudite dense rhythmically fascinating endlessly lyrical highly structured and seemingly hermetic body of work Publisher's website

A Life of Picasso IV: The Minotaur Years John Richardson,2021-11-16 The beautifully illustrated fourth volume of Picasso's life set in France and Spain during the Spanish Civil War and World War II covers friendships with the surrealist painters artistic inspiration around *Guernica* and the Minotaur and his muses Marie Thérèse Dora Maar and Françoise Gilot and much more Including 271 stunning illustrations and drawing on original and exhaustive research from interviews and never before seen material in the Picasso family archives this book opens with a visit by the Hungarian French photographer Brassai to Picasso's chateau in Normandy Boisgeloup where he would take his iconic photographs of the celebrated plaster busts of Marie Thérèse Picasso's mistress and muse Picasso was contributing to André Breton's *Minotaur* magazine and he was also spending more time with the likes of Man Ray Salvador Dalí Lee Miller and the poet Paul Éluard in Paris as well as in the south of France It was during this time that Picasso began writing surrealist poetry and became obsessed with the image of himself as the mythic Minotaur head of a bull body of a man and created his most famous etching *Minotaure* Richardson shows us

the artist is as prolific as ever painting Marie Thérèse but also painting the surrealist photographer Dora Maar who has become a muse a collaborator and more In April 1937 the bombing of the town of Guernica during the Spanish Civil War inspires Picasso's vast masterwork of the same name which he paints in just a few weeks for the Spanish Pavilion at the Paris World's Fair When the Nazis occupy Paris in 1940 Picasso chooses to remain in the city despite the threat that his art would be confiscated In 1943 Picasso meets Françoise Gilot who would replace Dora and as Richardson writes rejuvenate his psyche reawaken his imagery and inspire a brilliant sequence of paintings As always Richardson tells Picasso's story through his work during this period analyzing how it shows what the artist was feeling and thinking His fascinating and accessible narrative immerses us in one of the most exciting moments in twentieth century cultural history and brings to a close the definitive and critically acclaimed account of one of the world's most celebrated artists

Some of These Days James Donald, 2015-04-27 With peerless talent and unrivalled international presence few stars shone brighter in the heady firmament of the Jazz Age than Josephine Baker and Paul Robeson Electric charismatic and unforgettable both ignited the modern imaginations of cosmopolitan centers across Europe Unabashedly themselves they inspired poets architects novelists and filmmakers across London Paris Berlin and Vienna with their indomitable artistic energy But Some of These Days extends beyond pure dual biography to recreate the rich community of artists who interacted with and were influenced by Baker and Robeson James Donald highlights how the sense of excitement and artistic renewal ushered in with the New Negro Movement reverberated far beyond Harlem Throughout this chronicle Donald underscores the relationship of African American aesthetics to the modernist movement that flourished from the 1920s until the end of World War II Vivid portraits of artists like T S Eliot HD Carl Van Vechten Marlene Dietrich Jean Gabin and Adolf Loos among others animate the study Traversing countries and artforms Some of These Days illustrates the immense cross cultural collaboration of film song dance and literature that coalesced to create modernist culture where the new rhythms of the machine age were gleefully embraced allowing art to consider the new possibilities of cosmopolitanism in a modern world Engagingly written and lavishly illustrated Some of These Days recovers not just the romance excitement and uncertainty of Baker and Robeson's storied rise to stardom but also the political and cultural legacy of the movement that they embodied

Crystals Out of Chaos Lesley Marx, 1997 In this new study of the novels of John Hawkes author Lesley Marx has brought to light insights from the three novels Hawkes has published in the last ten years as well as from his other works According to Marx all three of these new novels continue to attest to the fertility of Hawkes's imagination and the fine crafting of his prose But at least two of the new works Adventures in the Alaskan Skin Trade and Sweet William A Memoir of Old Horse also reveal an expansive and transformative vision that celebrates the shifting and fluid possibilities of authority writing storytelling and gender

Africa after Modernism Michael Janis, 2013-05-13 Africa after Modernism traces shifts in perspectives on African culture arts and philosophy from the conflict with European modernist interventions in the climate of colonialist aggression

to present identitarian positions in the climate of globalism multiculturalism and mass media By focusing on what may be called deconstructive moments in twentieth century Africanist thought on intellectual landmarks revolutionary ideas crises of consciousness literary and philosophical debates this study looks at African modernity and modernism from critical postcolonial perspectives An effort to sketch contemporary frameworks of global intersubjective relations reflecting African cultures and concerns must resist taking modernism as a term of African periodization or master narrative but as a constellation of discursive and subjective forms that obtains upon the present moment in African literature philosophy and cultural history Africa after Modernism argues for a philosophical consciousness and pan African multiculturalist ethos that operate after the deconstruction of Eurocentrism beyond self other paradigms of exoticism or West Africa political ideologies in dialogue with postcolonial approaches to cultural reciprocity **The Confessions of T.
